The Book of Memory

My grandma has a curious book she often lets me see
When in the dusk I leave my play to sit upon her knee;
I cannot touch the book at all, but shut my eyes up tight,
While grandma tells the pictures, and I see them clear and bright.

I see the dear old farm house where grandma used to play,
The barn, with all the cattle, and the fragrant mows of hay,
The pets that grandma used to have, and all her queer old toys,
And the little country schoolhouses, full of merry girls and boys.

And there are other pictures, too, which make my grandma sigh;
She says I must not see them now, but wait till by and by;
But though she thinks they're far too sad to show to little me,
She's sure they all look brighter when I'm sitting on her knee.

My grandma says I'm making a book to be my own,
And that I'll often look at it and smile when I am grown;
And then I'm sure the picture that I like the best to see
Will be myself, a-sitting in the dusk on grandma's knee!

A large representation of the residents on the first day will give tone to all the other features of Old Home Week.

Decorate Your Houses

The general committee wishes us to announce that they hope everyone will decorate their dwelling houses and business places for Old Home Day—Thursday, August 24—and that our town will thus be in holiday attire; it will in this way present an attractive appearance, and show to our visitors that we are glad of another opportunity to welcome them to one of the best towns in New England. Each one do his and her little part and the effect will certainly surprise you. Do It!

Red Hot! Red Hot!

What? Why, the Ball Game between the Farmers and the Business Men. Will P. Cuddihy and Harry Drake, two well-known young men of our town, will act as umpires. It is understood that they both carry a heavy life insurance. Lane & Weeks have ordered a barrel of arnica and about one thousand yards of court plaster. All the doctors in town will be there, also the undertaker; in fact, the committee have endeavored to provide for every emergency. Ex-Gov. D. H. Goodell will be the first man up; come and see him line it out.

A goodly number are planning to "get into the parade" and this will be a leading feature of the day; some nice floats are being prepared.

Annual Sale of the Centre Congregational Society

The Ladies' Aid society of the Congregational church held their annual fair and entertainment last evening at the Grange hall. The various booths and tables were attractively decorated and well patronized. This society has held an annual fair of this kind for several years.

The committees in charge consisted of Mrs. Warren W. Merrill, chairman, Mrs. Charles Holt and Miss I. Mae Lord, fancy articles; Mrs. Arthur Smith, chairman, and Mrs. Charles F. Butterfield, aprons; Mrs. George H. Sawyer, chairman, Mrs. J. L. Larrabee, Mrs. D. E. Luttrupp and Mrs. Charles Tileston of Dorchester, Mass., and Mrs. J. R. Rablin of Milton, Mass., bag table; Mrs. Mary Sawyer, chairman, Mrs. Harlen E. Young, Mrs. E. A. Palmer and Mrs. Leona Tenney, food table; the candy booth was in charge of Miss Emma Merrill, chairman, assisted by Miss Jessie Butterfield and Miss Ellen Nelson; ice cream was in charge of Mrs. Herbert Rogers, chairman, Mrs. G. Henry Hutchinson and Mrs. Otis Pike.

A new feature added to this year's fair was a large tub full of hand-made roses of crepe paper; to each rose was attached a mystery package. This rose tub was in charge of Mrs. D. B. Dunham, chairman, and Miss Sadie MacMullin.

The entertainment consisted in part of a "Peddlers' Parade" which was presented with a local cast of characters. The following took part: Misses Jessie Butterfield, Mildred Holt, Katie Brooks, Marjorie Tileston, Sadie MacMullin, Lula Young and Bertha Merrill, Walter Rogers, Byron Butterfield, Richard Brooks. A Swedish Folk dance was given by 12 girls of the society. Miss Barbara Tileston of Ashmont, Mass., sang.

The stormy night kept many away from the sale who would otherwise have attended; however, a goodly number were present, a fine time was enjoyed, and some over fifty dollars were realized from the evening's sale and entertainment.

Thirty years of association—think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad one. So there's no guesswork in this evidence of Thos. Ariss, Concord, Mich., who writes: I have used Dr. King's New Discovery for 30 years, and it's the best cough and cold cure I ever used. Once it finds entrance in a home you can't pry it out. Many families have used it forty years. It's the most infallible throat and lung medicine on earth. Unequaled for lagrippe, hay-fever, croup, quinsy or sore lungs. Price 50c, \$1.00. Gregg Pond Notes

At Lookoff cottage next 2 weeks: F.W. Swain, F. W. Swain, Jr., M. Edna Swain, Alice B. Swain of Whitman, Mass., Belle H. Murrey of Quincy, Mass., and P. E. Bates of Milton, Mass. The Swains were at Linger Longer Inn at the south end of the Pond, last year. Right here it might be well to say that for the accommodations of the cottages of the south end a road similar to the Old Butman road which would reduce the distance to stores and depot at least 1 1/2 miles, should be opened at once.

The Hillsboro young ladies who occupied Lookoff Cottage the past week, said they had the time of their lives; they were all from prominent families of that town, people used to the best, came for an outing, did not expect too much for a camp, no kicking at any disadvantages which there is at all camps, which showed they had been to other places and knew how to enjoy themselves. It was a pleasure to all about this end of the Pond to have them here. Among their visitors during the week were Dr. Peaslee of Hillsboro, Dr. Varnum and Warren Fox of Lowell, Philip Marcy of S. S. Montgomery, New York, P. W. and C. W. Faulkner of Boston, Archibald and Norman Smith of Hillsboro and Beacon Street, Boston, John Childs of Harvard College, Max Webber of Providence, Supr. Lee and wife of Hillsboro Mills, Mrs. Wallace, Miss Ethelwyn Wallace, Ira Roach of the Natl. Bank, and Scott Kendall of Hillsboro.

City Solicitor W. W. Duncan of Lowell, Mass., was at the Pond Saturday and successful as usual in his fishing. It is a favorite place of his and during the year no outside descendent of Antrim visited it more. The Duncan Farm is the only one in town owned and always been in the name and descendent of its original settler.

Old Home Day comes next week and it is to be hoped the people will give Gov. Bass who is honoring the town with his presence a good reception, though there are few towns where there is so little interest felt by those outside the village, for good reasons which ought to be changed in the future.

The social dance at the Stillbelle Friday night was a success in every way, as clean a party as was ever in town and attended by people who have an entrance to the best society in New England.

Mrs. J. Kennedy of the "City" who was quite ill last week has recovered so as to accompany her mother to her home in Lowell.

George Craige, up the valley, is to

have a house full of summer boarders from the last of the week.

There were many callers at Bonnie Duane cottage Sunday and all mentioned what a cozy cottage it would be when finished.

Fishing is extra good this week; campers all report same plenty.

PROMPTING AN AUDIENCE.

English Actors Give a Signal When It's Time to Laugh.

"Nothing illustrates the difference between English and American wit more, probably, than the manner in which playwrights write their lines," said Rupert Hughes. "There are few people who realize the intricacy of the science of writing a 'laugh'—that is, a line capable of producing a laugh from an audience."

"A man may write one of the funniest lines ever given to the American stage and see it ignored by an audience because of some act on the part of the producing company or one member of that company. I have seen the wittiest remarks wasted because of the move of a hand or of the head of the comedian or actor who enunciated it. Then, again, the laugh is taken out of a line by the moving of some person in the stage setting or by the moving of some part of the stage setting itself. It is funny how the slightest move on the part of an actor, after reciting certain lines, absolutely eliminates the wit from what he has just spoken, so far as the audience is concerned."

"This is so of American audiences, but not so of the English theater-going public. They will not laugh unless the witticism is finished by a nod of the head or a certain movement of the body."

"It is on this account that certain comedies, great successes in this country, are absolute failures in Great Britain," he continues. "Something must be done when a 'laugh line' is spoken on the English stage to give the audience an inkling that the witticism has been completed. Then you get your laugh."

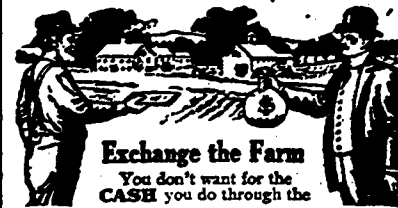

"Not so, on the contrary, with Americans. I remember of hearing of an incident involving one of Olga Nethersole's first appearances in this country. Several times during the performance the celebrated actress walked to the sides and exclaimed to the stage manager: 'What's the matter? Are they going to hiss me off? Why, they applaud before they hear the end of the lines.' In each instance she was told that the audience was quicker than the audiences to which she had been accustomed to playing. She was told the Americans grasped the meaning and the wit of her lines when she had spoken only half of them. The actress, although she received all kinds of applause during the performance, seemed 'disheartened.'"

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. Send for circular, free.

Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, Home of Swamp-Root, including many of the thousands of testimonial letters received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

He's Used to it

It costs a country newspaper money every time it takes a stand on any question. Almost any citizen besides a newspaper man can do it without injuring his business. If the editor advocates improvements the sore heads go after him and sometimes stop their paper. If he opposes improvements the progressive sort get on him and call him a back number and a knocker. If he publishes politics the opposition gets into his hair, and if he does not he is charged with being afraid to stand out for his opinion. If he condemns mail order houses, there are some people who ask him to attend to his own business, as they have a right to trade where they please. If he publishes a mail order ad. some of the merchants are after his gore. No country paper can come out squarely without making enemies and losing money, and in the run of a year or more will incur some criticism from everybody. The newspaper that undertakes to please everybody will please nobody; if it is honest and sincere and thoughtful, the public will respect it.—Ex.

Buy it now. Now is the time to buy a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed before the summer is over. This remedy has no superior.

is examined separately and fitted with the lens it requires when you come to us. This is one advantage you get over the ready-made glasses, which are made to sell and not to correct eye troubles.

Don't be reckless with your eyes. They certainly deserve the best care that can be had.

Don't let some slick tongued fakir who peddles glasses through the country come into your home and sell you a pair of glasses. They know how to fit a glass that makes you see splendidly today, or a few days, but it is an unnatural lens and the eye cannot stand up under the strain. Then you turn to your peddler, —he is gone.

DR. DAVID KENNEDY'S Favorite Remedy

The one sure cure for the Kidneys, Liver and Blood

SAVED FROM AN OPERATION

By Lydia E. Pinkham's Vegetable Compound

Peoria, Ill.—"I wish to let every one know what Lydia E. Pinkham's remedies have done for me. For two years I suffered. The doctors said I had tumors, and the only remedy was the surgeon's knife. My mother bought me Lydia E. Pinkham's Vegetable Compound, and today I am a healthy woman. For months I suffered from inflammation, and your Sanative Wash relieved me. Your Liver Pills have no equal as a cathartic. Any one wishing proof of what your medicines have done for me can get it from any druggist or by writing to me. You can use my testimonial in any way you wish, and I will be glad to answer letters."—Mrs. CHRISTINA REED, 105 Mound St., Peoria, Ill.

Another Operation Avoided.
New Orleans, La.—"For years I suffered from severe female troubles. Finally I was confined to my bed and the doctor said an operation was necessary. I gave Lydia E. Pinkham's Vegetable Compound a trial first, and was saved from an operation."—Mrs. LILY PERRON, 111 Kerlerec St., New Orleans, La.

The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound is a remarkable remedy for those distressing feminine ills from which so many women suffer.

Attack Like Tigers

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt-rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from blood. "They are the best blood purifier," writes Cudahn, of Tracy, Calif., "I have ever found." They make rich, red blood, strong nerves and build up your health. Try them. 50c at
