MRS. ZITELLA BUCK

The news of the death of Mrs. Zitella Buck last week revived many happy memories of her when the Centre Community was more than a summer colony. Zitella was the leader in all musical affairs playing the organ in both churches and teaching a large class of piano pupils at 50 cents a lesson. She lived where the Pope's now have their summer home. She gave Frank and me lessons on an organ instead of a piano and in her absence he played the hymns in Methodist Church a few times. Then Jennie Hastings, Estella Shedd and others took her place when she was married and went away about 1891. Often I hear "Gentle Annie" over the radio and am reminded of my first singing lesson when she used that song to teach me my "do, re, mi's". She supposedly taught Walter singing from a book all his own, but I seldom heard him sing in those days. We all had a real affection for Zitella and when she went away, the world of music I was beginning to explore, was suddenly lost to me, but not for long. I was so well started I found a much greater world when I left home soon after to enter High School.

MISS ANNIE C. BRYANT

Many friends of Miss Annie C. Bryant will regret to hear of her death on Aug. 18. She died at a Nursing Home on Walnut St., Brookline, Mass. She is survived by one brother, Fred Bryant of New York City, and her cousins, Miss Angie and Ernest Marcy. For many years Miss Bryant has been a frequent visitor in town and (Continued on Page 7)

Three Henniker Ladies Now Past Ninety Year Milestone

Mrs. Alsada Hoffman observed her 90th., birthday on Wednesday, Aug. 28; the last of three Henniker women to observe their 90th., birthday this month. She greeted many friends during the day. She received over 100 cards, flowers, candy, and other gifts, besides an original poem for the occasion by Mrs. Nettie Felch. Mrs. Hoffman is very active for her age, doing her own house work with the aid of her 85 year old sister, Mrs. Rena Farrar, who lives with her. She took care of her flower garden which has beautiful zinnias, poppies, geraniums, etc. She has walked to The Square several times this summer. Her eyesight is still good, as well as her hearing.

Mrs. Hoffman was born in New Ipswich, Aug. 28, 1856, the daughter of Nelson and Louisa (Wilson) Patterson. They moved to Henniker when she was 12 years old. In 1886 she married H. R. She has been a member of the Congregational church for about 70 years, and was active in church work until a few years ago. She is also a member of Azalea Rebekah Lodge. Besides her sister, Rena, she has another sister, Mrs. Nellie Matthews of Rochester, and nieces and nephews.

ROB ANTRIM LIBRARY OF SUM OF MONEY, VALUABLES

At 2:00 p.m., Thursday, Librarian, Mrs. Everett Davis, of the Tuttle Free Library, discovered that the Library had been robbed of a sum of money and the librarian's wrist watch.

Inspection revealed that entry was made through a basement window which had been forced. State Troopers, who are investigating the robbery found crumpled napkins around the premises, apparently a crude attempt at fingerprint removal. Drawers in the building had also been ransacked.

On Wednesday, Paul S. Scruton, Public Service Co., meter reader, entered the library through the front door but did not notice anything amiss. The Antrim Library is open Tuesday, Thursday and Saturday.

The many friends of Mrs. George C. Defoe will be interested to know that she has returned from Mass. General Hospital and is now convalescing at the home of Mrs. Ralph J. Cox in Milford, N. H.

Dr. and Mrs. John T. Reeve of Syracuse, N. Y., have been visiting their son, Rev. Warren S. Reeve, and his family, at the Presbyterian manse.

Theresa Choquette has been ill with the measles.

On Oct. 8, at 2:30 p.m., the meeting of the Antrim Woman's Club will be resumed, at the library hall. There will not be a meeting in September.

Mr. and Mrs. Alvin Young were away over the holiday week-end, enjoying visits at Rochester, N. H., and York Beach, Me.

WALLACE K. FLOOD MONADNOCK HOSPITAL DRIVE CHAIRMAN IN ANTRIM

As a preliminary to the public campaign to complete the Monadnock Community Hospital's \$325,000 building fund, volunteer team workers from Antrim, Bennington and other communities served by the hospital will hold a name selection meeting at 7:30 P. M. next Monday in the Unitarian Church Parish House in Peterboro, it was announced this week. The public campaign will open September 16.

"At this meeting," said Francis E. Donovan, chairman of the public campaign, "our volunteers will have the opportunity of selecting from a list of approximately 2,500 potential subscribers in Peterboro and other towns in the hospital area, the names of those upon whom they wish to call."

"I know that our team workers are eagerly awaiting the signal to begin their part in the greatest civic undertaking ever carried on in this section," Mr. Donovan continued. "We are perfecting our organization and have every reason to expect an enthusiastic response."

Campaign leaders in this vicinity will include:

Wallace K. Flood — captain in Antrim and Col. Edward C. Black, captain in Bennington.

Additional subscriptions amounting to \$15,300 have been made to the \$325,000 building fund being raised for the enlargement and modernization of the Monadnock Community Hospital, Perkins Bass, chairman of the memorial gifts committee, reported this week.

Through a contribution of \$18,800, Godfrey Lowell Cabot, prominent Boston industrialist, is establishing one of two operating rooms in the proposed surgical suite as a memorial to his sister, Lilla Cabot Perry of Hancock, wife of Thomas Sergeant Perry.

The late Mrs. Perry's daughter, Miss Margaret Perry of Hancock, is vice-chairman of the memorial gifts committee of that town.

Although a poet of talent, Lilla Cabot Perry won wider recognition as a painter, exhibiting both abroad and in the United States. She became a legal resident of Hancock in 1904, spending more and more of her time there, and dying in that town on February 28, 1933.

As a memorial to Ruth Morison Sharples, who died in 1924, her husband, Philip P. Sharples of Peterboro and her three daughters have contributed \$2,100 for an individual bed in a semi-private room on the first floor. The three daughters are Mrs. Wilbert Frantz of Garden City, L. I., Mrs. John Bowden of Hastings, N. Y., and Mrs. William Niss of Bath, Me.

Mrs. Orton G. Dale of Jaffrey has increased her subscription and joined with her sisters, the Misses Marjorie and Lucy Slade, also of Jaffrey, to give an individual bed in a four-bed children's room. The bed will perpetuate the memory of Syrena Sawyer, who for more than 40 years was a beloved and loyal member of the household of the contributors' grandparents. Mr. and Mrs. John Slade of Boston and New York, Miss Sawyer was born in Jaffrey in 1813 and died in 1874. The joint subscription totals \$1,200.

As a tribute to her husband, George Gardner Blanchard, who died in September, 1938, Mrs. Blanchard will create an individual bed in a four-bed children's room as a memorial. The late Mr. Blanchard was president of the Wilton National Bank and an officer of David Whiting and Sons, Inc. Mrs. Whiting is the daughter of Harvey A. Whiting, founder of David Whiting and Sons, Inc., and a direct descendant of David Whiting, founder of the Whiting Milk Company of Boston.

Commenting on these latest memorial gifts, Judge Cheever said: "The committee continues to find satisfaction in the generous subscriptions being received to enable the hospital to care for all the people of this area with increased skill and efficiency. We hope that in the few remaining (Continued on Page 4)

NORTH BRANCH SCHOOL HAS TWENTY-FOURTH ANNUAL MEETING

The twenty-fourth annual school reunion was held last Saturday, at the Chapel at North Branch, with a good attendance, and beautiful weather. Guests began to arrive early and at noon the tables were set out on the lawn, where a picnic lunch was enjoyed. Mrs. Oscar Hout served coffee and everyone had an enjoyable time.

After lunch, all went on a trip to the garden of Mr. Loomis and the old brick school house.

At two o'clock, the business meeting was called to order by the president, Mrs. Marie H. Wells of Deering. Rev. Harrison Packard, of Antrim, gave the invocation, also read letters from those who were unable to attend. One was of especial interest, being from David Starret, who is 95 years of age.

The report of the secretary and treasurer was read and accepted. A list of all who have passed away during the year was read by Mrs. Frances W. Herrick of Antrim, and all stood one moment in silent prayer, after which, The Lord's Prayer, was recited. Miss Mildred Moayer of Woburn, presented a bouquet of flowers, for all departed members, which was sent to shut-in members after the meeting.

The nominating committee, Fred Twiss of Lawrence, Mass., Miss Ismay Campbell of Penn., and Mrs. Estella W. Speed of Antrim, presented the following list of officers who were re-elected. Mrs. Marie H. Wells of Deering, pres. Mrs. Charlotte Clement Harvey of Hillsboro, and Mrs. Frances Wallace Herrick of Antrim, vice-presidents, and Mrs. Belle Wilkins Wheeler of Antrim, Sec. -Treas. All officers have served nine years, with the exception of Mrs. Wheeler, who has served in that office for twenty-four years and was presented a purse of money by Rev. Mr. Packard.

Mrs. Helen Burnham of Antrim, Walter Bryer of Peterboro and Mrs. Charlotte Harvey, were appointed to write a history of the Reunions and Schools, which will be printed.

There were remarks by Benjamin Simonds of Providence, R. I.; Walter Bryer of Peterboro; Miss Ismay Campbell and Mrs. Dolly Armstrong of Penn.; Mrs. Ethel Smart of Lowell, Mass.; Rev. H. Packard and Carl Sweet of Antrim. A social hour followed the meeting.

The 25th. anniversary meeting will be celebrated, Saturday, Aug. 23, 1947.

(Correction)

We regret having made two errors in the account of the John Zeludancz-Langlois wedding. The young couple went to Lake Winnepesaukee and not Lake Massasecum for the wedding trip.

Also the reception at the Community House was given by Mr. Zeludancz's parents and not by Mr. and Mrs. Frank Langlois which we assumed.

MRS. ZITELLA BUCK

The news of the death of Mrs. Zitella Buck last week revived many happy memories of her when the Centre Community was more than a summer colony. Zitella was the leader in all musical affairs playing the organ in both churches and teaching a large class of piano pupils at 50 cents a lesson. She lived where the Pope's now have their summer home. She gave Frank and me lessons on an organ instead of a piano and in her absence he played the hymns in Methodist Church a few times. Then Jennie Hastings, Estella Shedd and others took her place when she was married and went away about 1891. Often I hear "Gentle Annie" over the radio and am reminded of my first singing lesson when she used that song to teach me my "do, re, mi's". She supposedly taught Walter singing from a book all his own, but I seldom heard him sing in those days. We all had a real affection for Zitella and when she went away, the world of music I was beginning to explore, was suddenly lost to me, but not for long. I was so well started I found a much greater world when I left home soon after to enter High School.

MISS ANNIE C. BRYANT

Many friends of Miss Annie C. Bryant will regret to hear of her death on Aug. 18. She died at a Nursing Home on Walnut St., Brookline, Mass. She is survived by one brother, Fred Bryant of New York City, and her cousins, Miss Angie and Ernest Marcy. For many years Miss Bryant has been a frequent visitor in town and (Continued on Page 7)

WALLACE K. FLOOD

MONADNOCK HOSPITAL DRIVE CHAIRMAN IN ANTRIM

As a preliminary to the public campaign to complete the Monadnock Community Hospital's \$325,000 building fund, volunteer team workers from Antrim, Bennington and other communities served by the hospital will hold a name selection meeting at 7:30 P. M. next Monday in the Unitarian Church Parish House in Peterboro, it was announced this week. The public campaign will open September 16.

"At this meeting," said Francis B. Donovan, chairman of the public campaign, "our volunteers will have the opportunity of selecting from a list of approximately 2,500 potential subscribers in Peterboro and other towns in the hospital area, the names of those upon whom they wish to call."

"I know that our team workers are eagerly awaiting the signal to begin their part in the greatest civic undertaking ever carried on in this section," Mr. Donovan continued. "We are perfecting our organization and have every reason to expect an enthusiastic response."

Campaign leaders in this vicinity will include:

Wallace K. Flood —captain in Antrim and Col. Edward C. Black, captain in Bennington.

Additional subscriptions amounting to \$15,300 have been made to the \$325,000 building fund being raised for the enlargement and modernization of the Monadnock Community Hospital, Perkins Bass, chairman of the memorial gifts committee, reported this week.

Through a contribution of \$18,800, Godfrey Lowell Cabot, prominent Boston industrialist, is establishing one of two operating rooms in the proposed surgical suite as a memorial to his sister, Lilla Cabot Perry of Hancock, wife of Thomas Sergeant Perry. The late Mrs. Perry's daughter, Miss Margaret Perry of Hancock, is vice-chairman of the memorial gifts committee of that town.

Although a poet of talent, Lilla Cabot Perry won wider recognition as a painter, exhibiting both abroad and in the United States. She became a legal resident of Hancock in 1904, spending more and more of her time there, and dying in that town on February 28, 1933.

As a memorial to Ruth Morison Sharples, who died in 1924, her husband, Philip P. Sharples of Peterboro and her three daughters have contributed \$2,100 for an individual bed in a semi-private room on the first floor. The three daughters are Mrs. Wilbert Frantz of Garden City, L. I., Mrs. John Bowden of Hastings, N. Y., and Mrs. William Niss of Bath, Me.

Mrs. Orton G. Dale of Jaffrey has increased her subscription and joined with her sisters, the Misses Marjorie and Lucy Slade, also of Jaffrey, to give an individual bed in a four-bed children's room. The bed will perpetuate the memory of Syrena Sawyer, who for more than 40 years was a beloved and loyal member of the household of the contributors' grandparents. Mr. and Mrs. John Slade of Boston and New York. Miss Sawyer was born in Jaffrey in 1813 and died in 1874. The joint subscription totals \$1,200.

As a tribute to her husband, George Gardner Blanchard, who died in September, 1938, Mrs. Blanchard will create an individual bed in a four-bed children's room as a memorial. The late Mr. Blanchard was president of the Wilton National Bank and an officer of David Whiting and Sons, Inc. Mrs. Whiting is the daughter of Harvey A. Whiting, founder of David Whiting and Sons, Inc., and a direct descendant of David Whiting, founder of the Whiting Milk Company of Boston.

Commenting on these latest memorial gifts, Judge Cheever said: "The committee continues to find satisfaction in the generous subscriptions being received to enable the hospital to care for all the people of this area with increased skill and efficiency. We hope that in the few remaining (Continued on Page 4)

NORTH BRANCH SCHOOL HAS TWENTY-FOURTH ANNUAL MEETING

The twenty-fourth annual school reunion was held last Saturday, at the Chapel at North Branch, with a good attendance, and beautiful weather. Guests began to arrive early and at noon the tables were set out on the lawn, where a picnic lunch was enjoyed. Mrs. Oscar Hout served coffee and everyone had an enjoyable time.

After lunch, all went on a trip to the garden of Mr. Loomis and the old brick school house.

At two o'clock, the business meeting was called to order by the president, Mrs. Marie H. Wells of Deering. Rev. Harrison Packard, of Antrim, gave the invocation, also read letters from those who were unable to attend. One was of especial interest, being from David Starret, who is 95 years of age.

The report of the secretary and treasurer was read and accepted. A list of all who have passed away during the year was read by Mrs. Frances W. Herrick of Antrim, and all stood one moment in silent prayer, after which, The Lord's Prayer, was recited. Miss Mildred Moore of Woburn, presented a bouquet of flowers, for all departed members, which was sent to shut-in members after the meeting.

The nominating committee, Fred Twiss of Lawrence, Mass., Miss Ismay Campbell of Penn., and Mrs. Estella W. Speed of Antrim, presented the following list of officers who were re-elected. Mrs. Marie H. Wells of Deering, pres., Mrs. Charlotte Clement Harvey of Hillsboro, and Mrs. Frances Wallace Herrick of Antrim, vice-presidents, and Mrs. Belle Wilkins Wheeler of Antrim, Sec. -Treas. All officers have served nine years, with the exception of Mrs. Wheeler, who has served in that office for twenty-four years and was presented a purse of money by Rev. Mr. Packard.

Mrs. Helen Burnham of Antrim, Walter Bryer of Peterboro and Mrs. Charlotte Harvey, were appointed to write a history of the Reunions and Schools, which will be printed.

There were remarks by Benjamin Simonds of Providence, R. I.; Walter Bryer of Peterboro; Miss Ismay Campbell and Mrs. Dolly Armstrong of Penn.; Mrs. Ethel Smart of Lowell, Mass.; Rev. H. Packard and Carl Sweat of Antrim. A social hour followed the meeting.

The 25th., anniversary meeting will be celebrated, Saturday, Aug. 23, 1947.

(Correction)

We regret having made two errors in the account of the John Zeludancz-Langlois wedding. The young couple went to Lake Winnepesaukee and not Lake Massasacum for the wedding trip.

Also the reception at the Community House was given by Mr. Zeludancz's parents and not by Mr. and Mrs. Frank Langlois which we assumed.

ON THE STREET
By Paul S. Scruton

Some like it hot and some like it cold but most of us like the band concerts at Grimes' Field where there is a chance to park a car without too much fuss and bother, and from observation this summer, the streets have not been over crowded with music lovers on or near the grammar school grounds.

Heard on the street this past week that the Church street cemetery looks more like a jungle than a burying ground, and nobody seems to do anything about the matter except to look and mumble. One of the finest cemeteries we know of is in Henniker. Its a dead issue anyhow, but in the raising of money for this and that, why not something for the Church street grounds?

They moan and grumble about another hour or so of schooling, but in the years to come, some of the loud speakers will look backward with pride and wish lady luck would allow them to return

to school instead of work.

The VFW organization promises to be one of the lively clubs that will do much good for the town and the state in the years to come. The veterans of this organization know what they want and stand united in the cause for which they fought. Every overseas veteran should be a member. In our humble opinion, this is the one and if when the dark clouds of only outfit that would have the say another war appear on the horizon. It has the members, the knowledge, through experience and the good judgement of final decision in any crisis.

We have seen some good baseball games this summer, and some mighty poor umpiring decisions which smell of garbage and unseasoned foresight or hindsight, take your choice. Somehow, Jack Frazer is our choice and when Jack is absent something usually happens to mar a good game with crazy decisions.

Any more talk of a winter's sports program, or will we go to sleep standing up until next Summer? Waiting for somebody else

ENFIELD TAKES THE LEAD

Something splendid happened in Enfield Friday night. Between 200 and 250 men and women gathered in Whitney Hall, at a courtesy town meeting for non-resident tax payers, who own some 40 per cent of the town's total property valuation, but have no voice in the legal town meetings in March.

With local officials on the platform to answer questions, the people stood on their feet and spoke their minds—freely, loudly, and at length. We are willing to wager that nowhere in New England did any group more thoroughly enjoy themselves that evening.

A great many questions were asked, and answered. Good, sound, constructive suggestions for the benefit of the community were offered, enthusiastically discussed, and noted down, along with all points which were made, for introduction at the regular town meeting. A few tenderly nursed grievances became convalescent, after airing, in which misunderstandings were cleared up. Down-to-earth, old-fashioned wit rocked the house with laughter many times during the course of the evening, and more than incidentally put a few municipal bugaboos to flight.

We would like to improve upon the motion which was passed to hold another courtesy town meeting at Enfield next summer. We move that similar meetings be held at least four times yearly by the citizens of all New Hampshire communities. As the people of Enfield discovered, for sheer enjoyment, nothing can surpass the honorable sport of making democracy work in our own backyards. The benefit to the community of knowing what all the people want done, and when and how they want it accomplished is beyond estimation.

The town of Enfield, its officials and citizens, and State Senator Earl Hewitt, who introduced the suggestion that a courtesy meeting be held this summer, at the last regular town meeting, deserve highest commendation for pioneering a movement which we sincerely hope will spread rapidly throughout the state.

The vacation season has passed and once again we are about to enter a new period of work. For several weeks the church has been more or less dormant but its responsibilities for the months ahead are very great. Jesus taught that all who are heavy laden with the burdens of life, should come unto him and he would give them rest. We are the representatives of God and Jesus Christ. Let us invite all to come into its doors and know the power and comfort of God's love.

Next Sunday there will be an exchange of pastors. The Rev. E. A. Durham of the Grasmere church will be the preacher in Henniker, this pastor going to Grasmere. Mr. Durham was formerly the District Superintendent of this church district.

A religious service will be sponsored by the Henniker church in the Quaker church next Sunday at 3 o'clock. The Rev. Earle Y. Fellows will be the speaker and special music will be enjoyed.

Some words fool you

QUACK

QUACK
means

but **BALLANTINE** Ale
always means: Purity, Body, Flavor

"Quack" is a duck's cry, harsh and shrill : : : beware of the Quack who sells you a pill! Quack's one of those mix-you-up words; it has more than one meaning.

But Ballantine's a word that *doesn't* fool you! Ballantine *always* means PURITY, BODY, FLAVOR. More than a century ago Peter Ballantine symbolized those distinctive qualities in his 3-ring trade mark. Today, you do yourself proud when you look for the 3 rings . . . call for Ballantine.

There's no wheat in ale or beer

... the beverages of moderation

Wheat is needed to feed the world's hungry people. During the present emergency, here are three ways in which we can all co-operate with the President's Famine Emergency Committee:

1. Save and share wheat and fat products . . . Go light on all foods that take wheat, fats and oils—save breads, macaroni, cakes, cookies, pastries and deep-fried foods. Use drippings for pan-frying. Save salad oil—use boiled dressings.
2. Buy and serve more plentiful foods . . . Balance diets with the more plentiful foods, such as potatoes, fresh fruits and vegetables.
3. Waste NO food . . . Dress up today's leftovers for tomorrow. Make every crust count with melba toast, crumb-toppings, bread puddings and stuffings. Take no more than you can eat. Clean your plate. Turn in unusable fat salvage promptly.

Uncle Sam Says

All of us are familiar with quizzes about this and that. Let's take this question: What is the strongest, economic family asset in America? Millions of you could win the jackpot prize for the correct answer. U. S. Savings Bonds, of course. Ownership of U. S. Savings Bonds is now part and parcel of our American way of life because Americans know that Savings Bonds help to build a better, firmer future. Americans know that they yield a good profit at no risk at all to the principal.

Uncle Sam Says

How big are you in deciding the future of America? What power is there in your Savings Bonds investments to help yourself? Your Uncle Sam does not have to be a quiz genius to furnish the answers to these questions. You are as big as 140,000,000 Americans put together. You are actually a giant. United States Savings Bonds have the strength to build a better future for yourself and your America.

Uncle Sam Says

Nothing tells the story of our country's strength better than the sight of children at school. Multiply the scene you will witness this month by thousands. Backing up the dreams and hopes of millions of youngsters and their parents for a sound future must be reality. United States Savings Bonds are formidable chunks of reality. A few dollars saved regularly every pay day and invested in U. S. Savings Bonds have the power to provide education, business opportunity, travel, better housing, health, or any other vital asset you want for your children.

Uncle Sam Says

I doff my hat to labor, Labor Day, not only for doing a grand job for our country in time of war but for its good sense in continuing to invest part of its earnings in U. S. Savings Bonds. Millions of my nieces and nephews discovered that ownership of U. S. Savings Bonds is an easy, effective, profitable way to save for their future. Savings Bonds are as American as Labor Day itself. Be in step with today's parades of payroll savers.

Uncle Sam Says

For vacationing no month in the whole year is more popular than August with my countrymen from coast to coast. As I stroll the beaches, I see many fellows like Mr. Thrifty sitting under an umbrella to shade himself. You'll notice his umbrella is made of United States Savings Bonds. There are millions of Mr. Thriftys who are finding a peaceful shelter under an umbrella of Savings Bonds.

Uncle Sam Says

You are still at war one year after V-J Day. That's putting it bluntly, but I know from experience that you like straight-from-the-shoulder talk. Inflation at home has yet to surrender. United States Savings Bonds are still "War Bonds" in the battle for America's economic stability. You can combat rising prices by taking surplus dollars out of the market place. Your government has provided a safe, profitable vehicle for saving these extra dollars—United States Savings Bonds. By investing in Savings Bonds regularly you are building a better America and a better life for you personally.

Uncle Sam Says

Sucker bait is a phrase you have heard used or used yourself many times. Anglers know its meaning when they watch the fish bite for the impossible. The term also applies to individuals who send their hard-earned cash on get-rich-quick schemes. Your income invested in United States Savings Bonds will mount steadily and safely in value to serve you 10 years hence. The American who buys bonds regularly with the dollars he doesn't need today for living costs will not wind up a poor fish.

MAPLE SUGAR CAMP REPLICATED AT PLYMOUTH FAIR

The annual Plymouth Fair will hold the center of the stage next week Sept. 10-11-12-13. A score of workmen have been busy for weeks getting the grounds in readiness for this year's event. A new water system has been installed, the parking area enlarged, and the buildings placed in first class shape.

Although it was necessary to forgo much of the building program that had been planned, fairgoers will notice that the Maple Sugar Camp has been completely remodeled and that the machinery shed has been converted into an enclosed building crammed with commercial and educational exhibits.

News Items From Bennington

Mrs. Maurice C. Newton Correspondent

The Veterans home coming celebration was held on Friday evening. The Veterans were served a dinner at Riverside Inn, of steak or lobster. The Community Chorus of about forty voices, entertained with many selections and the Ladies Trio of Antrim and the Men's Quartet of Antrim, sang three selections each. Miss Doris Doe, Metropolitan Singer, resident of New York and Bennington, sang three selections. This was an excellent program and although it was cold and folks had to fetch sweaters to keep warm, no one went home and everyone enjoyed this program which was held on the schoolhouse lawn. There was a dance at the close of the program for everyone to enjoy.

The Bennington Grange held a three day sale at the stand of Mrs. Josephine Wallace on Greenfield Road. It was a very successful sale and many articles were sold, and many more could have been sold — trade was so good!

The Bennington Grange are to organize a Juvenile Grange on Sept. 10th, at 6:30 p.m. We understand there are about twenty to join. The Juvenile Grange Deputy is to be there and all Grangers are invited to be present.

Mrs. Bertha Hudson and Mr. Fletcher of Springfield, Vt., were guests of Mrs. Hudson's mother, Mrs. Minnie Cody recently.

Miss Evans and her dancing class have returned to Baltimore, Md. They have been all summer at Tall Pines Camp and used the Grange Hall for classes.

The Remington Arms Co. tells us that the Federal Government are to spend three million dollars for Wildlife projects in 1946. The States to receive \$2,260,000. Remington also says to keep foxes away from your poultry yards, cut all grass and weeds back two feet from your fences then spray heavy with mixture of one quart turpentine to a gallon of used motor oil. The Foxes don't like the smell and will give your yard a wide berth. Quill pigs are doing a lot of damage to the corn fields. One man told me that he picked up five bushels of corn stalks one morning this week. Take a nail keg put in a pound more or less of common salt, place a steel trap at entrance

to nail keg and you will get your quill pig. As a man will walk a mile for a cigarette so will a quill pig walk a mile or more for salt. Yes folks, you guessed it. I took my day off last week and went to the National Game at Boston. I went as the special guest of my son Samuel and his wife. We left the Mrs. at the home of her daughter in Brookline, Mass., and with Miss Nancy we saw the Red Sox win and then drop a game to Chicago. The Red Sox used four pitchers in the first game. Sitting beside me on the left was a big guy smoking tarred rope and in front of me was another guy with a huge tall story hat and had me guessing all during the second game. Not a home run in two games. I had no excuse to push that hat down over his ears. A home run would have done the trick. This was my first big league game in years and I sure enjoyed myself every minute. When I retire I think I will get myself a job at Fenway Park selling peanuts or better still a bat boy's job and then I can catch up on my baseball games. O yes, we did have a little excitement in the grand stand, some one dropped a lighted butt and one fellow had hot pants but nothing serious. The fire was soon put out. A foul ball into the stands near us caused a small riot and the funny part of it was that the two men fighting for the ball lost out, some one else got it. I got a big kick out of the end of the game when hundred cops ran out in front of the stands for fear some one might steal the diamond. O yes, there were over 36,000 people there besides us and not a soul that we ever saw before but for "Happy" Day and his friend Simenou, both from the home town, We had some of the best seats in the park. Honest I can't see where Boston will put the crowds even (if) they do win out in the Penant class. Standing room only.

The chicken race and the turtle races were the hit of the day. The weather was perfect.

Did you know that the Wisconsin society of Ornithology are to erect a monument to the passenger pigeon now extinct. The last bird died at the Cincinnati Zoo in 1914. At one time they were so thick they broke down trees when they landed. They darkened the skies as they flew from place to place. My father, the late Major, told me of seeing them ruin an orchard when they lit in the branches.

Remington says that a rat does damage annually in the United States of \$200,000,000. The damages on a farm are estimated at \$1 a year and twice that amount in a city.

The wild goose has 12,000 muscles of which 10,000 control the action of the feathers.

Believe it or not but the great horned owl lays what is known as the "cold storage" eggs. She lays her eggs in mid winter and keeps them warm all during sub zero weather.

The African Porcupine does not use the same method of attack as employed by his North American cousin. He charges his enemies by running at them backwards.

The porcupine does not throw his quills. You have to come in contact with them to get one. But he has an awful wallop in his tail and that's where he gets in his dirty work.

There will be a show put on by the Outdoor Writers' Association of America at Dayton, Ohio, Sept. 12 to 15. It is expected that more than 100,000 people will attend this huge affair. Have an invite to go. Guess I can't make it this year.

Yes, the waterfowl season has been cut to 45 days and the daily limit has also been cut to seven ducks and two Canadian geese. Shooting starts at 1/2 hour before sunrise and runs to 1/2 hour before sunset. No live decoys allowed. Open season starts Oct. 5, to Nov. 18, northern zone. Reason for this heavy cut is because of the 36% loss of waterfowl and the 50% increase of hunters. Bad hatching season in Canada.

Charles Cutter, secretary of the Nashua Fish and Game Club, has sent out an SOS for feed for the big trout in their pond. He wants

dried ants and dehydrated, liver. Not enough food in the pond.

There will be a fox drag at the Club house of the Nashua Club Sept. 22nd. Packy Winn, the well known fox hunter, will have charge of this event. The same day there will be skeet shoot, balloon shoot, pistol shoot, bird dog trials and fly casting events. Looks like a big day.

Had a card from one of my nieces, Virginia, way out in Certro, Cal. She says come out and see us. On the other side shows two cowboys riding Jack Rabbits.

Had quite an experience last week. We, Nancy and I, lost a big wire pout trap in one of the ponds. It was down about 20 feet. Went home, got a 25 feet dog chain, hitched a pair of ice tongs onto the chain. Went back to the pond and the second time I hooked onto the trap and pulled it up and there were 44 pout in the trap. That dog chain and ice tongs sure got 'em. Since then I lost a smaller one when the rope broke and got that one the same way.

O yes, we got three more turtles, snappers, at Osgood pond in Milford last week. That turtle trap has been working overtime.

Got a nice long letter from a party in N. Y. State saying they got a paper with my column in it and after she reads it, sends it to her daughter in California and from there it goes to Cuba.

This week we report the finding of the 18-foot canoe and the big heavy bat stolen from Pratt's pond in Mason. The canoe was found by the clever work of the Milford police department. But there are five more boats still missing.

Here are some books worth owning. "Wild Animals of No. America" and the "Book of Fishes" both edited by the National Geographic Society. These were loaned to me by my neighbor, Fred. H. Tarbell.

Ever read "My Turtles" by Josephine G. Knowlton of Washington D. C., also here is a very valuable (Continued on Page 7)

book entitled "Field Book of Ponds and Streams" by Ann H. Morgan. These should be in every up to the minute library.

A nice card to Sgt. Walter Gardner now confined to the Veterans' Hospital at Rutland, Mass., would tickle him and please us. Nice fellow, "Walt".

Have you seen a little white pup lost from a local farm last week?

Up to the present time we have 16 people who have seen the black panther in this section. There must be two of these as some of the people differ in sizes.

A party in my district writes me a letter which is very interesting in the fact that a doe deer comes to their home twice a day and comes within 15 feet of the kitchen window. Several weeks ago she appeared with twins and ten days after she comes around with three babies. We know not whether she adopted one or the three were hers and the third one was too weak to appear for ten days later. What's your guess?

There is a big demand for live raccoon for "Lead Coon." These lead raccoons are used to make a trail and put the coon up a tree and then see if your dog is any good on tracking.

James Sheldon and Pete Frye are still eel fishing and to date their score is an even dozen. Ever eat any eel meat? Jim and Pete both say it's good. We will take your word for it.

My grey squirrels are indebted to Mrs. Allen Foster for the pail full of shagbark walnuts she sent up last week.

It won't be long now as Sept. 1 stops all trout fishing in my district. I have no trout ponds. The law says only fly fishing after Sept. 1 from lakes and ponds.

Starting Aug. 20, you can get a special permit to train your dogs—but no guns allowed. This is a law that's abused as it means to train puppies and most of the hunters take their old trained dogs out for the extra time before the open season.

Long before anyone reported seeing a black panther, Carroll Center of Lyndeboro, RFD Carrier, saw tracks on Lyndeboro Mountain that he feels sure was made by this big fellow.

Fellow wants to know about the trespass law. See page 28, section 34. Yes, there is a fine of \$50 and some Courts tack on plenty of costs.

I can still use a lot of stale bread for my pout operations. No matter how old it not mouldy.

Had a report the other day where a man saw a bear cub up a tree over in Mason. A posse went out armed to the teeth and what they found was a huge quillpig and he was a big one. That bear story faded into thin air.

LISABEL GAY'S COLUMN (Continued from Page 1)

lived for a year or more at The Maples on Church St., with Mrs. Warne. Miss Bryant was a writer for S. S. papers and magazines and nature publications. She was interested in all wild life, especially plants and flowers. For many years she was the nature leader for the Farm Bureau Women in camp. She served three or four counties and was widely and affectionately known as the "Nature Lady". She had written a book of nature stories which I understand has been published and has or will be in the schools. Miss Bryant was so kind and attractive she easily made many friends in Hillsboro and wherever she lived.

Mr. and Mrs. Walter Morgan and 8 year old son, Bruce, of Fargo, North Dakota; Mrs. Martin Perry and friend, of Brattleboro, called on his uncles and aunts of the Gay family last Wednesday. He was sent as a delegate to the Convention of Veterans of Foreign Wars held in Boston this week. He was chosen partly because it was known his mother was living in Brattleboro. He is the engineer in the Veterans Hospital in Fargo, which was new many years ago when he helped install the new machinery. The Morgans drove the 1000 miles to Brattleboro in 4 days. Their meals cost about three times as much as when they were here in 1935 and the best dinner at a lower price they had at Hampton Beach. Yet most tourists keep on slamming New England for charging exorbitant prices. But Hampton Beach is only one place.

Miss Vurlyne Ellsworth left Boston by plane, 6:15 Sunday evening, and was expected to arrive at Phoenix, Arizona, 10:20, Monday a.m., non-stop. Vurlyne will continue her course in Science at the

U. of Arizona at Tempe, where she has a year and a half more to go. Vurlyne and her sister, Ulla, (Mrs. Larry Fisher), went to Chester, Pa., for a few days to see their new relatives, the Pilkington twins, Diana Lee and Donna Lynn.

Porter Crooks arrived at his summer home on the Jones Crossroad from Haiti early last week.

Mrs. L. T. Farmer has arrived from Wheeling, West Virginia, and will spend the winter with her son, Rev. Milo Farmer and family.

Mrs. George Haslet arrived home from Phillips House, Mass., Gen. Hospital, last Sunday, after being a patient there for three weeks. Mrs. Warren returned with her for a while.

Mr. Alfred Dodd will enter the N. E. Sanatorium and Hospital in Stoneham, Mass., on Thursday, as a patient. A close friend will stay with Mrs. Dodd during his absence.

Mrs. Warren Day is quite ill at the Elliott Hospital, Manchester.

Frank Gay and Arnold Bartlett attended Pittsfield Fair on Saturday. While passing through Epsom, Frank called at the restaurant run by Mrs. Irene McAlpine Small and her husband.

Miss Ismay, Campbell and sister, Mrs. Armstrong of Jersey City, N. J., attended the North Branch School Reunion on Saturday and called on their Gay cousins on Sunday. We all have Duncan ancestors way back somewhere.

Mrs. James Leach has returned from the Margaret Pillsbury Hospital, after a two weeks stay there.

Jackie Tasker celebrated his 13th birthday on Aug. 28. His grandmother, Mrs. Edward Baker, came down from Meriden, because of the occasion and his aunt and uncle, Mrs. Marie and Carl Harrington were his supper guests.

Miss Katherine Walsh and Miss Helen Doroughty of Plymouth, Mass., visited the former's aunt, Mrs. Louise Casey last week.

Miss Inez Wheeler of Hudson, visited her friend, Mrs. B. D. Peaslee last week.

Miss Rosamond Cole left on Sunday to begin her duties in her new position as librarian in the Junior High School at Meriden, Conn.

Miss Melita Whitcomb arrived home early Wednesday morning, after visiting her cousins, Georgie and Jean Bailey, in Greenville, S. C.

Mrs. Antoinette Hall spent last week with her daughter, Mrs. Lloyd Buttrick and family, in Portland, Me.
