Henniker Photographer Presents pictures of Craftsman John G. Herrick, our Good Neighbor in Deering

John G. Herrick was the subject of L. M. A. Roy in an interesting illustrated article in the September Antiques magazine entitled "A Demonstration of Pewter Making." We are indebted to L. M. A. Roy, author and photographer, for the pictures above. Mr. Roy has caught in natural light Mr. Herrick at work in his workshop in Deering.

N. H. In the first picture Mr. Herrick is shown removing with a fine file the fins around the edges of a cast pewter spoon. Several of the buffed spoons can be seen in the last picture where Mr. Herrick is shown polishing a spoon. The molds used are over 200 years old. In the second picture Mr. Herrick is shown shaping a porringer on a

lathe by pressing the curved disk with a metal tool against a shaping block.

In the third picture Mr. Herrick is stamping his initials on the flat disk from which the porringer is made. Mr. Herrick first began work with tools when he was a nine year old boy in Maine, receiving at that time a saw. With his

father away to the city the young lad proceeded to build himself a workshop, which still stands today. Mr. Herrick said all his family were handy with tools, so it was only natural that he should begin to work with metal as his father was a blacksmith as well as farmer. Mr. Herrick has also been a machinist, collector and maker of

fine jewelry. His collection of stories is kept in a room attached to the workshop and over 1000 types of stones from all over the world are represented in the collection.

Mr. Herrick has made many fine violins and many fine pieces of furniture. Today he does all kinds of repair work in clocks, wood, etc., for neighbors and friends who come

from long distances to visit this grand old man. Though in his late eighties, Mr. Herrick is steady on his feet and with his hands. He assures visitors that the past 100 years have seen more improvements than the preceding 2000. His smile tells one that he has no fear of the future.

School Openings
When school opens in the fall I am reminded of other openings I have known both as pupil and teacher. Those at the Center school are most vivid in my memory. I even remember the first days when I was taught the alphabet and the letter "o" was the only one that made any impression on me. The (Continued on Page 10)

Molly Aiken Chapter, DAR Has Constitutional Day

ANTRIM, Sept. 22 — Molly Aiken Chapter, DAR, observed Constitution Day, Saturday, Sept. 17, at the home of Miss Mabel Wilson. Luncheon was served at noon followed by a short program. All present responded to a roll call, "Our Heritage - The Constitution." Miss Anna Yakovakis of Bennington read her prize-winning essay, "I Speak for Democracy." This was written for a state-wide contest while Miss Ykovakis was a senior in Peterboro High School.

Mrs. Archie M. Swett, chairman of National Defense, gave a review of a recent book dealing with subversive activities of certain religious groups.

Hillsboro High Has Annual Freshmen Reception

The annual Freshmen Reception was held at Hillsboro High School on Friday, September 16, from 8:00 to 11:00. The freshmen were ushered through the receiving line by the seniors and there was dancing afterwards.

In the receiving line were the following: Mr. and Mrs. Elwood Mason, Mr. and Mrs. John Tasker, Mr. and Mrs. Henry Martin, Mr. and Mrs. Stewart McCormack, Mr. and Mrs. Sergius Bernard, Mr. and Mrs. Chester Jordan, Mr. and Mrs. Louis Shopes, Mr. and Mrs. Bartlett Lund, Mr. and Mrs. Preston Rolfe, Miss Durean Cooper, Miss Eugenia Powers, Mrs. Ruth Lievens, Miss Ruth Farmer, Miss Mary Miller, Mrs. Harold Doble, and Mr. Robert Derosier.

Antrim Voters Say No To School Completion

ANTRIM, Sept. 22 — For the second time Antrim voters refused to vote an appropriation of money to complete the Elementary School building at a well attended meeting in the Town Hall last Thursday evening.

146 votes were necessary. 105 voted in the affirmative and 115 in the negative. At present it looks as if the building would remain uncompleted until after the regular school meeting in March 1950.

Reese Y. Henderson Ordination Friday

To Be Installed as Minister in Antrim Presbyterian Church

ANTRIM, Sept. 22 — The ordination to the ministry and installation, as minister of the First Presbyterian church of Antrim, of Reese Y. Henderson will be held on Friday night, September 23rd at 8:00 p. m., in the Antrim First Presbyterian church. Following the ordination there will be a reception in the church vestry. The public is cordially invited to this service.

Mr. Henderson first came to Antrim as a candidate for the pulpit on December 15, 1946. He has been serving the Antrim Presbyterian church as stated supply since August 1, 1947. While serving this church he has been completing his theological training at the Andover-Newton Theological School, at Newton Centre, Mass. He received his divinity degree from the Andover Theological School in June of this year.

The service of ordination and installation will be conducted by the members of the Newburyport Presbytery. The Rev. Harrison Packard and Rev. C. W. Turner and Rev. Roger Floyd of Antrim will, also, assist in this service.

The arrangements for the ordination service have been made by Mr. A. M. Swett of Antrim.

The Truth Is Leaking Out About the Hydrant, Not Water

by UNCLE CY

Glad to see that Scruton is "On The Street" again, taking notes with his candid pencil. I'm not one to find fault as a general rule, because I am far from perfect. I couldn't help but wonder how much longer that hydrant is going to lay on the Daniel's lawn for the kids to put sand in, and leave Henniker street without fire protection.

Think this is the opportune time to write an "ode" to "shorts" as some of the wearers have left town and I won't get my face slapped.

Funeral Services Held for Carlos Albert White

HILLSBORO, Sept. 22 — Mr. Carlos Albert White, age 82 years, passed away at his home on Union street at Mr. and Mrs. Walter Carter's on Sunday morning, September 18th.

He was born in Maidstone, Vt., the son of Enos L. and Pamela L. (Beede) White. He was formerly employed at the Hillsboro Hosiery Mills and had been a resident of Hillsboro for the past 60 years.

Survivors are several nieces and nephews including Mrs. Florence Verry and Mrs. Mildred Elgar of Hillsboro and a sister, Mrs. Irvilla Ann Hall of Portland, Maine.

Funeral services were held from the Woodbury Funeral Home on Wednesday, September 21st, with Dr. Whitney S. K. Yeaple officiating. Bearers were Frank Verry, Walter Carter, Cedric Gilchrist and Earl Beard.

Interment was in the Butler Cemetery at Deering, N. H.

Philip Homo Weds Miss Cecile Eleanor Menard

HENNIKER, Sept. 22 — Miss Cecile Eleanor Menard daughter of Mr. and Mrs. Edgar Menard of Penacook and Philip Homo, son of Mr. and Mrs. Joseph Homo of Henniker, were married Saturday morning at 9 o'clock at the Immaculate Conception church in Penacook.

The ceremony was performed by Rev. J. K. O'Connor and Mrs. Jeannette B. Veroneau was at the organ.

The couple was attended by Mr. and Mrs. Clarence Gibeau, the latter being an aunt to the bridegroom and her husband, an uncle to the bride.

The bride's gown of white marquisette, lace trimmed, was made with a close fitting bodice with lace yoke and long pointed sleeves and a full skirt ending a long train. She wore a finger tip veil with a crown of seed pearls and carried a colonial bouquet of white carnations.

The matron of honor wore a Nile green dress, with matching crown and mitts and a colonial bouquet.

A reception for relatives and friends was held at the home of the bride's grandmother, Mrs. Harriet Gibeau. A buffet lunch was served and the new matron cut her three tiered wedding cake. Later the couple left on a wedding trip, Mrs. Homo wearing a gray suit with matching hat and red and white accessories and a red rose corsage.

Mr. Homo was in the Army for about a year and is now employed by the Peter Salvucci Construction Company of Concord. Mrs. Homo has been employed at the New England Briar Pipe Shop. They will make their home at present with the bride's parents on Oak street.

Hillsboro League Members Hear Dr. Buley Outline Needs of N. H. Schools

DURHAM, Sept. 19 — Dr. Hilton C. Buley, Commissioner of Education, speaking before a statewide group of League of Women Voters which filled the Trophy Room at the Commons, N. H. U., last Friday, the 18th, pointed out the dangers facing New Hampshire's Educational system due to the drastic cut in appropriations for schools. "Education," he said, "received the greatest cut from the state because it had the largest budget," and he feels the public must be presented with full information, stressing the need for state financial support of schools. "Our forefathers," said Dr. Buley, "established education as a state function but delegated the controls back to the local Districts."

Commissioner Buley explained that evidence of the severity of the cut would not be too apparent at the present time in the Districts since the school appropriations had been made before the cut came. Next March, however, full impact of the curtailment will be felt, and the higher tax rate for this purpose will increase the resistance of the public, creating a negative attitude toward schools.

Listing some of the changes made necessary, Dr. Buley cited an increase in student expense at Keene and Plymouth Teachers' Colleges. This has already forced many high school graduates to abandon plans for teacher training, and to cancel registrations. "New Hampshire," said he, "already has an inadequate supply of elementary teachers, and present conditions tend to make the situation less favorable." "As you create a difficult financial

situation you do something to the morale and living conditions of teachers."

Lack of an adequate Teachers' Retirement set-up in New Hampshire was forcing this state to become a training ground for teachers, encouraging them to settle later on in states where the retirement system was more favorable.

Dr. Buley urged the Legislature be given support for taxes to furnish suitable revenue for necessary services, and in closing briefly outlined a 4-point program for improving the state educational system:

1. System of measuring our schools with what a good set-up should be.
2. Developing a State-aid formula.
3. Work shops to aid School Boards.
4. Establishment of School Study Councils comprising 10 communities each to study school conditions and resources common to each community.

He said, "Education can advance only as the public advances with it."

Members of the Hillsboro League attending the Institute were, Mrs. William J. Nairn, Mrs. Philip Woodbury, Mrs. Elwood Mason, Mrs. Cornelia Currier, Mrs. Fred Lundberg, Mrs. Ernest Marcy and Mrs. Lothrop Herrick.

BROOKS—MORRILL

Mrs. Gertrude M. Morrill and Thomas W. Brooks announce their marriage in Keene, Monday, Sept. 19.

Mr. and Mrs. Morrill will make their home on High street.

WILLIAMS—SANDS

Duane B. Williams, prominent local Hosiery manufacturer and Mrs. Caroline B. Sands of this town were married on Wednesday, September 7, by Judge Marshall A. Derby. Mrs. Williams is the prominent proprietor of Carolyn's Beauty Shoppe on Henniker street.

The Mesenger joins with their friends in extending congratulations and best wishes.

East Weare

Halestown grange held its annual fair Tuesday night Sept. 20th at the grange hall. Fancy work and home canned vegetables were exhibited and there were many worthy displays. Everything from a crocheted table cloth made up of squares containing the names and state flower of all forty-eight of our United States, to hand made earrings and crocheted bed dolls.

One of the largest and most interesting displays was made by the East Weare School pupils under the direction of their teacher, Mrs. Reita Davis. There were free hand drawings and free hand work of the youngsters from grades 1-6. The ribbons were given out as follows: Blue ribbons, Lawrence Gordon, grade 6; Cynthia Heino, grade 3; Phyllis Wood, grade 5; Edith Banks, grade 6. Red ribbons: Grace Gordon, grade 2; Beverly Meattay, grade 6. White ribbons: Patricia Lowe, grade 3; Judy VandeBogart, grade 4.

The subjects covered in this display were history, science and geography notebooks, daily work, first grade cut-outs and mountings, Indian sand table material and booklets.

Open Saturday Night

On The Street

by PAUL S. SCRUTON

On Saturday evening at the Methodist church dining hall the Ladies Aid society is having one of those old fashioned baked bean suppers with brown bread, best of coffee, and assorted pies for dessert. There is nothing just like a real old fashioned baked bean Saturday night supper and the ladies know just how to flavor the menu to suite the taste.

It is unnecessary to put on your dress suit or your evening gown in order to get by the door and you will be greeted with a smile and feel very much at home in the environment. If anybody happens to snap his suspenders during a lull in the conversation nobody frowns and its a safe bet that the genial pastor of the church will be present to add his smile and tell a few jokes of his own. Reserve the 23rd for your old fashioned baked bean repast.

What a beauty spot the Beard Brook swimming pool area has turned out to be and the Fort-nightly club deserves plenty of credit for being the sponsors. It's good to know that the favorite mecca for hundreds of people every summer is now worth going miles to enjoy.

"Give us a little more time," said Martin Palhof's son recently, "and we will make Hillsboro a winter resort as well as a summer playground." This is worth thinking over and we hope to see the cold weather months attract hundreds of outdoor sports enthusiasts to our community. This is a project for the Community Association to develop, and soon.

In answer to our comment on the horse pulling pit last week a prominent citizen said, "If the committee had been on their feet instead of adding a shine to the seat of their best Sunday-go-to-meeting trousers they would have stayed out of the red." To which we add, "The corn on our left foot did not come from sitting, fitting, or pitting."

TIME-PLACE-FACT

by Jeanne Eccles

What fun we had last Wednesday evening with a wonderful turnout for class plus a grand gallery of visitors. That's the way it should be.

From East Weare came Dr. Connell and Miss Finch, from Concord came Dr. and Mrs. Dwyer, Mr. Graves, Sr., Mr. Graves, Jr., and Mr Chase From upstairs in the Hotel came Mrs Munson, Mr. and Mrs. Maurice Feather, Mr. and Mrs. Arthur Feather, Dr. and Mrs. Winship and several others to look and to listen

We welcomed Miriam O'Keefe back to the fold. It is difficult to say who made the best drawing of our serious model, Mr. Munson, but can say, definitely, that there were a number of good ones. To do a full length figure plus, attaining a facial likeness is quite an accomplishment in less than two hours but Sylvia Van Hazinga does it fairly regularly. Cy Phelps, Mrs. King, and Miriam did some very good work. Cynthia Cooper and Ann Broadley of our student group put in some steady, diligent work and that is what pays off.

With all are curtailed in our public schools our club must keep on its toes to furnish as much incentive as possible to our young students who have the talent and the interest to learn the rudiments of good drawing, watercolor, and oil painting.

The Goffstown Art Club is having an exhibition from the 21st through the following Sunday the 25th and anyone from this section is cordially invited. On Wednesday afternoon the 21st, tea will be served. Anne Merrill of Mount Pleasant, in Goffstown, is the secretary of the Art Group.

Soon Mr. Bruce will be starting an evening art class in Concord similar to ours here, an evening for fun and relaxation plus the chance for a bit of creative outlet.

TIME: Every Wednesday evening the year round from 8 to 10 p. m.

PLACE: The Cellar Studio in the Valley Hotel.

FACTS: You are welcome as a worker or a visitor and Stuart Bruce of Washington, N. H., is our instructor.

Mary Lou Taylor Weds Franklin, N. H., Man

SOUTH WEARE, Sept. 22 — The old church at South Weare was the scene of its second wedding, when at three o'clock Saturday afternoon, September 17, Miss Mary Lou Taylor, daughter of Mr. and Mrs. Robert Taylor, became the bride of Benjamin Stein, Jr., son of Mr. and Mrs. Benjamin Stein, of 14 Terrace Road, Franklin.

The ceremony was conducted by Rev. Edward McGlenen, using the single ring service. The bride's attendant was her sister, Miss Pauline Taylor, and the best man was Alfred Chandonnait, of Laconia, a friend of the groom.

The wedding was very colorful. Against a background of mixed fall flowers, the blonde bride wore an aquamarine suit of slipper satin, with brown accessories, with a white orchid corsage. Her sister, also blonde, wore a dress of emerald green taffeta, with black accessories, and wore a corsage of yellow baby chrysanthemums.

The bride's mother, Mrs. Taylor, chose a suit of grey gabardine with black accessories, wearing a corsage of red roses, while the groom's mother, Mrs. Stein, wore a dress of powder blue silk, with black accessories, with a corsage of white sweet peas.

The bride is a grauate of Weare High School, and is employed as a bookkeeper at South Weare garage. Mr. Stein is a graduate of Franklin High school and is employed at the Stevens and Sons, Co., woolen mill, in Franklin.

Mr. and Mrs. Stein left immediately after the service for a week's trip to Quebec, Canada. On their return they will reside in South Weare.

Included in the wedding party were Mrs. E. W. McGlenen, Mr. Taylor, Mr. and Mrs. Murray Wood, and Mrs. Edgar Taylor, from Weare. Out of town guests were Mr. Stein

John C. Gammell Weds Greenfield, Mass., Girl

HENNIKER, Sept. 22—A double ring ceremony was performed recently for Miss Ruth V. Andrus of 6 Cross street, Greenfield, Mass., daughter of Mrs. Elsie M. Andrus and the late Benjamin W. Andrus, and John C. Gammell of 38 Beech street, Greenfield, Mass., son of the late Elwin M. and Mabel G. Gammell of Henniker. Rev. James W. Casey officiated at Holy Trinity Rectory.

Mrs. Ethelyn Brown was matron of honor and Frank M. Brown was best man.

The bride chose for her wedding outfit, a tan and maroon accessories and a corsage of red roses and gardenias. Her matron of honor was attired in a gray suit with navy accessories and her corsage was of pink roses. A wedding breakfast for the bridal party followed at the Gables in South Deerfield, Mass.

The bride attended Greenfield public schools and graduated from Greenfield, Mass., high school. The bridegroom attended schools in Henniker and was graduated from the University of New Hampshire. He is a veteran of World War II, having served 18 months in the European Theater. Mrs. Gammell is a public stenographer and Mr. Gammell is employed by the United States Department of Agriculture. They will reside at 6 Cross street, Greenfield, Mass.

HILLSBORO

Mr. and Mrs. Ernest Stinson, Mr. and Mrs. Paul Stinson of Tilton, and Mr. and Mrs. Raymond Stinson were at the Plymouth Fair.

EDITORIAL COMMENT

YOUR TAX BILL AND OURS

The property tax bills which arrived this week came as a shock to many of us. We have realized all along that the cost of all levels of government has been on the increase, but there is nothing that can bring this realization home to us as much as receiving our own personal bill.

If the selectmen had not made some long overdue re-assessments of certain business properties in town the rest of us would have had an even higher tax to pay. The re-assessments that have taken place are all to the good and it is hoped that before long the selectmen will be able to cover the entire town. We appreciate the fact that this will be hard work and involve considerable sacrifice on the part of local officials who receive compensation hardly adequate to cover their routine duties. The Messenger would be willing to support a move to pay the selectmen additional compensation for the year in which a complete re-assessment of all property is made. We believe that

re-assessment is properly carried out by local officials without outside interference but if it is found impossible to have it done this way, we will then support a re-assessment carried out by the state tax commission.

The difference in tax rate between the precinct and the town as a whole is certainly food for thought. An analysis of the figures show that the Special School district constitutes an expensive luxury which the district taxpayers cannot afford. The town district schools cost the town district taxpayers \$1.54 per hundred valuation while the Special District schools cost the district taxpayers \$3.11 per hundred. Think of it - a difference of \$1.68 per hundred - \$16.80 per thousand on your tax bill!

The Messenger believes that responsible local officials should take steps to remedy the situation at once, so that when another year rolls around our burden will be lightened. We believe that something can be done if there is a will to do it, backed up by a thorough understanding of the problem.

The Messenger would be pleased to receive communications from the taxpayers concerning their reactions to the issues raised above.

THANK YOU, DEPT.

In publishing a paper the chances of error are great. Hundreds of articles and items adding up to thousands of words must be assembled into type forms for printing.

Operating a print shop without "frills" as we do at the Messenger we do the best job possible. And our growing circle of readers and advertising patronage is proof of that. Occasionally we slight someone's pet project or make an error. The past week was a little different, we made two errors, the two people concerned smiled it away. We weren't accused of this and that. So this week we thank Rodney Gilbert, the friendly manager of Valley View Farms, whose name we confused with son, Lincoln, in the barber shop picture.

We also thank the ladies of the Junior. Fortnightly club. In their story it was reported that following the meeting a hilarious time was had "playing many amazing games in front of a roaring fireplace." This appeared in the paper "playing many amazing games in front of a roaring audience."

Henniker Field Day Success Despite Rain

HENNIKER, Sept. 22 — A very successful Field Day was held Sunday by the Fish and Game Club at their club grounds with an estimated attendance of 300 people who turned out in spite of the rain. Several events had to be cancelled but enough others were held to have a good program. Much credit is due the women members for their efficient work in the kitchen. Prizes were won as follows: Horseshoe pitching by the men was won by Silas Dunklee with A. B. Hatch second. Horseshoe pitching for the women was won by Eleanor Allen with Ellie Putnam, both of Penacook, second. Clayton Jones of Sutton won the trap shooting. George Beardsley won first prize in the canoe race and Christopher Hardy won the second prize. Mrs. Robert Goss won the chest of silver and Wilfred Clark won the casting rod.

The Grass NEED NOT be Greener in the Other Fellow's Yard

A summer like this takes a lot out of a lawn. But a little attention now will put your lawn in much better condition for another growing season.

Apply 10 lbs. of Merrimack fertilizer to 1000 square feet at this time, or less if you used a generous amount last spring. Then reseed the bare places with Merrimack Lawn Seed and rake it lightly.

Broad-leaved weeds can still be killed with 2, 4-D, but don't delay if your lawn needs this treatment.

This is the best time to start a new lawn. We think that your best seed buy is:

WHY THE MISSOURI PACIFIC RAILROAD STRIKE?

Over twenty years ago, the Congress of the United States passed the Railway Labor Act. It was hailed by union leaders as a model for the settlement of labor disputes.

efficiently or economically if the leaders of the unions ignore agreements or laws.

Provisions of the Law which are Disregarded

There are five ways under the Railway Labor Act to settle disputes over the meaning of contracts:

- 1—Decision by National Railroad Adjustment Board.
- 2—Decision by System Adjustment Board for the specific railroad.
- 3—Decision by arbitration.
- 4—Decision by neutral referee.
- 5—Decision by courts.

The Missouri Pacific Railroad has been and is entirely willing to have these disputes settled in accordance with the requirements of the Railway Labor Act. Regardless of this fact, the union leaders have shut down that railroad.

Innocent Bystanders Suffer Losses and Hardships

There are about 5,000 engineers, firemen, conductors and trainmen on the Missouri Pacific. They are known as "operating" employees, and are the most highly paid of all employees on the nation's railroads, but their strike action has resulted in the loss of work to 22,500 other employees of the Missouri Pacific. In addition, they have imposed great inconvenience and hardship upon the public and the communities served by that railroad.

The Railway Labor Act was designed to protect the public against just such interruptions of commerce.

If these men will not comply with the provisions of the law for the settlement of such disputes, then all thinking Americans must face the question, "What is the next step?"

President Truman's Board Condemns Strike

There is an established legal method for handling disputes involving existing written contracts—just as there is such a method of settling any contract dispute which you may have in your daily life.

The President of the United States appointed a Fact Finding Board to investigate and adjust the Missouri Pacific dispute. This Board reported, in part, as follows:

"... it is with a deep sense of regret that we are obliged to report the failure of our mission. It seems inconceivable to us that a coercive strike should occur on one of the nation's major transportation systems, with all of the losses and hardships that would follow, in view of the fact that the Railway Labor Act provides an orderly, efficient and complete remedy for the fair and just settlement of the matters in dispute. Grievances of the character here under discussion are so numerous and of such frequent occurrence on all railroads that the general adoption of the policy pursued by the organizations in this case would soon result in the complete nullification of the Railway Labor Act..."

Obviously the railroads cannot be run

THE LEADERS of the Brotherhood of Locomotive Engineers, Brotherhood of Locomotive Firemen and Enginemen, Order of Railway Conductors, and the Brotherhood of Railroad Trainmen on the Missouri Pacific Railroad have refused to avail themselves of the peaceful means provided by this Act for settling their disputes. They insist that they be the sole umpire of their own disputes over the meaning of contracts.

There is no Need for Strikes

With all of the available methods for the interpretation of contracts, there is no need for a strike or even a threat of a strike, but the leaders of these railroad unions have ignored the ordinary procedures established by law and insist upon imposing their own interpretations of their contracts by means of a strike.

The wheels have stopped rolling on the Missouri Pacific. They may stop rolling on other railroads at any time. Recently the Wabash Railroad was forced to discontinue operation for several days under similar circumstances.

What are These Strikes About?

These strikes and strike threats are not about wage rates or hours. They result from disputes over the meaning of existing contracts. They cover claims for a full day's pay for less than a day's work, or for payments for services performed by others who were fully paid for the work done.

HILLSBORO Elementary School

GRADE ONE

We have 27 pupils. Richard Ellsworth brought a cactus for our room. Bonita showed us the shells she found at the beach.

Billy Yeaton and Kathleen McNeal celebrated their birthday this week.

The following people had one hundred percent in spelling this week: Karen, Donna, Carlin, Barbara, Norman, Bonita, Charlotte, Brenda Campbell, Jeanette, Patrick Theodore Holley and Richard Ellsworth.

GRADE THREE

In social studies we have been learning about the cave men. We learned that they used gourds for dishes, so Geraldine brought in a string of painted gourds to show us all what they look like.

The following people received 100 in the spelling test this week: Jacqueline Maine, Marguerite Nelson, Geraldine Ellsworth, Marie Young, Judith Fogg, Susan Olson,

Malcolm Cote, Nancy Shopes, and Kenneth Colburn.

GRADE FOUR

We are reading about the people who came to America on the Mayflower.

We are bringing different kinds of seeds for a chart showing how seeds are scattered.

We have several milkweed caterpillars in a jar and are watching to see them turn to a chrysalis and then to a Monarch butterfly.

Friday we go to Grimes Field. The boys play baseball and the girls softball.

We are glad to have Mrs. Porter for our music teacher.

Roberta Poluchov, reporter.

GRADE FIVE

The fifth and sixth grades go to the Fair grounds for baseball and softball usually on Wednesday from 1:45 to 2:45. This week we went on Friday.

We are learning the poem, "Little Orphan Annie."

Mrs. Porter comes to our room on Tuesday from 9:30 to 10:00.

Those getting 100 percent in spelling for the week ending Sept. 16 are: Leo, Theresa Duggan, Joan, Charles, David, Shelia, Beverley, Patricia Yeaton, Patricia Cote and Vivian.

Joan Devlin, reporter

GRADE SIX

To play ball at the Ball Grounds we chose Hank Woods, Bobby Bennett, Faith Owen and Teresa Duggan as captains.

Judy Gove, Betty Day, Anna Troutman, Merritt Peasley, Beatrice Chase, Maxine Tiexera, Bruce Jordan, Faith Owen, Karen Wilton, Jude Bernard, Maurice Ryley, Beverly Colburn, Billy Beaupre, Catherine Monagle, Eddie Trotter, Bobby Bennett, Shirley Kristl and Ellen Clough got 100 percent in spelling this week.

Funeral Services for Harold E. Dean

WEARE, Sept. 22 — Funeral services for Harold E. Dean were held at his late home on Sunday afternoon at 3 o'clock. The Rev. John MacLeod, Old South church, Newburyport, Mass., officiated. The bearers were Chas. Gregg, Bernard Gunn, Geo. Dodge, Geo. Nichols, Hwey Nichols and Earl Emerson.

There were many beautiful floral tributes. Friends and relatives were present from New York, New Jersey, Massachusetts and Connecticut. Interment was in the Weare Center Cemetery.

Mrs. Irene Flanders Commencement

There are 19 more students this year in High and Junior High school than last year. The greatest is the Junior High, which has an enrollment of 50 this year as compared with 32 last year. There are 22 in the eighth grade, this year, compared with 11 last year. This year's 7th grade numbers 28, with 21 last year.

The High school numbers 51 students, 14 seniors, 12 juniors, 13 sophomores and 12 freshmen. If only all 22 eighth graders would continue through high school, and the 7th grade the same, well, figure it out yourself. Last year's high school numbered 50; 7 seniors, 16 juniors, 11 sophomores and 16 freshmen. Of course students move away, or drop out of school, but new families move into town as well. In the sports line, in a year or two, we should have plenty of basketball material.

Guests at the home of Mr. and Mrs. Wheldon, Sr., recently were their two daughters, Marian and Ruth, and families. Marian, now Mrs. George Smith, and three children, George, Peggy, and Betty, drove up from Sharon, Mass., and Ruth, now Mrs. Colin Nokans, her husband, and son, Colin, Jr., came up from Worcester, Mass.

Crandall Wallenstein, public accountant, in addition to his work with Van Dunne's accountant office, is spending three evenings a week teaching at the New Hampshire School of Accounting and Commerce in Manchester.

Peter Gelinas has been at home all week, with a cold. At this writing, he hopes to go to work on Monday.

Camp Bass, at Tall Pines, entertained members and friends of the County Farm Bureau at a picnic last Tuesday. About 15 women went from Weare, and reported a fine time. The day was cool and cloudy, but no one minded, because there was a bright fire in the big stone fireplace at the Lodge, and a warm, welcome from the Camp Bass family.

This year's project was textile pointing, and there was much interest in the designs, and many made copies to be done at home.

Farm Editor Fred Beane was on hand with his camera, and we will be looking for a group picture in the Manchester Union, and also one of his very clever write-ups before very long. He also made a picture of the three Charter members who have been faithful Campers for twenty-one years. I might add, I missed a very pleasant day, being unable to go. Any one attending this camp once, feels they must go next year, both for the "project" and the chance to meet so very many wonderful farm women, as well as Miss Beecher and Mrs. Abbie Sargent.

I met ex-school teachers, a Girl Scout leader, a nurse who told very interesting stories of her work in Tennessee, a poultryman's wife, and so many others, from Antrim, Manchester, Nashua, Reeds Ferry, Merrimack, New Boston, Bennington, in three days.

Mr. and Mrs. Walter Hazelton, son, Walter, Jr., "and dog," were Weare visitors this last week. The Hazeltons and Flanders exchanged melons, peaches and slips for winter house plants.

This next Sunday, Sept. 25th, is the date set for the final out doors event of the Weare Boating Club. There will be a clam chowder dinner, scheduled for 2 o'clock in the afternoon. This was decided at the latest meeting of the club. At the same meeting two movies were shown, which were very interesting. One of most interest to Weare people was of Weare Reservoir, the various camps and of Chase Park, Philbrick's landing and of some of the residents. The other picture, which was secured by William Wheldon, Sr., was in color, showing farming from its very beginning to the present day.

Peter Gelanis took a week end trip to Montreal recently. Starting at 3 a. m., Saturday morning, Mr. Gelanis, with Maurice White and George Day, of Henniker, driving in Mr. White's Plymouth coupe, arrived in Montreal at 11 p. m. They spent the night in cabins near the Toll Bridge. They saw the Queen Victoria Bridge, went up Mont Royal Mt., where they had their pictures taken, and had time to take in a movie, at the Hollywood Theatre. Coming home, they drove through the White Mountains, stopping to see the "Old Man," and other famed spots. The funeral of Harold Dean was

held Sunday afternoon, at three o'clock at the Dean home in North Weare. Rev. McLeod was the officiating clergyman.

Recent guests at the Evans home, on Flanders Memorial Park, were Mr. and Mrs. Ormond Christie of Minneola, Long Island, N. Y.

The Sunday night Sing, which was to have been held at Mrs. Ruby Sargent's home was postponed until next Sunday.

The Play-off baseball game, between Weare and Goffstown, scheduled for Sunday afternoon, was called off on account of rain. It is now scheduled for next Sunday, to be played at Goffstown.

Mr. and Mrs. Robert Taylor have returned from a trip to Canada, where they called on Mr. and Mrs. A. A. McKensie, of Scottstown, Canada. They stayed at cabins along their route, which took them about Quebec, and on the way home through Fort Ticonderoga, New York, Vermont and the White Mountains in New Hampshire. Traveling leisurely, they spent eight days, which enabled them to see many places of historic interest, in both the United States and Canada.

East Weare

Fred C. Jones CORRESPONDENT

Fred Jones is improving daily and has had quite a bit of practice on crutches at this writing.

Mr. and Mrs. Fred C. Jones entertained Mr. and Mrs. Edwrad Brown of Keene and Mrs. Paul Jones of Boscawen recently.

Local visitors in town yesterday were Mr. and Mrs. Myron Adams, Ruth and John French of New London.

Sidney Bean has purchased a Studebaker sedan. He plans a trip soon.

"Peg" and "Doug" Parsons were Concord visitors Tuesday.

Rev. Hobart Blanchard, who preaches at the Baptist church Sundays, is transferring to Lake George, N. Y., soon.

Jessie Jones of Boscawen called on Mrs. William Van Arsdale one day this week.

Priscilla Parsons celebrated her 13th birthday with a party Sept. 16, in the evening. Games were played, ice cream and cake and punch were served. Many gifts were received and a wonderful time was had by all. Those attending were Allen Clay, Burton Brown, Robie Farmer, Marvin Colburn, Wilder Tenney, Jr.; William Van Arsdale, Lee Drewery, Sylvia Hight, Helen Heino, Raelene Wood, Joan McGilvery, and Joan and Priscilla Parsons.

Guy Eaton has been fishing at Mt. William pond during the past week.

Marjorie Richard of Raymond spent the week end with J. H. Legge and family.

Mr. and Mrs. Charles Rose and sons, "Ronnie" and Charles, went to Bridgewater, Vermont, over Sunday.

Mrs. Ruby Sargent of Halestown grange took the bank to Batchelder grange in Manchester, Monday night.

Mr. and Mrs. Harold LaBier, formerly of Henniker, have moved to East Weare and are residing with her parents, Mr. and Mrs. Sidney Bean.

The Baptist church will hold a picnic at Chase Park, Saturday afternoon. Everyone may bring his lunch. This is a farewell party for Rev. Blanchard who is leaving for New York.

J. Hardy Legge will celebrate his birthday on Wednesday, Sept. 21. Congratulations and best wishes from us all.

Mr. and Mrs. Alfred Marshall of Berwick, Maine, are in poor health according to a letter received. They are former residents of East Weare, he being in the grocery business here for many years.

Mr. and Mrs. Walter Hamel went to Boston on Saturday.

Mrs. Bess Stokes spent a few days in Belmont, Mass., with her daughter last week.

CARD OF THANKS

We wish to express our sincere and heartfelt thanks to all the Friends and Neighbors for the many deeds of kindness and sympathy shown us during the illness and our recent bereavement. To the bearers, donors of cars and flowers sent, we are very grateful.

MR. AND MRS. MARTIN PALHOF TAKE TRIP TO NATIVE LAND

Mr. and Mrs. Martin Palhof of Breezy Point left Monday for New York where they will board ship Friday for a six months trip to Denmark. They will sail on the S. S. Stockholm, pride of the Swedish American Lines. This will be their first trip in twenty-eight years. Their son, Vincent, will manage the resort during their absence.

Mr. Palhof planned the trip in 1936 but due to the establishment and improvement program at the Point was unable to take this visit back to his home town, Copenhagen, Denmark. Mr. Palhof, before purchasing the Point, was an internationally known chef working in New York City and Miami.

The Palhofs also plan to visit in Sweden and Norway.

Facts About Linoleum

No matter what you hear or read, linoleum seldom lasts a lifetime.

Most smooth floor coverings are not real inlaid - they are baked enamel on asphalt paper. Weight and quality vary a lot. We can buy extremely light 9 by 12 rugs as low as \$3.00 wholesale, but don't buy them - they are no bargain at any price.

Armstrong heavy and medium weight are not expensive, as low as \$7.00 for perfect new 9 by 12 delivered. All makes have some "seconds" sold at a discount. Some wear well, you pay your money and take your chances. Makers also have "drop patterns" at a discount - the rugs people didn't like last year. There are sometimes "double drops" or patterns that didn't sell after one reduction. For a real low price, buy a "light weight double dropped second," especially good if your family is small, color blind and barefoot.

We do not sell "seconds," "drops," "double drops," or light weight at Eaton's.

Any floor covering wears best on a good smooth floor. Don't lay your new rug over an old rug or on newspaper. It will dent easily and wear out rapidly.

If your floor is bad, rent a sander from Earl Beard at the Hillsboro General Store. You will save the moderate rental cost by protecting your floor covering.

If your floor is bad in spots, plane down sharp edges and sink all nails.

Don't use abrasives or caustics in cleaning, wax lightly and often.

INLAID

Real "battleship" linoleum is 3/16 of an inch thick. It is seldom used in homes. Heavy grade is 1/4 of an inch thick, standard guage is 3/32 of an inch thick. Light guage is about 1/16 of an inch thick. Light weight has been sold as "battleship" and advertised as "lifetime linoleum." Actually it will wear 2 or 3 times as long as a painted surface, a fair value at a low price. However, the cost of paste, lining felt and labor is the same on all weights - so you get more years of use per dollar when you buy standard weight.

Inlaid should be double pasted and pressed with a 100 pound roller. Counters or sink tops should be rolled, and waterproof cement used on sink tops.

Asphalt tile wears well, is inexpensive.

Asphalt is hard and sometimes tiles break. Asphalt can be used in a cellar or in a house which has no cellar, don't use inlaid linoleum.

Rubber tile is tricky to buy. It may be 3/32 or 1/8 or 3/16 of an inch thick, and it may be new rubber or reprocessed. Sometimes rubber tile is advertised at a low price when only the less desired colors are offered at the price advertised.

Eaton sells only 1 1/8 inch new rubber Armstrong tile, all colors same price.

Linoleum tile is standard inlaid, six jaspé colors at 15c per 9 inch tile, not laid. In an irregular room, linoleum tile may cost less than 8 foot goods because there is less wastage.

On any linoleum floor, we can install a border, contrasting narrow strip, or attractive linoset decoration at little additional cost.

At the present time Eaton's linoleum mechanics are booked up to the end of September. Please plan your work a few days ahead if you want us to do it.

SPORTSMEN'S COLUMN

by GEORGE S. PROCTOR

NEW HAMPSHIRE CONSERVATION OFFICER
Phone 104
Wilton, N. H.

Dr. Tenney of Peterboro reports seeing a sight you don't see every day. Between Hancock and Bennington in an open field he saw two old deer and near were two younger deer stading on their hind legs doing the Joe Louis act. It was quite a sight. One night last week at West Wilton I saw two fawns feeding in a nearby field. Reports are coming in from all sides of the large number of deer seen last week.

There must be a second crop of deer, raccoons and skunks. Leon Russell of Greenville reports seeing a baby skunk over the week end. Several spotted deer have been reported and one night last week on route 31 at South Lyndeboro an old raccoon with five babies crossed the road. They were quite small.

Philip Magoon of Greenfield reports that one of his boats containing ex-Captain Jones of Nashua brought in a 5 1/2 pound bass and one weighing 2 1/2 from Otter Lake, Greenfield. These were taken in 20 feet of water.

More than 100,000 Atlantic salmon were planted in the St. Croix river between Woodland and Baring. These were four inches in length. These were stocked by the Canadian government. In three years it will make good fishing in those streams.

James F. Berry of Manchester, secretary of the East Manchester Fish and Game club, tells us that his club is to hold field trials at Crystal lake on Route 28, that city, on September 25. Cash prizes total \$165.00. Trials start at 8 a.m. rain or shine. This is for foxhounds, coon hounds and barrier-

beagles. Better plan to take this in.

Nice letter from R. B. Adams of Hillsboro. He says he saw a large doe deer with three spotted fawns on top of Gamel hill in that town. He wants to know how come they are so late.

I have at hand a very special invite to attend the opening of the big Vineyard Striper Derby at Martha's Vineyard September 17 and 18. Sure, they pay all my expenses including my car. This is coming to me as a member of the N. E. Sports Writers Association, of which I am a charter member.

Last week I got an unsigned letter from someone in East Jaffrey. I sent the letter to Concord to get the right answers. Here it is: "Does one have to have a license or permit to carry a live bear from town to town in this state?" Answer is Yes. No cost for permit. "Does owner have to have insurance to protect the public?" Answer is No. "Is it permissible to give a wild animal in captivity do before an exhibition?" Answer is No. This letter came after this party saw a bear in a nearby town connected with a traveling carnival. Contact your local police if you think the bear is being abused. Plenty of law in this case.

The last week end was a bad one for dogs and cats. More domestic animals were run over and in most cases killed, by hit and run drivers. Most of the drivers stop and see what can be done for them.

Those fellows over in East Rindge are still at it. Last Saturday they drove into my yards with another Ford truckload of big turtles. Their goal was 100 for 1949 but White said they had only 95 to date. Several cold nights have driven them down into the mud. Most of these came from Hubbard pond in that town. These men are Redfield White, William Raymond, and Charles L. Baldwin. Next year they are to buy more traps and see if they can't find a market for them. The meat is being placed in cold storage and next winter someone will be living on Turtle Soup. If one pond will produce 41 turtles in a two weeks' catch, what must some of the ponds and lakes in the state contain? This is one conservation act that will better your finish as these big fellows catch and eat a lot of fish and ducks. More power to White, Raymond and Baldwin.

Here we have an announcement of a new "Vet" office opening in Milford. It's Paul E. Fessenden, V.M.D., corner of Federal Hill and Brookline roads. Paul was in the army and his former home was Brookline.

The good old Trumpeter Swan has made a wonderful comeback from 73 in 1935 to 451 to date. This only goes to show what a little protection will do for wildlife. Wildlife refugees, where they have real protection to breed in peace, is the answer to the question.

In a nearby town an owner of a big farm looked over a covered well. In fact, he walked on it to see if it was in good condition. The next day he found the cover gone and with it went a nice big doe deer. Lucky for the landowner it held him up the day before.

Louis Ingraham of Brookline tells us that they have opened up a road to Scott pond in Fitzwilliam and they are selling house lots to hunters and fishermen. A good building lot for 55 bucks. This is a nice body of water near the Massachusetts state line.

HILLSBORO

An installation of officers dance sponsored by Richardson-Young Legion post will be held Friday night at the high school gym, and the public is invited. Music will be furnished by an out-of-town orchestra under the direction of Wesley Herrick.

At least three mild cases of polio have come to the attention of local physicians during the past 10 days and all cases were hospitalized. So far, however, the average age of the persons having had the disease is nearly 30 years and no children have contacted it to date in this town.

Several local men are employed at the Verney mills in Peterboro, commuting to and from their work daily.

LISABEL GAY'S COLUMN (Continued From Page 1)

others were only senseless sounds. The school room now and its equipment is vastly different from the one I knew, in fact "equipment" is too big a word for what I knew. We had twenty-four desks and in place of one regular seat we had an old time ladderback chair, my favorite seat. We had two blackboards, just boards nailed together and painted black, the teachers' desk and chair, the ever present water pail and long handled dipper. When I was about twelve years old new Physiologies were furnished by the state due to the influence of the WCTU. The effect of alcohol upon the organs of the body was made the special issue. At that time a small cupboard to hold new books was added. We bought all our other books which were usually handed down from one member of the family to the next. The big geography I used had come down from Walter and Julia and was all scribbled over with their names. By standing this geography on the desk many secrets were told behind it as we sat at the double desks. We had very few frills when I was a pupil, we never sang any songs, never taught any drawing lessons and never realized until one teacher showed us some Spanish moss and told us about her winter in Florida that we were a part of the world we studied about in geography.

Now-a-days the children have so many things on the play-ground—big balls, baseballs and bats, teeter boards and swings and maybe other things. While we had the big brown rock which we used to call our horse and go for long rides and the whole "common" to roam about in. Games we played were all our own invention except the ball games we played up by the church. Children are taught such fine poems now but we never learned any as a class. The only ones I remember are "Katy Lee and Willy Gray," "The Smack in School" and one other beginning "Come girls get up this morning, the clock is striking four, your father wants his breakfast and I've called you once before," which I learned to speak on Friday afternoons.

The Chimes

Although the chimes on St. Mary's church have been ringing all summer I heard them only faintly because closed doors and windows kept their sound out as well as the hot sun. But last Sunday I opened the door especially to hear them. They certainly made me feel more certain that the day was Sunday.

On Sunday Miss Melita Whitcomb started back for her second year at Mary Washington college in Fredericksburg, Virginia. She was accompanied by her brother, Roswell, Jr., and Jack Tasker. They planned to spend two days in Washington, D. C., and the boys will spend one night in Fredericksburg and then come home by bus as they went down.

The Young Farmers 4-H boys were busy last week attending Plymouth Fair with their livestock. They claimed their usual prizes and blue ribbons. Some of them are at Rochester Fair this week. On Sunday, Mr. and Mrs. Maurice Parker took their son, Maurice, to Plymouth to get Donald Wood and Richard Martin and their exhibits which he took to Rochester on Sunday.

On Friday, Frank Gay, David Hilliard, Miss Laura Craig, Harlan Colby and Harry Cross attended the Plymouth Fair. Frank went up the next day with the boys, Jack Tasker, Donald Wood, Richard Martin and Eddie Tasker.

On Tuesday, Miss Janet Tasker went to Durham where she will be enrolled in the U. of N. H. on Wednesday. Earl Barnes will go back next week as a Senior and Maurice Buttrick as a Sophomore, and I think Robert Parkman also returns.

Mrs. Alber Kern accompanied Mrs. Ernest Marcy on her trip to Connecticut last week.

Paul Grund announces the engagement of his daughter, Fern McNeal to Cleford B. Durgin of Henniker. There are no immediate plans for the wedding.

Mrs. Bernice Maynard of Concord attended a board meeting of the DAR here last Saturday.

Mrs. Grace Perry returned from Burlington with Mr. and Mrs. Louis the DAR here last Saturday.

Col. and Mrs. Roy Honeywell of the Center returned to their home in Bethesda, Maryland, on Tuesday, after spending the summer at "The Well Piece."

Leota Marshall spent the week

end with her father, Alton Colby and family.

Mr. and Mrs. Elgin Colby spent Saturday in Manchester.

Mr. and Mrs. Clifton Porter, Lebanon, and son, John, two months old, were in town Sunday calling on friends. His brother, Paul, is being married on October 1, in Wisconsin.

Mr. and Mrs. Arthur Stanley and family of Dover visited his mother and sister last Sunday.

Mr. Alfred Dodd celebrated his birthday last Thursday with the help of his daughter, Mrs. Musick, and two daughters, Gwendolyn and Eleanor, of South Lancaster, Mass.

Mr. and Mrs. Wilfred France of Greenfield, Mass., called on us Monday. Wilfred is the oldest son of Mr. and Mrs. William France. Mr. France was a former Congregationalist minister at the Center.

Mr. and Mrs. Ernest Cummings of Syracuse, N. Y., and her mother, Mrs. Mabel Dewey of Messina, N. Y., spent the week end with his sister, Mrs. Roscoe Harris.

Miss Clara Webber of Rochester, N. Y., is visiting her brother, Bernard and Mrs. Webber, and her brother, Max Webber.

Hillsboro

James Smith had the misfortune to fall from a motorcycle near the Beard Brook bridge Saturday morning. His injuries, while painful and severe, were not as bad as first reported. He was taken to the hospital in an ambulance.

Miss June Pero is at the Margaret Pillsbury Hospital this week.

Mrs. Lester Chapman had the misfortune to have an automobile accident Sunday.

The guest book in the hallway of the President Franklin Pierce home at the Lower Village reveals the names of 1,870 persons who have registered or signed their names since last June. Of this number 765 were from out of state and 29 states in the union were represented outside of New England.

Dr. and Mrs. Everett A. VanHorn have closed their summer home on Depot street and returned to Syracuse, N. Y., where Dr. VanHorn is a chiropractor.

Mr. and Mrs. Richard Brown and daughter of Keene have bought the former Colby house in more recent years owned by Alvin Yeaton and still later by the Veterans Administration. Mr. Brown is employed by the Public Service company of New Hampshire in the local office.

Mr. and Mrs. Willard C. Brown of Lebanon were Sunday guests at the home of Mr. and Mrs. Paul S. Scruton and family.

John Pillsbury, Ronald Prince and James Pickering of Concord were Sunday callers at the Cyrus Phelps home.

Mr. and Mrs. Ronald Buttrick and family were in Portland, Maine, for the week end visiting his brother, Lloyd Buttrick and family. Mrs. Mark Buttrick returned with them.

Mr. and Mrs. Walter Smith and son of Boston were week end guests of his brother, Wesley Smith and family.

Beverly Phelps, Jean Murdough, Catherine Phelps and Isabelle Laundry attended the football game between Concord and Keene, at Concord, on Friday.

Mrs. Alan Hilliard and son, James, returned to Belleville, Ill., after spending several weeks with her husband's parents, Mr. and Mrs. Alvah Hilliard.

Miss Ruth Edwards of Edgewood, Rhode Island, spent a week with her sister, Mrs. Eli Laundry and family.

Beverly Phelps was in Concord on Saturday to attend a Youth Conference.

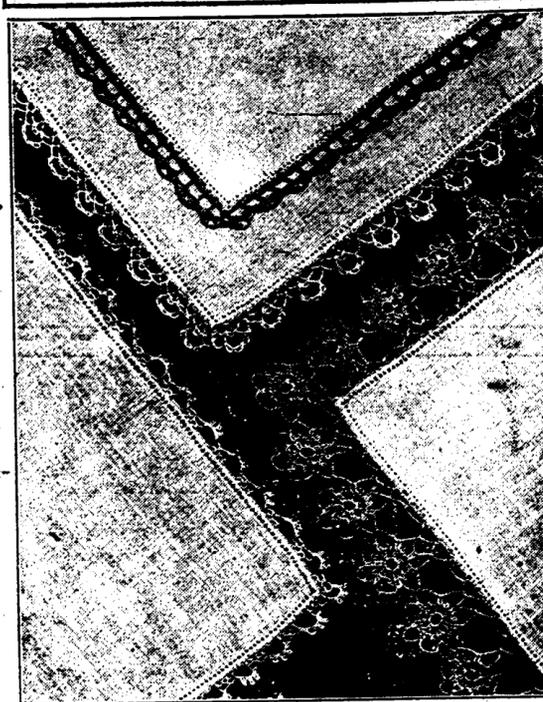

Mr. and Mrs. Robert Boardman attended the Boston dealers gift show held last week Tuesday and Wednesday at the Hotel Statler and Parker House. One hotel had seven floors of gifts using several halls and ballrooms.

Miss Beatrice Dodge is now working at Baker's Pharmacy.

Pvt. Robert L. Boyd, 18, son of Mr. Frank J. Boyd was reported to Lackland Air Force Base, "Gateway to the Air Force," to begin the AF basic airmen indoctrination course. Lackland, situated near San Antonio, is the world's largest air force base. His thirteen weeks of basic training will prepare him for entrance into Air Force technical training and for assignment in specialized work.

James Willette has a tame fox which he caught two months ago, and the animal prefers chicken to any other food and enjoys chasing the little dog about the yard to the amusement of passersby and the annoyance of the canine.

HILLSBORO

The armory is fast nearing completion and will be ready for occupancy in October. The personnel will be under charge of Capt. Lester Rysnik of this town.

More partridge are being stirred up in the meadows and woodlands just now than there will be come the open hunting season, in the opinion of sportsmen who report plenty of activity this month.

Only a few years ago a lone cottage reached from the main dirt road by little more than a blazed trail, was owned by Harry Pillsbury on the shore of White pond in Windsor. Mr. Pillsbury, a native of Hillsboro, has owned the cottage and adjoining property for over 35 years but today there are some 20 other cottages on the shore of the lake, many of them owned by Hillsboro people, including Edwin Baldwin, Meade Baldwin, Selwyn Davis, Earl Davis, Andrew Crooker and David Crooker.

Louise Teixeira, daughter of Mr. and Mrs. Manuel Teixeira, has returned to Texas and resumed her teaching duties as physical director at Texas State college.

Beverly Barton Weds Laconia, N. H., Man

WEARE, Sept. 22 — The many friends of Philip Barton, former headmaster of Weare High, will be interested in the wedding of his daughter, Beverly, last Saturday, at Durham, when she became the bride of Robert Howard of Laconia.

The wedding was held in the Durham church. Miss Barton made a beautiful bride, dressed in flowered organdy, with a finger-tip veil. The maid of honor and bridesmaids had gowns of rainbow colors, making a lovely contrast. Mrs. Barton wore blue silk, and Mrs. Howard green satin. The best man was the groom's twin brother, Robert.

Following the wedding service, a reception was held for the newlyweds after which they started on a honeymoon trip, taking in parts of Maine and Canada. They spent the first night of their trip at Lake Sunapee, at Moses Clement's camp, leaving early the next morning.

Attending from Weare were Mrs. Franklin Flanders and daughter, Mary; Diana Colburn and Mr. and Mrs. Gordon Russell.

MRS. J. PRENTIS WESTON HOSTESS TO WOMAN'S CLUB

BENNINGTON, Sept. 22 — The first meeting of the Woman's Club took place this past Friday afternoon on the lawn of Mrs. J. Prentis Weston. There was a box lunch at 12:30 and the meeting followed.

Mr. John Orr of Concord presented the facts on the coming drive for funds for the Crippled Children's Hospital to be located on Crooked Mountain. He said that they will start small with twenty beds and will advance from there. The goal for funds is a million dollar endowment fund which would care for the maintenance of the hospital (with other sources of income), with out further drives. This was an informative and enlightening talk and well presented.

The Sister Sue's were revealed to those who were there and new ones given out. It was a delightful day and those who came were well repaid for coming. The next meeting will be held with Mrs. Black at her home.
