## FIRST JOINT PICNIC

### Held on Saturday Last, Successfully Conducted

The Antrim Board of Trade and the White Birch Point Association held their first joint picnic Saturday last at White Birch Point, Gregg Lake. Robert H. McCleary of Boston, president of the Association, Major H. A. Cozzens of Brooklyn, N. Y., and Elton Ellis of Philadelphia, had the affair in charge. The committee from the Board of Trade was Frank E. Bass, president, William E. Gibney and Fred C. Parmenter.

The forenoon was devoted to friendly visiting and getting acquainted; thus carrying out one of the principle thoughts which prompted the occasion.

The dinner, always the big event of every picnic, was held in Thayer's grove at the Point. Following this, there was a minstrel show. The cast of characters included summer people who are spending their vacation at the Lake, R. H. McCleary was interlocutor; Leslie T. Wood and Elton Ellis end men; and the circle included Miss Helen Stanley, Boston, Miss Alta J. Ellis, Philadelphia, Miss Anna C. Hollis, Boston, Mrs. William Strong and Mrs. William Kilkelly of Brooklyn, N. Y., Mrs. C. E. Stoddard of Washington, D. C., Mrs. R. H. McCleary of Boston, and Ralph Little of Medford, Mass. Several jokes of a local nature were used and the applause was frequent; the participants' efforts were much appreciated.

Jumping and running, pole vaulting and quoits completed the enjoyment of the day.

The reception committee was Major H. A. Cozzens, Mrs. Eva Webster, Mrs. R. H. McCleary, Mrs. C. E. Stoddard and Mrs. Charles H. Fleming.

## TWO BALL GAMES SATURDAY

### For Price of One --- The Ministers in Town Will Give an Exhibit

Arrangements have been made for two games of base ball on the West street grounds Saturday next, August 30. At 1.30, the Crescents cross bats with the Frankestown boys. At 3.30, the clergymen from Gregg Lake, with those residing here, will under the name of the "Clerics" play the "Classics," a team composed of some of our best amateur players.

If these "Clerics" can play ball as well as they can preach, it will be a hot game. If you miss these games you will always regret it.

Twenty cents for gentlemen and ten cents for ladies admits to both games.

Proceeds for Town Fair. See posters.

## SPECIAL PRECINCT MEETING

On Friday evening of this week, August 29, at 7.30 o'clock, in engine house hall, there will be a special meeting of the voters of the Village Precinct to consider extending the water system to the residences of Lucius Parker and Eugene Woodward.

These places are within the Precinct limits; have always paid a Precinct tax, but receive no benefit whatever thereby; they need the water for domestic uses and for fire protection, and ought to have it. The voters of the Precinct should interest themselves sufficiently to attend this meeting and vote; it is necessary at this special meeting for a given number to be present and vote in order to have the action legal.

A nice way to consider this matter is to ask ourselves this question: Were it our case, just how would we want to be treated by the other fellow?

It is hoped that enough men will be present to accomplish the purpose of the meeting, and not compel adjourned meetings till such number shall attend.

## TOWN FAIR LABOR DAY

### Antrim is Making Necessary Arrangements for a Nice Show

The second annual Town Fair will be held in Antrim on Monday next, Labor Day, the first day of September. By consulting the large program-advertisement on our second page to-day, it will be seen at just what hour the several attractions are scheduled. As good a showing as can possibly be made will meet the eye of the visitor in every department; and there will be a sufficient number of departments to interest every one. Those who attended last year, know what a nice thing the Town Fair was, and it is planned to make this year's equal and exceed if possible the success of last year.

In this connection we are giving a few important announcements regarding certain arrangements:

The chairmen of the various committees are requested to report at the superintendent's office on their arrival at the hall.

All who intend to contest for the prizes offered by the sports committee are requested to hand their names to some member of the committee as soon as possible.

The committee on fruit and vegetables request all those having exhibits to bring them in Monday morning, before 9 o'clock.

The committee on poultry wish it to be understood that all who have coops of their own should show their birds in them; for those who do not own coops, they may be obtained at the exhibition rooms in Jameson block.

The decorating committee wish to invite everyone to decorate their house or place of business for the Fair on September 1st. If you do not wish to do anything else, please put out your flags.

### PROGRAM OF HORSE SHOW

All horses to be exhibited, must be at Town hall building in season to start promptly at 9 o'clock.

The same horse cannot compete in both the gentlemen's and ladies' driving classes.

Horses will be shown in the following order:

Pairs driving horses.

Pairs work horses.

Gentlemen's driving horses.

Ladies' driving horses.

Driving horses, 20 years old or older.

Colts, 4 years old and under.

Slow race; slowest horse to win.

Pulling of draft horses, at blacksmith shop on West St.

Everybody is requested to enter their horses in one of these classes.

### Auction Sales

By W. E. Cram, Auctioneer, Antrim.

Will be sold by public auction on the premises, Wednesday, September 3, at 1 o'clock p.m., the Mary Ann Cochran farm and personal, containing 120 acres, well divided, 7-room cottage house and out-buildings, and about 300,000 feet lumber and 1000 cords wood. Farm is very pleasantly located on the Hillsboro road, one and a half miles from Antrim village. This property will be sold to settle an estate and should attract more than ordinary attention. Further particulars on posters.

### Minister Praises this Laxative

Rev. H. Stubenvoll of Allison, Ia., in praising Dr. King's New Life Pills for constipation, writes; — "Dr. King's New Life Pills are such perfect pills no home should be without them." No better regulator for the liver and bowels. Every pill guaranteed. Try them. Price 25c at adv. Lane & Weeks.

### Mothers! Have Your Children Worms?

Are they feverish, restless, nervous, irritable, dizzy or constipated? Do they continually pick their nose or grind their teeth? Have they cramping pains, irregular and ravenous appetite? These are all signs of worms. Worms not only cause your child suffering, but stunt its mind and growth. Give Kickapoo Worm Killer at once. It kills and removes the worms, improves your child's appetite, regulates stomach, liver and bowels. The symptoms disappear and your child is made happy and healthy, as nature intended. adv. Lane & Weeks, Antrim.

### Notice of Vaccination

All children attending school are required by law to be vaccinated. We therefore request all parents to attend to it at once, that it may be done before school begins.

## NEW STATE HIGHWAY

### Where it Should be Located, and Reasons Why

As was briefly mentioned in these columns last week, there is some interest manifest throughout this section regarding the layout of the new state highway, connecting Portsmouth and Keene. The communication published herewith is self-explanatory and voices the sense of a large number of the people who must help pay the tax, and consequently ought to have something to say:

About fifty earnest men gathered at Greenfield on Saturday, the 16th, at about one hour's notice, to bring before the Governor and Council, eight of whom were present, the great advantage it would be to six or eight towns of the Contoocook Valley if the proposed State Road between Wilton and Peterboro should follow the Forest road through South Lyndeboro to Greenfield, thence to Peterboro, rather than over Temple mountain. Man after man testified that about eight thousand people would be directly benefited by the valley route; that in their opinion taking into consideration the width of the present road, easy grades, accessibility of proper materials, and the three or four miles of improved highway already built, in comparison with the narrow, crooked, hilly route over the mountain, many thousand dollars would be saved in construction and maintenance by choosing the comparatively level route. They were also convinced that with the exception of a very few residents and property owners along the mountain road, the travel to and from Peterboro, Dublin, and the towns beyond, would really be better accommodated by this choice.

All were pleased that the honorable gentlemen, consisting of Governor Felker and Councilors Noone, Sawyer and Badger, should give them a hearing even if the notice was short, and feel sure as they and their engineers further examine the routes they will acknowledge the justice of our claims.

An organization was formed to keep alive interest in the matter by the choice of Hon. George S. Peavey, Greenfield, chairman; W. D. Fogg, Hancock, clerk; and committee, consisting of C. H. Duncan, E. K. Upton, W. D. Fogg, Hancock; Frank E. Bass, John B. Jameson, Will E. Cram, Antrim; S. H. Baker, Frank D. Gay, Isaac Wilkins, Hillsboro; Arthur J. Pierce, George O. Joslin, Morris Cheney, Bennington; George Dodge, E. H. Wason, C. H. Marden, New Boston; E. H. Patch, E. W. Farnum, F. Colburn, Frankestown; Walter L. Hopkins, A. N. White, E. J. Fletcher, R. J. Baldwin, Greenfield; Walter Tarbell, Ed. Dooliver, Andy Holt, Lyndeboro; C. H. Merrill, Henry Messenger, L. P. Spaulding, Stoddard.

We hope many others will assist the committee by using their influence that the road may be built where it will benefit the many rather than the few, and at a less cost.

W. D. FOGG, Clerk.

C. H. DUNCAN, Chairman of Committee.

Hancock, N. H., Aug. 18, 1913.

Along this line, the Milford Cabinet of last week contained a column editorial, giving some very good arguments why the Greenfield route should be selected, both as a matter of economy and being beneficial to the greatest number. The statements made were facts, and assuming that the Governor and Council are hunting for such things at just this time, it would seem that they will weigh very carefully everything said regarding the layout over a route that is sure to be approved by so large a number of residents, and appreciated to the fullest extent by the traveling public.

Much more might be said favoring the Greenfield route, but to us who live in this section there is no other way; it appears to be so evident that the argument is all on one side that after a fair and impartial consideration by the Governor and Council, together with their engineers, it is almost certain that they will give their approval to this much desired and much traveled highway.

## POP CONCERT

The concert given last Friday evening by a committee from the Board of Trade, in Town hall, was fairly well attended and highly spoken of by all who were present. The singing and instrumental selections were fine, while the readings were greatly enjoyed, the selections being very well chosen. As a whole, the evening's program was well arranged, nicely executed, and the committee entitled to much credit for its success.

### WOMAN IN TERRIBLE STATE

Finds Help in Lydia E. Pinkham's Vegetable Compound.

Bellevue, Ohio.—"I was in a terrible state before I took Lydia E. Pinkham's Vegetable Compound. My back ached until I thought it would break, I had pains all over me, nervous feelings and periodic troubles. I was very weak and run down and was losing hope of ever being well and strong. After taking Lydia E. Pinkham's Vegetable Compound I improved rapidly and today am a well woman. I cannot tell you how happy I feel and I cannot say too much for your Compound. Would not be without it in the house if it cost three times the amount."—Mrs. CHAS. CHAPMAN, R. F. D. No. 7, Bellevue, Ohio.

Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has remedied many cases of female ills, such as inflammation, ulceration, displacements, tumors, irregularities, periodic pains, backache, and it may be exactly what you need.

The Pinkham record is a proud and peerless one. It is a record of constant victory over the obstinate ills of woman—ills that deal out despair. It is an established fact that Lydia E. Pinkham's Vegetable Compound has restored health to thousands of such suffering women. Why don't you try it if you need such a medicine?

## THREE GAMES

### Antrim Wins Two From Hancock, Loses One

Antrim played two games with Hancock at Hancock on Old Home Day, Thursday last. Both games were easily won by Antrim, 15-6 and 9-0. Lynch pitched in the morning and "smoked 'em over" some! Mulhall was catcher.

The afternoon game was more interesting. Whitney and J. Cuddihy, Curtis and Hall were batteries.

Harrington "Passed" four in one inning at Hancock

Features were two home runs by Whitney, and the general playing of the Antrim boys.

At North Weare the 13th game of the Contoocook League was played, Antrim losing 13-12. No. Weare led 11 to 0 in two innings, and then Antrim rolled up some runs and tied the score. At the ninth inning An-

Deacon "shot" the ball for a 3-base hit at North Weare

trim was leading 12-11. Well-placed hits made two scores for the Weares, and finished the game.

Henniker shut out Hillsboro Saturday, 3-0. Standing of teams:

Team	W	L	PC
Henniker	10	3	781
Hillsboro	7	6	533

## FAIR AND ENTERTAINMENT

Our town was the scene of a gala event Tuesday, when the Ladies' Auxiliary of the S. of V. held their fair and entertainment. The fair was held at the Town hall in the afternoon. Ice cream, cake, home made food, aprons, mystery packages, and fancy articles met with a ready sale.

The proceeds are to be used in lettering the Soldier's Monument with the names of the veterans of the Civil War who were from Bennington. Some names have already been inscribed and it is intended to finish the work and put on the complete list of names without further delay. This being a very worthy cause, the attendance was large.

A "broom drill" was a pleasing feature of the evening's program; Walter Smith was the master and he was assisted by Hon. A. W. Gray. Those in the drill were ladies connected with the Auxiliary.

John L. Fleming of Lowell, Mass., who formerly resided here, read several selections in an acceptable and pleasing manner. Mrs. Frost of Salem was the soloist. Orchestral music was furnished during the evening.

The hall was decorated for the occasion. The booths and tables were attractively arranged and decorated. A series of promenades were enjoyed at the close of the entertainment.

Great credit is due the committee having this affair in charge, both for the object and the success of the occasion.

## Children Cry FOR FLETCHER'S CASTORIA

Beware of Ointments for Catarrh that Contains Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces, such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. adv.

## Suffered Twenty-One Years-- Finally Found Relief

Having suffered for twenty-one years with a pain in my side, I finally found relief in Dr. Kilmer's Swamp-Root. The physicians called it "Mother's Pain" and injections of morphine were my only relief for short periods of time. I became so sick that I had to undergo a surgical operation in New Orleans, which benefited me for 2 years. When the same pain came back one day I was so sick that I gave up hopes of living. A friend advised me to try your Swamp-Root and I at once commenced using it. The first bottle did me so much good that I purchased two more bottles. I am now on my second bottle and am feeling like a new woman. I passed a gravel stone as large as a big red bean and several small ones. I have not had the least feeling of pain since taking your Swamp-Root and I feel it my duty to recommend this great medicine to all suffering humanity. Gratefully yours, MRS. JOSEPH CONSTANCE, Avoyelles Par., Marksville, La.

Personally appeared before me, this 15th day of July, 1911, Mrs. Joseph Constance, who subscribed the above statement and made oath that the same is true in substance and in fact. Wm. Morrow, Notary Public.
