Life Sketch of Nathaniel Doane, Republican Nominee for Sheriff.

Nathaniel Doane, who was nominated for sheriff of Hillsboro county by the Republicans in the convention in Nashua Wednesday, was born in Harwichport, Cape Cod, Mass., Sept. 25, 1814, and his thirty-second birthday anniversary and nuptial day anniversary and nuptial day anniversary were celebrated together. Mr. Doane was a son of Capt. Nathaniel Doane and Zilpha J. Doane. The nominee's early schooling was had in his native village, and he was afterwards fitted for college in the Chauncey Hall school of Boston. His health, however, forbade his college attendance. His first business was that of bookkeeper for B. C. Clark, the Haytian consul, in Boston. He went to Manchester three years after his school life and for ten years was in the employ of the Swift Beef company. He then became partner in the firm of Doane & Welch, and is a part owner in the Robie Concrete company.

Mr. Doane was united in marriage with Ella Frances Bingham, daughter of James A. Bingham, seven years ago, June 20. The fruit of this union has been two sons. The subject of this sketch is a member of the Calumet club, of the Knights of Pythias, and the A. O. F. W. He is an attendant at the Frank Hill street church, Manchester.

The Yale students as well as citizens of New Haven were insulting in their manners to Mr. Bryan, and are receiving punishment through the newspapers for it. Free speech has always been our proud claim as a nation. Mr. Bryan may be in the wrong, but as an American citizen he has rights which should be respected. It doesn't show very good judgment to condemn a man because he don't believe exactly as you do!

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness yield to Electric Bitters. 50c. and \$1.00 per bottle at Antrim Pharmacy.

"The Latch String Out."

Nashua is to throw open its gates next week and bids a hearty welcome for all to the "Merchants' Week," which is to be held during that period. These festivities will be of a decidedly interesting and unique character, and the merchants will make every advance possible in giving all visitors the benefit of the best goods at the most liberal of prices. In the list of attractions is included Parachute Jumping, Base Ball, Fireman's Muster and Tug of War. During this round of gaiety, the Boston and Maine railroad will give reduced rates to Nashua from many stations, information regarding which can be obtained at station ticket offices.

Worlds Food Fair.

On Monday, Oct. 5, at 10 a. m., the mammoth Mechanic's Building, Boston, opens its doors to the public and for five weeks the biggest and best exposition ever held in New England will welcome visitors in large numbers. At 3 p. m. on that day the Fair will be formally opened with addresses by Gov. Walcott, Mayor Quincy and other prominent citizens. Reeves' and other leading bands will be in attendance. There will be three sessions daily; four concerts daily. Bozane's painting of Niagara Falls will be secured at a great outlay, and will be on exhibition in Exhibition Hall gallery. It is the largest water color painting in the world, and framed, is 12 by 36 feet. It is valued at \$10,000.

Buckley's Arnica Salve.

The Best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale at the Antrim Pharmacy.

PEOPLE'S DEPARTMENT.

About Chestnuts.

Mr. Editor:— Just a few words about chestnuts. In many of the towns around us, chestnut trees are as common as beech and other native trees. There are a very few trees in Antrim which bear these toothsome nuts, proving that they will grow here.

Is there any reason why they are not plenty, except that they have never been planted to any extent? Now as both the fruit and lumber of this tree are valuable and there is plenty of room for it to grow, I suggest that each family in town choose a committee of one or more to plant some chestnuts this fall in convenient places in wood, field, and pasture, putting in a few extra ones for the squirrels, and see what will be the result. The trouble and expense would be but a trifle compared with the probable pleasure and profit in future years, to the little folks of today.

Stands at the Head.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have. J. F. Campbell, merchant of Safford, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Coughs and Colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is not an experiment. It has been tried for a quarter of a century, and to-day stands at the head. It never disappoints. Free trial bottles at Antrim Pharmacy.

Best in Nashua.

Do not fail to visit Norwell's during Merchants' Week. The Largest and Best Store in Nashua. Special Bargains in Every Department. Dry Goods, Cloaks, Millinery, etc.

Course of Lectures and Concerts.

The committee are completing as fast as possible the arrangements for the course of entertainments to be held here the coming season, and think they have as good talent if not better, than was in the course last year, which was acknowledged to be the best one here for some time. Among the talent now engaged are The Harvard Male Quartette, with a lady reader; F. R. Roberson, illustrated lecture on some foreign country; John DeWitt Miller, lecture; Shipp Brothers Company, musicians, bell ringers, cornet soloist; Col Bain, lecture on a new subject. There is yet another concert to be arranged for, and the exact dates to fix for the six entertainments, which will doubtless be completed this week.

An Affidavit.

This is to certify that on May 11th I walked to Melick's drug store on a pair of crutches and bought a bottle of Chamberlain's Pain Balm for inflammatory rheumatism, which had crippled me up. After using three bottles I am completely cured. I can cheerfully recommend it.—Charles E. Wetzel, Sunbury, Pa.

Sworn and subscribed to before me on August 10, 1894.—Walter Shipman, J. D. For sale at 50 cents per bottle by Putney & Little, druggists.

WOMAN'S INFLUENCE.

The influence of women upon the civilization of the world, could never be measured.

Because of her, thrones have been established and destroyed. The flash of her eye, the touch of her hand, and we have the marvellous power of women, glorious in the possession of perfect physical health.

Lydia E. Pinkham, by her wonderful discovery of the "Vegetable Compound," has done much to place this great power in the hands of women.

She has lifted thousands out of the misery brought by displacement of the womb, and all the evils that follow diseases of the uterus.

The "Vegetable Compound" restores natural cheerfulness, destroys despondency, cures backache, strengthens the muscles, restores the womb to its normal condition, and you are changed from a physical wreck to the joy of your home and friends.

By the way—the leading druggists tell us that the demand for Lydia E. Pinkham's Vegetable Compound is simply beyond their power of understanding, and what is best of all, it does the work and cures where the best physicians utterly fail.

THE OCTOBER NUMBER OF THE DELINEATOR!

IS CALLED THE AUTUMN NUMBER,

and its many Colored Plates of Dress Modes and Millinery reflect the rich but subdued tint characterizing Autumn Fashions. Mothers will find especially helpful the Directions for Fitting Out the Family with Autumn and Winter Clothing. The literary matter shows a continuance of the high quality lately noted, two brilliant additions to the list of contributors being made in Frances Lynde and Viola Allen. Everything combined makes it an exceptionally good number. Subscriptions taken by Charles H. Martin, at

BENNINGTON.

Trees are fast changing color. Why don't we have a campaign company? George Upton is quite sick. The L. R. S. have purchased the new carpet for the church and it is now being made. Apples are plenty and good barrels are scarce and in good demand. Services were held in the Congregational church vestry Sunday. Harry Hibbard and wife are boarding at G. S. Holt's. While out moon-hunting G. O. Joslin met with an accident whereby he now wears an overshoe on one foot and walks with a slight limp. Buttons with senseless words are sent everywhere; they don't care who wears them. The Willing workers met for work in the vestry last Saturday. Gust. Walker of Concord was in town Saturday. Mr. and Mrs. Royal Knight visited in Keene last week and attended the Keene fair. The Bennington Base Ball nine defeated the Deerings on the home grounds last Saturday, 26 to 10. Miss Annie Sargent of Benford was the guest of Fred U. Sargent at Mrs. Lettie Martin's, the past week. Archie Rogers is on a vacation and Harry Knight is taking his place at Joslin's. Albert Clement of Antrim was in town Saturday. Harry Eaton and wife rode up from Manchester on their wheels Tuesday and are the guests of Mr. and Mrs. R. V. Knight. The Dramatic Club will repeat the drama "The Emigrant's Daughter" soon, the act proceeds to go to paint the band stand; then small boy, no more jokes please. Miss Carrie Farum and Mr. DeBill of Lynn, Mass., have been visiting at Mrs. John Newton's the past week. G. O. Joslin was in Manchester Saturday to hear the speech of candidate, W. J. Bryan. Cyrus Philbrick has been on a short vacation, visiting in Franklin, Canada, and attended the Canada fair. Morris Tuttle of Hancock took his place at the station. Bennington people all went to Hancock fair last Friday and helped to make the crowd which was a good one. The fat man, the lean man, the hen-pecked man, the pop corn (wo)man and the new woman were all there, each watching to see what someone else was going to do. The exhibits were very good, the vegetables and fruit in the Town hall were especially fine, and would do credit to a larger fair. A live alligator attracted a good deal of attention. Several couples from here attended the dance in the evening.

IRA S. CRAM. A deep sorrow seemed to settle over this whole village Saturday morning when word was received of the death of Ira S. Cram, son of Mr. and Mrs. Charles B. Cram, at the hospital in Concord, where he had been confined for the past year and a half. The news came as a great shock, he having died very suddenly. Although he had been in very feeble health and was gradually failing, the end came unexpectedly to all, his physicians were not looking for the change so soon. The deceased came to Bennington with his parents from Providence, R. I., some years ago. He was 42 years and 11 months of age; a member of Troop A., Cavalry, N. H. N. G., and of Merrimack Engine Co., No. 1, of Bennington, and was formerly a very active member of the Knights of Pythias in Providence. The death of this brother was the first break in the family circle and was a severe blow to them all, father, mother, three brothers, Charles E., of New Mexico, Ira S., twin brother of the deceased, and Ruel S., of this village, and one sister, Mrs. Henry Roberts, of Derry, were all present at the funeral services; the brother from the West having come home on a visit a few days previous, otherwise he could not have reached home in season to attend. Death came so unexpectedly and at the end of the week, that friends in Providence of whom there were a great many, were unable to attend. Mr. Cram was a most estimable young man and by his generous disposition and genial manner made hosts of friends wherever he went, and since his health began to fail fully two years ago his friends have continued to hope that he might recover, and were wholly unprepared for his sudden demise. Death could hardly have claimed one from our village who would be more generally mourned. At the funeral, which was held Monday afternoon at the home, Troop A., Cavalry, under command of Lieutenant C. H. Dutton, and Merrimack Engine Company, under Foreman Jefferson Shay, both showed their respect to the deceased brother, and sympathy with the bereaved ones, by attending in a body. C. H. Kimball conducted the funeral services in a very acceptable manner. Rev. F. E. Winn officiated and spoke feelingly of the deceased and comforting words to the mourning ones. The Congregational church choir furnished singing, rendering three beautiful selections; Corporal Fred B. Sargent, Privates A. A. Martin, Gustav Kossbied, and John Harmon, under Sargeant John T. Robertson, acted as bearers. Of floral tributes there was an abundance, the remains being literally buried in flowers, silently testifying the great esteem in which the deceased was held by all who knew him. Lieutenant Dutton and Foreman Shay were very prompt in their action to have their companies on hand and in uniform and their kindness was appreciated by the family. Interment was at North Branch (Antrim) cemetery.

GARD OF THANKS.—We the undersigned desire to express our sincere thanks to the neighbors and friends, to the singers, and to all who in any way assisted us in our sad bereavement in the loss of our dear son and brother; we would especially thank the members of the Cavalry and the Fire Department, and all those who sent the beautiful floral tributes. MR. AND MRS. CHARLES B. CRAM and FAMILY.

GREENFIELD.

Services were held in the church last Sunday for the first time in five months. In the mean time great improvements have been made. Sted ceiling put on overhead, the wood-work newly painted, the walls papered, the carpet taken up and thoroughly renovated and relaid, new and modern seats put in with nice cushions to match, and other improvements have been made. A furnace has been put in under the building which, it is supposed, will be sufficient to heat the entire building. The society has now a very neat and attractive place of worship, and it is largely due to the ladies, who have labored faithfully for this great improvement. Some of the farmers are shipping their apples to England. The funeral services over the remains of Miss Nellie J. Cashion, whose death from phthisis was reported last week, were held at St. Peter's church at Peterboro, on the 13th inst. Deceased was aged 24 years, 3 months and 7 days. Notwithstanding the drizzling rain which continued to fall during the day, nearly fifty carriages containing part of the many friends who will sadly mourn their loss, followed the remains to their last resting place in the Catholic cemetery at Peterboro. The floral display was magnificent, and would alone be capable of showing the esteem in which the young lady was held by those who knew her. Among those who came to pay their last tributes to their late young friend, and to express their sympathy for the grief-stricken family, were: Fred Lindsay, Joseph Lindsay, John Maguire, Oscar Sanborn, Mary Flaherty, Julia Crow, Agnes Murray, Mrs. Graham, Master Oney Graham, of Manchester; also Miss Nellie Shea, Miss Anna Walsh and Mrs. Herman McManus of Boston.—Transcript.

Chamberlain's Cough Remedy the Best and Most Popular. "We all know of Chamberlain's Cough Remedy," writes Messrs. Kerr & Sons, druggists, of Mars, Pa. "They also sell this medicine. It is something that should be in every household. We have sold two gross this winter, selling as high as six bottles in one morning to as many different customers. This remedy has proved particularly successful in many cases. Our customers invariably pronounce it the best they can find, and we know of no case where it has failed to give satisfaction." For sale at 25 and 50 cents per bottle by Putney & Little, druggists.

HANCOCK. Robert P. Cashion, wife and son, and John T. Cashion of New York City, spent their vacation at their father's, Michael Cashion's. Mr. and Mrs. William Putnam have been at Mrs. Putnam's parents, Mr. and Mrs. J. Lindsey's, for a few days. Orlando Fogg is building a house upon his farm to replace the one burned several years ago. Mr. J. A. Buswell has secured a permanent supply of excellent water from a well on a third of a mile west of his buildings on the hill. The pipes are already laid.

Mr. and Mrs. P. P. Morse are away on a ten days' vacation. Morris Tuttle assists in office at Elmwood during Mr. Morse's absence. Messrs. Squares & Powney, the recent purchasers of the Spaulding farm, are commencing extensive renovations on this much neglected farm.—Transcript.

The Blind Slave Girls of Canton. Passing down the streets of Canton at night, my attention was called to numbers of blind girls from 14 to 18 years of age dressed in brilliant outer garments, with their faces rouged and their hair ornamented with flowers. A woman, carrying a musical instrument, led several of these girls, and I have since learned that they were owned by this mistress, who conducted them, by night, to the lowest parts of the city, and by their playing, singing, and in most respectable ways, she secures an income from them that enables her to live in ease and comfort. I have met no class of persons that seemed so pitiable as these blind singing girls. It is regarded an affliction for a girl to be born in a Chinese family, and when the girl is blind, her life is one of ceaseless neglect and cruelty, and often, if the family is poor, she is sold for a small amount to one of these dealers in human bodies, who piles her nefarious business until death snatches her victim from her.—Baltimore Sun.

Sir Joseph Barnby. "Although Sir Joseph Barnby belonged to the pediatric school," says "The Saturday Review," "the iron of its chains never entered into his soul, and at heart his dreams to have been something of a Bohemian, founder of the on-payable rather than the merely correct both in life and in art. He did not compete much, but he was the writer of some songs which had a vogue, of the most popular part song ever written, and of some church music which touches the high water mark of its kind. It is hard to say who will take his place."

SPECIAL NOTICES. You Can't Buy Happiness, but if you are suffering from dyspepsia, scrofula, salt rheum, impure blood, you may be cured and made happy by taking Hood's Sarsaparilla. Hood's Pills are the best family cathartic and liver medicine. Harmless, reliable, sure. HOOD'S Sarsaparilla has over and over again proved by its cures, when all other preparations failed, that it is the One True BLOOD Purifier. Book and Commercial Printing of all kinds, neatly and promptly executed at REVERTER OFFICE, Antrim.

Sales Talk

With Hood's Sarsaparilla, "Sales Talk," and show that this medicine has enjoyed public confidence and patronage to a greater extent than any other proprietary medicine. This is because it possesses greater medicinal merit and produces greater cures than any other. It is not what we say, but what Hood's Sarsaparilla does, that tells the story.

All advertisements of Hood's Sarsaparilla, like Hood's Sarsaparilla itself, are honest. We have never deceived the public, and this with its superior medicinal merit, is why the people have abiding confidence in it, and buy Hood's Sarsaparilla almost to the exclusion of all others.

Customers Want Hood's. We order Hood's Sarsaparilla in large quantities and it is the only blood purifier which a druggist can buy in large quantities without risk. It is selling very rapidly and customers who buy it once are sure to call for Hood's the next time. We believe Hood's Sarsaparilla must possess true merit in order to retain its popularity. Its sales exceed all similar preparations, and its praises are often heard. L. SOMMER & SON, Springfield, Illinois. Thousands of druggists say the same.
