**HILLSBORO VETS PARADE SATURDAY, RAIN OR SHINE**

Veteran's Day, Saturday promises to be the biggest, grandest day in Hillsboro History, second only to the Centennial Day observed a few years back.

With the town garbed out in red, white, and blue finery, last minute float and other arrangements are being made. Beginning with a midway show Tuesday, the celebration will climax with a street parade, ball game, and dance at the High School.

For the special occasion the (Continued on Page 8)

One thousand and eighty-eight permanent and summer residents of the 15 towns in Monadnock Community Hospital's immediate service area sought treatment at the hospital last year. Inside the circles representing the towns are numbers indicating how many from each place were cared for there from June 1945 to May 1946.

Last year more than half the patients cared for at the hospital were residents of the surrounding area outside Peterborough.

This explains why the former Peterborough Hospital bears its present name, which is consistent with the hospitals' increasingly widespread service.

**FIRE LOSS**

The home of Mr. and Mrs. Henry Cutter was gutted by a fire early Tuesday evening. As the family was out when the fire started, the origin is still undetermined. Most of the furniture was a total loss due to the headstart of the fire before its discovery.

"Now we have a name that fits the facts," Judge James C. Taft of Greenfield, president of the hospital said this week in analyzing hospital usage figures which show that although the Monadnock hospital is located in Peterborough, it is an important factor in the life of every community it serves.

Commenting upon the new name, Charles M. Cummings, who recently completed five years' service as president of the hospital, said:

"In a manner of speaking, the Board of Directors didn't decide to change the name. It was decided for us by the records of the last 10 years of the use of the hospital by the people of the 15 towns it serves."

**PETERBOROUGH PLAYERS PRESENT "ANGEL STREET"**

"Angel Street" continues this week at the Peterborough Players, professional summer theatre at Stearn's Farm in Peterborough, and audiences watch with bated breath as Sgt. Rough entangles the villainous Mr. Manningham.

Next week, however, beginning Wednesday, August 7th, audiences at the Peterborough players will laugh at "The Male Animal", the comedy by James Thurber and Elliot Nugent, which is in rehearsal at the barn theatre. The large cast of "The Male Animal" will bring before the footlights several new faces as well as others long familiar to regular play-goers.

"The Male Animal" will be directed by William Hansen, as was "Angel Street" which continues at the Peterborough Players through Saturday, August 3rd. Because of the dramatic nature of "Angel Street" latecomers will not be seated until the end of the first act.

## PRESBYTERIAN LAWN PARTY

The Annual Lawn Party of the Presbyterian Church will be held at 3:00 p.m., on August 9th., on the lawn of the Church. Mrs. Ethel Roeder is general chairman, and there will be on sale, tables of food, fancy work, aprons, "grabs" parcel post "White Elephants" and refreshments.

Mrs. Nellie Thornton will be in charge of a "doll and pet" show which will be an added feature. Any child may bring a doll or pet to show at this time.

**D.A.R. LAWN PARTY SUCCESS**

Over a hundred dollars was taken in last Friday at the D.A.R. Annual Lawn Party. Tables of articles for sale, and refreshments were a popular feature, and the Hillsboro Band gave a fine concert in the evening to a large crowd attending the affair.

**OUTDOOR PICNIC**

Mr. and Mrs. Archie Nay entertained, Monday, a group of friends at an outdoor picnic party in honor of Mrs. Dorothy Butler of New York City. Besides the guest of honor, and host and hostess, were Mrs. Cora Hunt, Mrs. Elizabeth Tenney and Mrs. Ethel Muzzey.

**FOR SALE GREYSTONE LODGE, ANTRIM**

Due to pressing business in Florida, we have decided to sell the Lodge. Will be at the property daily. Will sell the property as a whole, or will divide. Also consider selling parts of buildings to be removed.

This property can be bought now for a fraction of the cost of the materials alone.

The main building contains about thirty-five rooms. The bungalow six rooms. There is not in all New England a more beautiful view in every direction.

This is a wonderful spot containing about twenty-two acres covered with beautiful buck pine, hemlock, and maple. The buildings are set on solid granite rock.

A wonderful opportunity for exclusive guest house, convalescent home, camp, or school. Or a grand place for a family or group to rest and relax.

If you are interested in a property in New Hampshire, drive up and see the possibilities of this location.

Also have a few chairs, tables, ranges, and other items for sale.

Can be contacted in evenings at Maplehurst Hotel in Antrim. C. E. Redington. 31-32

FAMILY REUNION

On Sunday, a family reunion was held at the camp of Mr. and Mrs. Robert Meier in Salem. Those present were, Mrs. Gertrude Tucker, Long Beach, Cal., Mrs. Minnie West, Boston, Mass., Frank Gregg, Topock, Arizona, Carl Colby, Mr. and Mrs. Hugh West and daughter, Foxboro, Mass., Mr. and Mrs. Vern West, Sharon, Mass., Mr. and Mrs. Fred Scott and daughter, Lawrence, Mass., Mr. and Mrs. Bees of Framingham, Mass., Mr. and Mrs. Maurice Barnes and son, Mr. and Mrs. William Sharby and daughter, Mr. and Mrs. Raymond Stinson, Mrs. Effie Eaton and Frank Gay.

The announcement of Dr. Paul R. Felt's retirement sounds so dignified and means a goodly number of years but not too long ago he had far less of both. While home from college, one time, he took part in a program for the church. His numbers made a great hit and he responded with an encore. In fact he gave a second encore but saved himself a third by appearing in the stage door and demanding, "What do you expect for a quarter?"

Miss Mildred Moore of Woburn, spent the week-end at the home of Mrs. James Leach.

Miss Grace Rock and Miss Emma MacMillan of Melrose, Mass., spent the week-end with the formers grandmother, Mrs. Perry.

Frank Gay celebrated his 80th, birthday on July 27th, mildly, with a family dinner.

Misses Janet Tasker, Athleah Hutchinson and Janet O'Connor, left on Wednesday for Camp Takodah, in Richmond, where they will spend a month.

Arthur Grainger of Cold Springs, N. Y., is visiting his sister, Mrs. Charles L. Whittle of Church St.

Mrs. Robert Halpin (Gloria Marcy) and 16 months old son, Jimmie, flew from College Station, Texas, arriving in Boston at 4 o'clock a. m., where her mother met her. Gloria will visit her parents, Mr. and Mrs. Ernest Marcy for about a month. Her husband is an instructor in the A. M. and M. Colleges.

Mr. and Mrs. W. G. McGrillis of Plymouth and Bristol, called on us and other friends on Sun-

day.  
The Tasker family has been at camp for two weeks at Dunsmoor Lake in Vermont. All the other small children of this section have been away, and it has been as quiet as a moonless night. I have seldom heard a yip, not even a little squeal. Quietness is alright and I like a certain amount, but I don't like the quietness of empty houses.

Questions  
WOMEN VOTERS POLL  
CANDIDATES FOR CONGRESS

(Continued From Last Week)

Question: WHAT SHOULD BE OUR STAND REGARDING THE UNITED STATES IN THE UNITED NATIONS? IN PARTICULAR, WHAT SHOULD BE

1. INTERNATIONAL CONTROL OF ATOMIC ENERGY?

BAKER: Favorable to principles of Baruch report.

BLOOD: Establishment of international control of atomic energy for peaceful purposes, however, protecting America's interest until such control is provided and found workable.

COLLYER: International control by U. N. for atomic energy and outlawed for war purposes.

COTTON: I am emphatically of the opinion that the control of atomic energy should be placed in the hands of an international organization and that we should keep faith with such organizations.

MILLS: Believe atomic energy should be controlled by international committee that will safeguard the interests of all concerned. We should not give up the secret of atomic bomb unless complete international accord has been rendered.

MOORE: No answer.

2. INTERNATIONAL TRADE PROPOSALS?

BAKER: Favorable to the reduction of trade barriers.

BLOOD: Workable international trade agreements should be established however, the interests of labor, business and agriculture should be safeguarded.

COLLYER: Free trade with countries with goods we do not produce for goods they do not produce and low tariffs in all other things.

COTTON: While subscribing to the principle underlying the reciprocal trade treaty program I feel that I must reserve any further declaration pending the practical application of the program as administered by the State Department.

MILLS: For any move making for better international understanding. The U. S. is historically not for free trade but I am for moves which make for clearer international trade relations, such as the economic committee of the United Nations.

MOORE: No answer.

3. APPLICATION OF THE TRUSTEESHIP PRINCIPLE TO THE PACIFIC ISLAND BASES.

BAKER: Undecided on this pending further development of peace efforts.

BLOOD: Pacific island bases should be continued under the trusteeship of the United States as outposts in the Pacific, until such

time as international agreements have been sufficiently perfected to justify a change of policy.

COLLYER: U. S. should use Pacific island bases and should control them.

COTTON: I believe in the trusteeship principle in regard to the Pacific island bases. It is my firm belief that the United States of America will never be in a position to insist on the rights of weak nations and the protection of the territory of others, if at the same time we are in the slightest degree for any purpose whatsoever, annexing or taking possession of territories not previously the property of the United States.

MILLS: Believe our foreign relations will be improved by the U. S. taking over the trusteeship of certain bases in the Pacific. Our foreign policy must be fashioned by a moderate rather than a radical move in this direction. Too much territory will result in a breakdown of our policy and in the relationship with the native population.

MOORE: No answer.

Question: WHAT ARE THE MOST IMPORTANT ISSUES FACING THE COUNTRY WHICH CALL FOR CONGRESSIONAL ACTION NOW?

BAKER: British loan (approval); completion of action on price control and draft; provision for long range revision of labor-management policies.

BLOOD: Equitable distribution of foodstuffs and grain throughout the country. Reduction of Federal bureaus and agencies. Balancing of the Federal budget, and attempting to reduce the Federal debt as soon as possible.

COLLYER: Foreign policy stabilization of economics labor should be controlled by just law as well as industry. Stop dictatorial edicts from bureaucrats that supercede constitutional law. Get rid of the mythological tales as to the origin of our Constitution and bring it within the comprehension of average citizens and live under it.

COTTON: I believe the most important issues facing the country stated in order of their importance are as follows: 1. The nec-

essity of complete participation by the United States in the United Nations and in any or all other organizations seeking to procure closer international relations and future peace. In other words the first and paramount issue is laying a foundation for preventing future wars. 2. An overall revision of our domestic economy to prevent burdensome federal taxation with more revenue going directly to the states. I believe that the field of activities of the Federal Government in relation to the states should be curtailed.

MILLS: Price control, labor relationships, Federal-State understanding, flood control in New England, Abolition of the veto

vote in the United Nations. MOORE: Not listed specifically under this item but mention made of suggested changes to handle the occurrence of strikes, to eliminate unworthy officials through court action and limitation in office holding to not to exceed two terms in any one elective office.

**DALE for Governor**  
"The Veterans' Friend"

**HIS RECORD SINCE WORLD WAR I, BOTH IN PUBLIC LIFE AND IN PERSONAL LIFE CONCLUSIVELY PROVES IT**

He is not a flag waving politician uttering empty phrases. You can depend upon his fullest cooperation and support to champion future worthwhile veterans' legislation.

DALE has said he will aid the veterans in every way possible, consistent with good government, AND WE BELIEVE HIM.

For many of us, August 6 offers the first opportunity in several years to express ourselves by ballot. Let us exercise our right as free men and women by voting ... at the

Veterans committee Dale for Governor  
Gordon S. Lord, Secretary, Concord, N. H.

**Hats Off to this Fellow...**

HE fed us, our soldiers, our allies, and a lot of other people while we won a war. Now he's asked to keep the world from starving.

He's the American farmer.

He deserves the thanks and appreciation of everybody. He deserves it more than most folks realize because he's increased his production by 30 per cent in five years without enough new tools to replace the labor he lost.

But, American farmers are disappointed—and they have a right to be. They expected that the end of the war would bring them an opportunity to replace their patched, repaired, weary and over-worked farm implements.

Of all of our shortages, that in farm tools and implements is the most serious.

Strikes have caused the shortages in farm implements—strikes in steel, strikes in coal, and strikes in the farm implement industry itself.

In the steel industry alone, the production of steel in the ten months following VJ day was 19 million tons short of expectations, enough to supply farm needs for at least five years. Most of the decline was due to strikes.

That is why the steel industry has not been able to catch up with the demand for new roofing, wire, fencing, tools and all the things of steel needed on the farm.

That is why the farmer is being penalized through no fault of his own. This nation cannot move ahead under the threat of ever-recurring labor strife.

Steel mills need all the scrap iron and steel they can get. Farmers can help increase steel output by sending worn-out machinery, etc., on its way to the furnaces. AMERICAN IRON AND STEEL INSTITUTE, 350 Fifth Avenue, New York 1, N. Y.

**VETERANS DAY PARADE (Continued from Page 1)**

Messenger poet, "Uncle Cy", has written a poem which follows: August 3rd., is the Glorious Day Everyone's heading this way In Sunshine and Shade

You Can View the Parade Bigger and Better They Say.

The celebration Saturday will start with a two mile long street parade at 9 a.m., from Grimes' Field, led by Clarence Nelson, marshal. In the procession will be four bands from Concord, Weare, Peterboro and the local Hillsboro Military band, six majorettes from this town, nearly 50 floats, including entries from Keene, Henniker and Deering, an estimated 200 World War II veterans marching in military form, horse drawn vehicles of the gay nineties, mounted division, bicycle brigade, Bektash drum corps, automobiles, old and new, "horribles" and specialties.

With time out for dinner at noon the afternoon program starts at Grimes' Field promptly at one o'clock with a band concert, sports of all kinds for boys and girls, including a greased pole climb, eug-o-war, half mile race, 100 yard dash, relay race and a horse race to follow the bicycle race. At 2:15 U. S. Sen. Styles Bridges will be the speaker at the special stand near the grandstand at Grimes' Field. At 3 p.m., the Marlboro Giants will play the Legion town team in a baseball game which promises to be close. At 5 p.m., another hour of sports will be held for the boys and girls and from 7 to 8, a band concert will be given. At 8 o'clock a dance will be held at the high school auditorium with a popular out of town orchestra furnishing the music for dancing.

Starting on Tuesday evening a carnival started the activities for the veterans and the general public and will continue each evening through Saturday at Grimes' Field. Paul S. Scruton will introduce the speakers from the stand at Grimes' Field and the stand will be occupied by Col. Rexford, selectmen Olo York, Harold Harvey and Ira Roach and the guest speaker, Senator Bridges, and other prominent state and town officials.

**LAST MINUTE SUGGESTIONS BY PAUL S. SCRUTON**

Rev. Milo Farmer, pastor of the Methodist church has given permission for the older people to sit in the shade on the church lawn during the parade, and please the old folks and give them room. If you are able to stand, do so, and make room for somebody who really needs a chance to relax in comfort.

Get on the field as early as possible if you have a car, and want a good safe parking place. Be sure to lock the car for your own safety and then walk up town and view the passing parade. Bring your lunch if you prefer but be assured of plenty to eat on the Grimes' Field during the day. Sandwiches, coffee, ice-cream, tonics, hot dogs, etc., will be available.

Get in the parade yourself if possible and help us out, but come anyway and have plenty of fun. Buttons will be available if you have not as yet bought one. Just wear it. The cost is 50 cents, and we need that half dollar.

"... It is to be hoped that the people of Monadnock Region and its environs will come to realize the exceptional quality of the work being done by the Peterborough Players. Few summer theatres present productions so carefully worked out, so adequately rehearsed, so soundly built up. We have yet to see a bad performance by any of the company's actors, and direction and production are continuously at high level. Edith Bond Stearns, the managing director, is to be highly praised for this contribution to the American Theatre."
