## Isabel Gay's Column

Coming Events

The Eunice Baldwin Chapter, D.A.R., will hold the first meeting of its new year, at the home of Mrs. Harriet Grimes, School street, Saturday, October 8, at 2:30 p. m. Mrs. Mary Holden will be the speaker of the afternoon.

Don't forget the public supper at the Center Club House on Saturday, October 8, at 5:30 to 7:00 o'clock. There will be plenty of salads, baked beans, ham, and all the rest to please all hungry people who have some cash in their pockets.

The Improvement Club will hold its regular meeting at the home of Mrs. Alice Gove, on Tuesday, October 11, at 8 p. m. Roll Call -- Halloween pranks.

The Hillsboro Music Club will hold its first meeting of the season in the music room of the Community Building on Tuesday evening, October 11, at 8:00 o'clock. This first meeting is open to the public or all who like good music and enjoy singing. The committee has planned a good program for the first part of the evening with informal singing for the second half. Every one is cordially invited to attend this meeting. Light refreshments will be served.

### Family Party

Members of the Caroline A. Fox Bird and Garden Club, their families and a few guests enjoyed a very pleasant evening at their family party held at the Center Club House, last Saturday, October 1. A bountiful supper was served at 6:30 by a committee composed of Mary Harty, Pearl Ray, Vanessa Beard, Abbie Barnes and Frances Barnes.

There were many salads, baked beans, hot rolls, and coffee and whipped cream cake. It was a jolly company and made more so when to the consternation of the committee the sugar bowl went on the rampage and got too friendly with some salt. The combination did not improve the very delicious coffee but everybody was happy with and without the salt.

After supper Mr. Niles Stevens showed his pictures of groups of flowers and several gardens, especially of the Parkers, who live on the old Sturtevant place just off the Powers Cross Road. There were many beautiful flowers and lovely rock gardens and an interesting group of blackberry blossoms from their cultivated-wild blackberry bushes. These blossoms were very large, the Parkers have picked many quarts of blackberries from these bushes.

Mr. Stevens also showed many pictures of the White Mountains, especially the Lost River region. Each of the pictures seemed lovelier than the one before, altogether it was a very enjoyable evening.

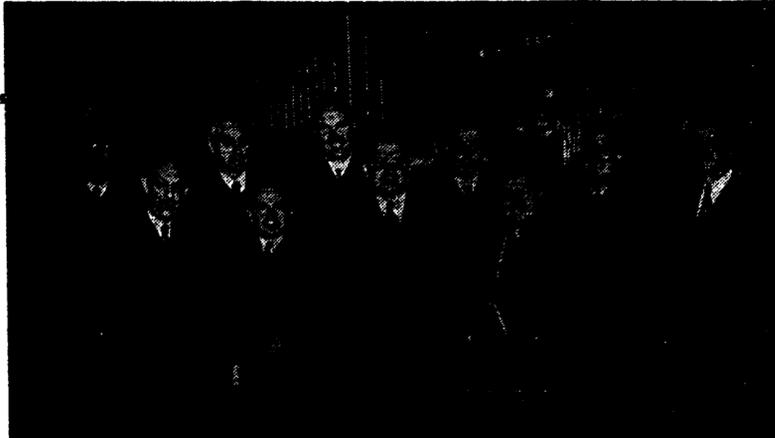

### An Old Land Mark (Only It's Water) Restored

One of the wonder spots of my young days was the small pond just east of the Eben Jones big brick house. It was such a tranquil body of water, fed by the brook from the north and shaded by the big over-hanging trees. I thought it was a marvelous place with the sunlight and shadows. Mr. and Mrs. Crooks now live on the place, but for the past few years this beauty spot has been anything but beautiful. (Continued On Page 8)

## New England College Gets Field House As Result of Financial Gifts

HENNIKER, Oct. 6 — A wish that has been expressed by every class since the founding of New England College four years ago is about to come true. The wish has been for a field house to accommodate visiting and Pilgrim athletic teams, chiefly those of football, soccer, baseball and lacrosse.

Dr. Laurie D. Cox, the college's president, announces that financial gifts by several individuals now make possible the building of the new Field House. The structure, whose cost is not disclosed, will be the first which the college itself has erected. All existing buildings used by N.E.C. have been acquired either by purchase or lease.

The Field House, while relatively small, is an ingeniously designed

affair which will occupy a site on the north edge of Pilgrim Field, just to the east of Henniker village. This field is leased, and because of this fact the Field House is blueprinted for eventual removal to another locale which will be the permanent home of N.E.C. outdoor athletic contests. When a permanent athletic field is developed, the current Field House will probably become a wing of a greater building of the same function.

Dimensions of the present building, which is a single-story structure whose exterior reflects the traditional feeling of New England, are 44 feet by 18 feet. The exterior elevations reveal white painted boards with vertical battens. The windows will have nine lights (Continued On Page 7)

## Twenty-Six Granges Represented at Anniversary of Bear Hill Grange

HENNIKER, Oct. 6 — The 75th anniversary of Bear Hill grange was observed on Thursday evening at a meeting in Cogswell Memorial Auditorium when more than 200 were present in spite of the heavy rain. Twenty-six granges were represented. Fourteen past masters of Bear Hill grange were present as well as six 50-year members: Mrs. Walter Connor, Mrs. Margaret Dunham, Mrs. Duncan Noyes, Silas Rowe, Fred Connor and Mrs. Henry Moody who was presented her golden sheaf certificate during the program by Scott Eastman, secretary of the N. H. state grange.

Fred Connor was chairman of the anniversary. Mr. and Mrs. Guy Jones, Miss Myrtle Hughes, Mrs. Howard Gammell and Leon Cooper were on the decoration committee, the officers served refreshments, the program was in charge of Lecturer, Mrs. Albert Champagne, Mrs. Willis Munsey was hostess, and Deputy Munsey was Master of Ceremonies.

The following program was presented: Address of welcome, by

## Breaks Precedent

Miss Ann Ranger

HENNIKER, Oct. 6 — More than 100 freshmen, with the male gender dominant about 10 to 1, went to the polls here to select a President for the new class. When the ballots were counted, Miss Ann Ranger, 18, comely brunette from Brookline, Mass., won in something of a landslide over her five fellow office-seekers. It is the first instance since the founding of New England College that a coed has been selected by an incoming class to be its head. Miss Ranger is a graduate of Rogers Hall, Lowell, Mass., and was a member of the Student Council there in both her junior and senior years.

### Valley Lodge I.O.O.F. Elects Oakes Noble Grand

HILLSBORO, Oct. 6 — Valley Lodge, I.O.O.F., elected officers for the ensuing year at a well-attended meeting held in Odd Fellows Hall on Monday evening.

Noble Grand is Edward Oakes; vice grand, Francis Hill; secretary, Paul Scruton; treasurer, James Ellsworth; warden, Earl Cilley; conductor, Fred Hill; supporters, Harry Cross, Perley Spaulding, Halford Bent, Alvah Hilliard; guards, Frank Fowle and Alton Colby; auditors, Maurice Barnes and Roger Connor; trustees, Merrick Crosby and George Boynton; janitor, Edward Oakes.

Hope Rebekah Lodge, I.O.O.F., has redecorated the kitchen and has installed a new kitchen range.

### Deborah Club to Sing Hymn at Sunday Services

HILLSBORO, Oct. 6 — The October meeting of the Deborah club was held at the Smith Memorial church vestry Monday evening, October 3, Mildred Eaton presiding.

A lively discussion followed on "The Light Eternal," the play which was sponsored by the Deborah last week.

The club officers expressed their gratitude and thanks to everyone who helped in any way.

Prior to the meeting, some of the members rehearsed a hymn, which will be sung at Sunday service under the supervision of Mildred Porter.

Refreshments of sandwiches, pickles and coffee were served. Hostesses were Miriam Bonnette, Mildred Eaton, Mildred Nickerson, Inez Spaulding and June Pero.

### Mr. and Mrs. John Wood Hosts to Antrim Garden Club

ANTRIM, Oct. 6 — The Antrim Garden Club met Monday evening at the home of Mr. and Mrs. John Wood. Mrs. H. B. Pratt, chairman of the Roadside Improvement Committee, presented the final report in the Measured Mile Contest. The Club voted to thank all who contributed work and money for this project, and especially Goodell Co., the Road Agent, Boy and Girl Scouts and the residents along the selected mile.

Mrs. Alwin Young, president, gave an account of the luncheon she and Mrs. Pratt attended at Bear Brook Pavilion when the awards were presented. A nice letter was received from the Library Trustees for the flower arrangements furnished for the reading rooms by club members.

Mrs. David Bassett read garden hints from Horticulture. Mrs. Pratt demonstrated the construction of a terrarium. Miss Ruby Allen displayed very attractive winter bouquets and explained their construction. Rev. Harrison L. Packard was program chairman in the absence of Mrs. Wood.

Mrs. Wallace George, District Director and suite, will install the officers of the Myers-Prescott Unit 50, American Legion, in Library Hall, Monday, October 10, at 8 o'clock. Post members have been invited to attend.

### DEERING COMMUNITY CLUB ELECTS OFFICERS

DEERING, Oct. 6 — At the meeting of the Community club, held Wednesday evening, the following officers were elected: President, Joseph Carew; vice-president, Mrs. Mildred Johnson; secretary-treasurer, Mrs. Helen Taylor; program committee, Mrs. Marie Wells, Mrs. Harold Taylor; look-out committee, Mrs. Velma Putnam, Mrs. Mildred Johnson and Mrs. Katherine Carew. The business meeting was preceded by a potluck supper, with Mr. and Mrs. Lothrop Herrick and Mrs. Clifford Murdough the committee for the evening. The treasurer's report showed a substantial balance, following the activities on Old Home Day. One name was proposed for membership. It was decided to hold a harvest supper Oct. 15, from 5:30 to 7, in the upper Town hall, and a committee of volunteers will be in charge.

Mr. and Mrs. Jack Smith are expected to return to their home on High street soon. They have been in Boston for nine months where he has been attending dental mechanics school.

Mr. and Mrs. Russell Wadleigh and family are living in the John Rosimos house on Henniker street.

Mrs. Russell Perry, Mrs. Frank Verry, Mrs. Mildred Elgar, Mrs. Mae Atkins, Miss Pearl Ray and Mrs. Edith Phelps were in Pittsfield last Thursday to attend the State W.C.T.U. convention.

Beverly Phelps was in Lawrence, Mass. over the week end to attend a Sub-district meeting of the Youth Fellowship of the Methodist churches.

Rev. and Mrs. Russell Perry, Mrs. Rose Foster, Mrs. Eli Laundrie, Mrs. Cyrus Phelps, Wesley Smith and Alvah Hilliard were in

East Deering Sunday afternoon to attend the Worship Service at Friendship Cottage and call on Mrs. Juliette Whitaker. Mr. and Mrs. Perry also called on Miss Charlotte and Miss Almada Holmes while there.

Mrs. Earl Richardson, Mrs. Bernard Jones and Mrs. Wesley Smith accompanied Mrs. Russell Perry to Boston on Friday. The purpose to purchase a new coffee urn for the Methodist church.

The Fish and Game Commission has established a grouse wing and tail collection at the Hillsboro General Store. Earl Beard, president of the Hillsboro Fish and Game Club, said that he would accept wing or tails of game birds. Wings should be cut off at the outer joint and tail fan (complete) should be cleaned of excessive meat. Envelopes can also be obtained to mail direct. The Game Commission is using this procedure to control bird disease and to ascertain ratio of

males to females, number of birds shot and other data. Many partridges are reported in this area by hunters.

Mr. and Mrs. Elton R. Matthews took their son, Elton L., and his family to Somersworth Sunday for a weeks visit with Mr. and Mrs. Hayward Logan, Mrs. Elton L. Matthews parents.

The Hancock Home Industries will have a Christmas Sale, October 12. Several Hillsboro people

have consignments at this sale.

Mrs. Walter Sterling of Hillsboro and Mrs. Robert Sterling of Henniker attended the membership tea given by the Women's Republican Club of Concord last week. Guest speakers were Mrs. Sherman Adams and Mr. Perkins Bass of Peterboro.

The day when the average man could take his model T motor apart and put it back together on a Sunday afternoon is gone. Now, more than a hammer and screw-driver are needed. The thin dime method is no longer used to set the timer. Instead the modern automobile motor is a complicated arrangement requiring expert knowledge and precision tools such as the Sun motor tester and distributor scope recently purchased by Heath Motor Sales. Walter Heath,

proprietor of the local Chevrolet agency, said that many inquiries are received from motorists concerning the new machines and that he is constantly thriving to improve the equipment and services of his garage.

**Weare**

**Mrs. Irene Flanders**  
CORRESPONDENT

Last week really wound up the summer activities for Weare and started off the fall and winter affairs. Monday evening the Brownie troop held a Harvest supper and hobby and handcraft exhibit at the fire house. The supper was boiled dinner, with plenty of vegetables topped off with apple pie, cheese and coffee. There was a nice exhibit of old furniture refinished, fireplace equipment, hooked rugs, hobbies of match folders and paper

napkins, an outstanding display of firearms by Jed Hight, which he explained to those interested, and quilts and a crocheted table cloth made by Mrs. Phebe Clark's mother, Mrs. McKay, who is 84 years old.

That same night Wyoming grange held their annual Fair, followed by an amateur show. There was a good exhibit of vegetables, home cooked food, handcraft articles, with hot dogs, hamburgers, and coffee on sale, as there was not a supper. The show everyone liked; seeing their own and neighbors children in a program of course always goes over big. Louise Philbrick, who does novelty songs very well, sang, "I never see Maggie

Alone," in costume; Sylvia Bruyneel played a piano solo, "On the Road to Mandalay;" Nancy and Mary Jane Tenney and Nancy Colburn sang together. Plenty of blue ribbons were received and the girls each given a cash award.

Tuesday evening three different meetings called out Weare residents. At the town hall there was a supper for the Fire Wardens of Hillsboro County, which was put on by the Fireman's Auxiliary. Planning for 80 to 90, they found 110 hungry men ready to eat, after first witnessing a demonstration of portable pumps and fire extinguishers at the fire house. Following the turkey supper, with all the fixings, there was a program. Three Girl Scout campers sang several camp songs, in camp costumes, dungarees and white blouses, which was enthusiastically applauded. Oscar Straw was the rest of the program, about. He sang with Brainard Newton, and then entertained with pencil sketching, at which he is very good.

Over at North Weare the Legion Auxiliary were busy. It was installation of officers for them, with Mrs. Wallace George of Antrim and suite, installing. The new Auxiliary president is Mrs. Della Clement. First vice-president is Mrs. Margie Eaton, 2nd vice-president, Turh Hodgman, sec., Mrs. Verna Sawyer, treas., Virginia Rice, chaplain, Mrs. Grace French and Sgt.-at-Arms, Mrs. Beverly McLean. Forty members and guests enjoyed the buffet supper served.

The same evening Mrs. Edith Purington attended the meeting of the Eastern Star in Henniker, with members from Weare.

Friday night there were two affairs; the annual Weare grange fair, held upstairs in the town hall, with dancing in the evening downstairs. The exhibits were very good. An exceptionally good one from Weare High school, one from the lower grades, a Girl Scout table, canned goods from the Weare grange, and of course garden vegetables, and handcraft work; some lovely hand knit sweaters. They moved a tobacco plant, in full bloom, which has pink flowers, and enormous leaves, from one post to make room for my sunflower, 12 feet or so tall, with pole beans growing on it. In

half an hour, and couldn't begin to see the exhibits I wanted to.

Also Friday night Margaret Wood had a group over to her house for square dancing. She had some new dance records, with the calls, and as president of the PTA and interested in square dancing as a town past time, invited several couples to try out the records, and see how much interest there was in square dancing. She found there was a lot, and this may be the beginning of a series of square dances this winter. They learned the "Double Chassez," a new-style square dance, and then drifted back to the old-timers. Pat Morse knows them all, we think, and he and George Dodge were a great help at times when things didn't run too smoothly.

In the schools, Mrs. Morse, of the North Weare school writes; "We're enjoying our new play ground equipment, which is in 'full swing.'" Bill Lahey and Pat Morse set them up. We also are planning exhibits for the grange Fair, Friday." She has twenty-eight pupils; ten first graders, and nine in the second and third grades.

In the eighth grade the other day, the instructor was explaining the mechanics of the automobile to the class, and to some rather disinterested girls, he asked one, what she would do if she was 20 miles from a garage, no top on the car, it was raining, and the car broke down? I understand she had no answer, but one of the boys did. Raising his hand, his bright answer was, "There shouldn't be any women drivers." How many teachers could keep a straight face at that answer?

Visitors in Weare Monday were Mr. and Mrs. Howard Flanders and son, John, of Nashua and Mr. and Mrs. Edwin Flanders from Manchester, calling at Harold Flanders home and finding nobody home, they called on the Norman Chase's, returning to enjoy a birthday dinner with Mrs. Harold Flanders, and two daughters, Ruth and Jane, which was further enhanced by a birthday cake sent by Mrs. Irene McGlenen. The second play-off game of the Tri-Mountain League was played at Weare Sunday afternoon with Goffstown.

**Fortnightly Speaker**

JOHN E. BAIRD

**"Can Your Child Talk?"**  
Subject of U. of N. H. Speaker

HILLSBORO, Oct. 6 — Speaker at the Fortnightly Club Guest Night, October 13th, 8 p. m., at the Lower Village Chapel will be John E. Baird, Assistant in Liberal Arts Extension and Instructor in Speech at the University of New Hampshire. His training in the fields of public speaking, radio, forensics, speech correction makes him an authority on his thesis "Can Your Child Talk?"

The fact that the total number of speech defectives in the United States equals over six times the total number of blind, deaf, crippled and mentally defective combined makes this a vital topic. The average speech-defective student is retarded one year in school because of his handicap, yet less than 4 per cent of the speech defectives of school age are receiving even perfunctory remedial treatment. This in spite of the fact that the yearly cost of reeducating a speech handicapped child is only -

- 1/50 the cost of reeducating a blind child.
- 1/26 the cost of reeducating a deaf child.
- 1/50 the cost of reeducating a crippled child.
- 1/30 the cost of reeducating a feeble-minded child.

In our own University of New Hampshire it was found that over 9 per cent of their entering freshmen in the class of 1948 should be classed as speech defectives. Over three fourths of this class were residents of New Hampshire.

Mr. Baird will speak before members of the Antrim, Concord and Henniker Women's Clubs and the Fortnightly Club. This problem in New Hampshire is a challenge to all.

## On The Street

by PAUL S. SCRUTON

"We would gladly pay additional taxes," said a prominent resident of the Upper Village, "if we had town water and fire protection such as folks have in the main village," which is sensible and logical. The water tax is additional to the property tax it must be remembered.

A prominent citizen asked us if we would care to attend any of the district schools, drink water from the pail and use the little out-house in exchange for the modern conveniences of our local schools. Not by a dam-site, we thought, and would be glad to pay the difference.

# THE STATE HOUSE JOURNAL

by ENOCH SHENTON

The first reshuffling of New Hampshire's judiciary during the Adams administration took place this week. Chief Justice Oliver W. Branch of the Supreme Court retired Monday, and was replaced by Justice Francis W. Johnson, who was appointed to the high court bench in 1943 by Gov. Robert O. Blood. Elevated to the Supreme Court to fill the vacancy left by Judge Branch's retirement was Superior Court Associate Justice Edward J. Lampron of Nashua.

Judge Lampron was next to the bottom of the Superior Court's seniority list. He was named to the bench in 1947 by Gov. Charles M. Dale. But Gov. Sherman Adams sent him up to the state's highest judicial tribunal because he is a Democrat. Thus, the traditional 3-to-2 political balance in the Supreme Court was maintained -- Lampron, a Democrat, appointed to follow Branch, a Democrat.

To fill the vacancy left on the Superior Court by Judge Lampron's elevation, the governor long ago appointed Dennis E. Sullivan of Franklin, also a Democrat. Sullivan has been U. S. district attorney for New Hampshire for many years, and formerly was mayor of Franklin. He is tremendously popular with the legal profession generally, and with the leaders of both political parties.

Legislature "Joker"  
A joint legislative committee appointed last spring to investigate state construction contracts, and other dealings between State Comptroller Stephen B. Story and Standard Construction company, has done nothing since the session ended. The committee got tremendous publicity under the chairmanship of Rep. John Pillsbury of Manchester, when it grilled Gov. Charles M. Dale; his secretary, Col. Albert S. Baker; Contractor Donat Cote and Comptroller Story, both now convicted and sentenced to State Prison; state Treasurer F. Gordon Kimball against whom the state is bringing a \$230,000 lawsuit; and other high officials of the state government.

The committee labored mightily, but produced nothing for the House and Senate to sink their teeth into, up to the date of adjournment in July. By then, Chairman Pillsbury had accepted an important job in Washington, and had turned over the gavel to Sen. Norman B. McMeekin of Haverhill. Because the committee still had work to do, the Legislature extended its authority, by adopting the following resolution:

"That the special legislative committee appointed under a concurrent resolution adopted in January 1949, to investigate state construc-

tion contracts with Standard Construction company and others, and other related matters, is hereby authorized to continue its investigations until Dec. 31, 1949. Said committee shall report its findings, conclusions and recommendations for remedial legislation or other suitable legislative action to both branches during the present session or during any special session of the Legislature prior to said Dec. 31, 1949.

Whether or not Senator McMeekin is planning to call his committee together this autumn to continue its investigation is, of course, no yet known. But if he does, to whom will the committee make its report? The regular session ended in July. The special session probably will be convened next January. The committee's authority ends Dec. 31, with nobody to whom a report can be submitted.

### Fits Is a Salesman

Perley I. Fits of Durham, New Hampshire's affable and energetic commissioner of agriculture, has gone into the real estate business in a big way. He has turned out a 40-page slick-paper booklet slanted at out-of-state people who want

(Continued on Page 10)

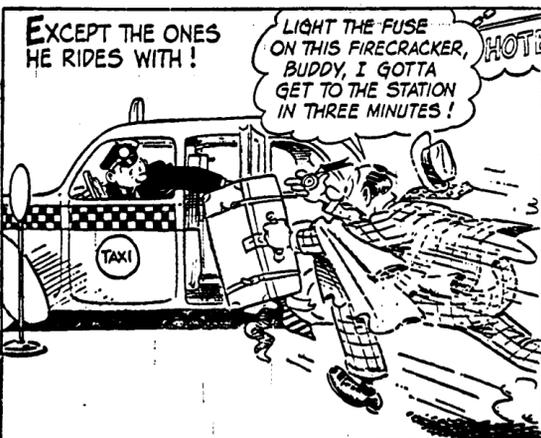

### WHEN THE PAPER DOESN'T COME

My father says the paper he reads ain't put up right; He finds a lot of fault, too. He does, perusing it all night; He says there ain't a single thing in it worth to read. And that it doesn't print the kind of stuff the people need; He tosses it aside and says it's strictly on the bum. But you ought to hear him holler when the paper doesn't come.

He reads about the weddings and snorts like all get out; He reads the social doings with a most derisive snort. He says they make the papers for the women folks alone; He'll read about the parties and he'll fume and fret and groan; He says of information, it doesn't have a crumb. But you ought to hear him holler when the paper doesn't come.

He's the first one to grab it and he reads it plumb clean through, He doesn't miss an item, or a want ad that is true; "He says they don't know what we want, the darn newspaper guys; I'm going to take a day some time and go out and put 'em wise; Sometimes it seems as though they must be deaf blind and dumb" But you ought to hear him holler when the paper doesn't come. The committee for the Community Club, annual Harvest Supper, met at the home of the chairman, Mrs. Hazel Gerbert, on Monday evening to make out the menu and complete the arrangements. Watch this paper for the advertisement next week and plan to attend. There will be baked beans, salads, boiled

dinner, pies and all the other good things that make this annual affair a success.

Archie Cote, Jr., who has been a patient at the Pembroke Sanitarium for several months, is spending some time at the home of his parents in the Manselville District. Sodom Hill has been tarred to make it easier for the school bus to travel up the hill.

## Methodist Ladies Aid Plans Harvest Supper

HILLSBORO, Oct. 6 — The Oc-  
tober meeting of the Ladies Aid  
of the Hillsboro Methodist church  
was held in the upstairs room of  
the church on Monday evening.  
The Clara Circle was in charge of  
the program. Mrs. Bertha Gould  
led the devotional period. During  
the program hour Mrs. Clara Rich-  
ardson showed colored slides.

The Clara Circle reported as  
their project this month a Harvest  
Supper to be served at the Com-  
munity Hall on Saturday evening,  
October 15th. Articles of canned  
goods, farm produce and baked  
goods will make up a variety table,  
proceeds of which will go toward  
the kitchen fund.

The society has just recently  
purchasing folding chairs and tables  
for their room and two electric cof-  
fee urns. They are now in the  
process of purchasing stainless steel  
tableware.

Plans were discussed for a tureen  
supper to be held at the church on  
Friday evening, October 21st, when  
a Woman's Society of Christian  
Service Caravan will visit the so-  
ciety. Mrs. Olive Laundrie is  
chairman of the supper committee,  
assisted by Grace Perry, Arline  
Heath and Edith Phelps.

Mrs. Edith Phelps was appointed  
chairman of serving refreshments  
to the men of the church when  
they are digging in the church  
basement.

November 12th was set as the  
date for the Christmas Sale and  
Supper to be held at the Commu-  
nity Hall. Each of the four circles  
of the society will have tables of  
different articles on sale beginning  
in the afternoon and a baked bean  
supper will be served from 5:30.  
Mrs. Margaret Eaton is chairman of  
the supper.

## Washington

— Mrs. Ruth Otterson  
CORRESPONDENT

Mrs. Minnie Babb spent several  
days visiting friends in East Wash-  
ington last week.

Mr. and Mrs. Tyrus Houston  
and family of Contoocook were  
Sunday visitors at A. H. Barkers.

A surprise birthday party was  
given for Roberta Barker, Sunday  
afternoon, in honor of her 12th  
birthday on Monday. Ice cream,  
cake, fudge, salted peanuts, and  
home made grape punch were serv-  
ed on a pretty candle lighted table.  
Guests were sister and cousin of  
the honor's mother, Eleanor Pro-  
vencher of Concord, and Mr. and  
Mrs. Leo French of Tilton.

Mrs. Frances Crane sent up the  
following interesting bit of news:  
Seventy-five people met at Perley  
Crane's for a "husking bee" last  
Saturday evening. An abundance  
of red ears created plenty of ex-  
citement thus keeping the crowd  
warm in spite of the cool tempera-  
ture. With around two hundred  
bushels of golden ears husked out,  
every one turned to the house  
where, at ten-thirty, hot coffee,  
sandwiches, pickles, doughnuts,  
cheese and cider were served. Then  
to the barn again, where a record  
player furnished music for dancing  
until midnight. Everyone reported  
having a grand time. This fall red  
ears will decorate doors as well as  
furnish center pieces for Thanks-  
giving tables, as each family took

home souvenirs of beautiful red  
ears. Some were present who had  
not been to a "husking" for forty  
years, others were veterans of  
many huskings, while for some it  
was a first experience; but they  
soon learned to enjoy it with the  
rest. Guests were present from  
Massachusetts, Claremont, Antrim,  
Hillsboro, Windsor, and East Wash-  
ington.

Perley Crane has completed fill-  
ing two silos at his farm with  
silage and field corn, and is now  
digging potatoes, Green Mountain  
as well as other varieties to please  
the taste of many of his customers.  
The fall foliage view from the top  
of Bailey Hill where this corn and  
these potatoes have been grown  
is well worth taking a trip to see.  
Mr. and Mrs. A. Stanley Drew  
and twins and Mrs. Harry Newman  
enjoyed a trip to the White Moun-  
tains Sunday. Miss Joyce Bigwood  
also visited the mountains on Sun-  
day.

Mr. Maurice Nichols who has  
been visiting his sister Mrs. Ellena  
Rofle and family recently, left this  
past week end for New Jersey to  
join his wife and son. They will  
leave there shortly for Alexandria,  
Virginia, where Mr. Nichols has a  
teaching position in a high school.  
Mr. and Mrs. John Ball of Con-  
toocook called on friends in town  
on Sunday.

Meat and meat broth spoil easily,  
so they should be kept very cold;  
but they should be used before  
they have stayed in the refrigerator  
too long.

each, and are sufficiently numerous to provide a high percentage of sunlight. Framing will be of heavy timbers. At one end will be the "home team room." This is approximately 23 feet by 17 feet and somewhat larger than the "visiting team room." Both will have adequate benches and locker space. Center area will include shower rooms and units for heating and storage.

All floors throughout the Field House will be of brick laid in sand. Direct lighting will be employed. The building was planned by the Engineering Department of the college. Its entrance will be in the center of the elevation fronting on the field.

Coincident with the announcement of the Field House's construction, already underway, Dr. Cox revealed that Pilgrim Field will be improved through provision of a small grandstand and a fence. It is hoped to have the Field House completed this autumn, or, by the latest, next spring. Representatives of the Student Council are already weighing plans to cooperate with N.E.C.'s athletic authorities for a suitable dedication program.

## SPORTSMEN'S COLUMN

by GEORGE S. PROCTOR

NEW HAMPSHIRE CONSERVATION OFFICER

Phone 104

Wilton, N. H.

If you are interested in the Migratory Bird laws I have a few copies sent to me by the Department of the Interior.

"Collinette" is the kennel name of the Collins collies in the home town. The Collins' have attended several dog shows the past few weeks and have plenty of ribbons to show for it. They have a real dog show at their farm.

Looks like a lot of ruffed grouse for fall hunting. Reports come in from all sides of many broods seen the past few weeks. One man in Temple reports seeing an old grouse and about ten three-quarter grown young ones. The past dry summer was a big help to brooding females.

Saturday morning a federal government fish truck arrived in town and planted 400 four inch small mouth bass in Zephyr lake, Greenfield. These were from the U. S. hatchery at Arcadia, R. I. The truck had 400 for the Hillsboro Fish and Game club for two ponds. Those at Greenfield were from the Wilton Fish and Game club and Douglas Chapman acted as guide for the truck. Fish were in fine condition.

For a small town like Wilton it sent over a hundred real sports to a ball game at Boston one day last week.

I had a birthday last week. They won't let me forget. I was well supplied with gifts, one being two tickets to the Sox game. The Mrs. and I went down. It was her first real league game and she sure enjoyed it. Sure, we stopped off at the home of the daughter at Brookline and had supper. It was a great day.

Even with the bounty on porcupine dropped from 50c to two bits, there is still a racket going on. It's because the selectmen of towns are still paying on a nose when the law says a head. A real smart trapper can make five noses out of one quillpig. Take the elbows and knees and the real nose and that brings him in \$1.25 instead of a lone two bits. Will the selectmen of some towns ever get wise?

The Striped Bass Derby at Martha's Vineyard is still going strong and some wonderful catches have been made. Many over 40 pounds have been taken to date. Derby runs well into October.

Took a little ride over to Abbott Hill the other night and saw many rabbits crossing the road. RFD

carriers report that raccoon and rabbits and pheasants are very plentiful this fall.

Here is an SOS from a party in a nearby town. They have bats not only in their garret but all over the house. They want help. This party says they will go batty if they can't get rid of the bats. Any suggestions?

Last week I had six nice setters to find homes for. Well, I did and since then could have found homes for as many more.

Seems to be quite a demand for long haired kittens. Don't see many around now-a-days.

Many duck hunters are not going to pay the extra dollar this year. So much the better, save a lot of ducks. The duck stamp this year is \$2 and you buy it at the local Post Office.

Fifteen young fellows in Wilton High School have signed up as a rifle club to shoot for medals in the N.R.A. (National Rifleman's Association): Good idea to teach the young fellows to shoot and the proper use of firearms. The Wilton Rifle Association is backing the movement.

Down at the Nashut street home of Arthur Doucette of Milford is a rainbow trout that Arthur caught last summer. The trout is now set up and a fine job by William Burgeson of that town. Went well over four pounds.

George Smith of the Intervale in Wilton reports a number of broods of pheasants near his home this fall. They are very tame and come close to the buildings.

The other day I made a flying visit to Dr. Fessenden, the new "vet" located in Milford. He has a swell layout.

Speaking of cats. George White of Milford tells me he has a cat that last week had her 92nd kitten and still is going strong.

If you did not see the exhibit of guns at the hardware store in Peterboro last week you sure missed something. Mr. Dee of the Winchester Arms Co., sure put on a fine show. He had guns and more guns and he had the story to tell you about these guns. I thought I could stock him by asking about .22 shells loaded with mustard seed. He had them there.

A man from Greenville tells me the other day that he saw what he thought was the black rabbits crossing the road. RFD

## N.E.C. Soccer Team Loses Opener to Keene Teachers; Play R.P.I. Saturday

HENNIKER, Oct. 6 — Keene Teachers' College spoiled the debut of Coach Doug Mann's NEC soccer team 3 to 1 before 300 fans at Pilgrim Field here Saturday afternoon.

The game was hard fought and closely contested all the way through. NEC was first to score. St. Germain, right inside for the Hennikerites booted in a rebound from in front of the cage.

The lead was short lived, however, as Tafferridre, center forward of the visitors kicked one in from the side of the cage about a minute before the end of the first quarter.

Scoreless Second Period The teams battled furiously in the second quarter, but neither scored and the teams left the field with the score tied 1 to 1.

Keene got the jump midway through the third quarter on a beautiful pass play from Sorger to Eaton with the latter booting it home.

The fourth and final quarter was the most hectic of all. New England put the pressure on and made things hot for goalie LeClair of the visitors. Les Vozzola left wing for NEC led the onslaught but it was to no avail. Finally, in the waning minutes of the game, Hyde, left inside of the visitors, scored from a scramble in front of the net to sew it up. Hyde was injured on the play and had to be carried off. Lafferrandre, Salvail and Courchene stood out for the victors while Duggan, R. Nelson and Vozzola played well for the home forces.

Sophs Beat Freshmen The game was the climax and feature attraction of the annual (opening of school) Field Day between the freshmen and sophomores. The Sophs emerged the victor by the score of 28 to 12. Outstanding performers in the events were Ed Casey and Bob Lenino of the Sophs and Dick

### Seymour Leads Hillsboro High Harriers to Victory

HILLSBORO, Oct. 6 — Allan Seymour lead Hillsboro High to an exciting cross country victory over Pembroke High Tuesday afternoon at Pembroke.

This was the first meet on Pembroke's new 2.2 mile course, Seymour setting the course time for 11 minutes and 53 seconds.

Geat team wok was displayed by Carroll Warren, William Kulbacki, Laurence Duggan and Ronald Teixeira, who finished second, sixth, seventh and twelfth for a score of 28-29.

Jones of the Frosh.

A vote of praise should go to Professor Selby, Field Day chairman and to Jack O'Rourke and Ann Ranger, class presidents of the sophomores and freshmen respectively. All three labored arduously to make the day a success.

This Saturday the team plays the R.P.I. freshmen at Pilgrim Field.

### Fiftieth Wedding Anniversary Mr. and Mrs. Rufus T. Morrison

HENNIKER, Oct. 6 — September 27th marked the fiftieth wedding anniversary of Mr. and Mrs. Rufus T. Morrison. Due to the illness of Mrs. Morrison the occasion was observed quietly by the immediate family circle. Dinner was served at home and concluded by cutting the traditional wedding cake. Many cards, gifts, flowers and cakes were received along with congratulations and best wishes from their many friends which were greatly appreciated and enjoyed.

tiful, for something happened. I guess the dam broke leaving only a mud spot, which in time became dry, hard ground. However, last week the work of its restoration was finished. All the mud, stones, and other debris were scooped out, the dam rebuilt, the side walls made firm, and the water started to come in. It should be as lovely as ever after a few good rains.

### Hillsboro Grange

At the regular meeting of Hillsboro grange, No. 342, held Wednesday, September 28, Presiding Masters' Night was observed.

The Master of Union Pomona, Lester Clark, filled the station of Master with masters from Bennington grange, Derryfield grange, Batchelder grange and Lovell grange filling other stations.

The program was presented by the visiting granges. Song by all, America; original poem, Herbert Coombs of Derryfield grange; reading, The Sailor Man, Master of Bennington grange; piano solos, Helen Morse of Derryfield grange; reading, Full Time, Doris Tucker of Lovell grange; presentation of Silver Star Certificates to Ida and Jay Kincaid by Master Lester Clark; vocal duet, Whispering Hope, ladies of Purlingbeck grange; song, God Bless America by the grange. There were 63 present.

A rehearsal for the officers for the fourth degree will be held Monday, October 10.

Members of the Ladies' Degree team of Purlingbeck grange will confer the third degree at the next meeting October 12, Hillsboro grange, with the regular officers conferring the fourth degree for Deputy Inspection.

Don't forget the play "Laff It Off" to be presented on Thursday and Friday, October 6 and 7. Get behind the grange and help to make it a success.

### Luncheon

Mrs. John B. Tasker entertained the retiring officers of the Fortnightly Club at luncheon, last Thursday. The group presented the retiring president, Mrs. Helen Kiest, with a very acceptable gift.

### Welcome Party

On Tuesday evening, September 27, a happy party was given by Mary Lougee at her home in honor of Mrs. Josephine Lougee, who spent last week with her son and family.

A group of her friends gathered and a most enjoyable evening was spent. Delicious cake and coffee was served by the hostess.

The company wished Mrs. Lougee a happy year and hope to see her

soon again.

Mr. and Mrs. Ernest Pierce are visiting their daughter in Duluth, Minnesota.

Miss Rose Mary Bridgen of Middletown, Conn., and Mrs. Blanche Coe from Durham, Conn., were week end guests of Mrs. Ernest Marcy. The three ladies with Mrs. James Leach and Mrs. Albert Kern enjoyed a trip to Maine and home by the beaches on Saturday.

Miss Gertrude Janowsky and Miss Ethel Farley, of Melrose, Mass., were home over the week end. Miss Farley's brother and wife were her guests and attended the Bird Club supper.

Donald Grund of Hartford, Conn., spent the week end at home before being transferred to Old Lyme. He is employed by the Davy Tree Experts.

William Robinson of Melrose, Mass., and Mr. Williams, his neighbor across the street, called on Frank Sunday morning while their wives visited Mr. Williams' daughter in Henniker.

Richard Baldwin "took a header" while riding his bike up Church street last Saturday, resulting in a broken collar bone and a collection of bruises. He is taking the inconvenience like a man, better than some, and uses his left hand as if he were ambidextrous. He missed no time in school.

Fred Carter of Manchester, grandson of Mr. and Mrs. Fred Carter, is enrolled as a freshman at the University of New Hampshire this year.

Mrs. Inez Cole and Miss Rosamond Cole of Meriden, Conn., were in town to attend the commitment services of the former's granddaughter, Miss Joan Radford of Newport, on Saturday.

Roger Connor, Harry McClintock, Robert Boardman, and Dr. Harrison Baldwin attended the annual meeting of the Model Railroad Association in Woburn, Mass., on Sunday. About 35 members were present.

Quite a number of Hillsboro grangers attended the 75th anniversary of Henniker grange, last Thursday evening. One of the degree teams exemplified the degree in the old style wearing the old fashioned costumes. Two or three other granges were visited during the week by different grangers.

Mr. and Mrs. Raymond Bennett enjoyed a trip to the Sunapee Mountain chair lift Sunday.

The autumn foliage is now very beautiful but will probably reach its peak of loveliness by next Sunday.

**GRADE ONE**  
Mrs. Gilchrist and Mrs. Johnson visited our room this week. Donna Bennett is still absent. The second grade invited us in their room to see a dramatization of "The Three Bears." The Bluebirds and Butterflies read a story about "Tim," the baby's favorite pet. Susan says, "We like school." Thirteen children had gold stars on the papers with the picture of the camel carrying colored balloons.

**GRADE TWO**  
We have learned two poems, "The Swing," by Robert Louis Stevenson and "There Was Once a Puffin," by Florence Page Jaques. Mary Duval, Susan Leedham, Jane Gilchrist, Anita Yeaton, James Bernard and William Gunn showed us some pictures they colored real well. We dramatized the story of "The Three Bears."

**GRADE THREE**  
We have decorated our room with a border of fall vegetables on our black board. This week several members of our class who take piano lessons entertained us with selections from their lessons. They were David Buttrick, Richard Baldwin, Geraldine Ellsworth and George Furrow. The following pupils had 100 per cent in this week's spelling test: Jacqueline, Maxine, Patty Johnson, Carl Nickerson, Marguerite Nelson, Geraldine Ellsworth, Jean Holdner, David Buttrick and Nancy Shopes. —P. A. Reed

**GRADE FOUR**  
We have been making road maps. By looking at these maps we can find our way to each others houses. Thursday the girls and boys played softball at Grimes Field. Joan Feeny, Roberta Poluchov, and Catherine Teixeira have made a border for the black board. We have some nice plants which we think make our room look more home-like. We are making a seed chart. —June Beaupre

**GRADE FIVE**  
We are studying the reasons for change of season is science and find it very interesting. The pupils surprised Mrs. Gile by giving her a birthday party on Friday afternoon. It was a real surprise and it was a very capable planned surprise. Those getting 100 per cent in spelling for the week ending Sept. 30 are: Vivian Drouin, David Sterling, Patricia Yeaton and Teresa Dumais. —Teresa Dumais

**GRADE SIX**  
Our new people for cafeteria duty are: Hank Woods, Bruce Jordan, Kay Johnson and Maxine Teixeira. The new traffic officers are: Captain, Merritt Peasley, with assistants Catherine Monagle, Jude Bernard, Judy Gove and Robert Bennett. We have some lovely new Science books in our grade called "Discovering Our World." We think they are well named because we are discovering so many new things in them. We are planning a "Dr. I. Q. Show," as a review of Mexico. The boys played baseball and the girls softball at the ballgrounds this week. We saw a very interesting film-strip on Mexico when the High School loaned us their projector.

**Lower Village School**

There are twenty-seven pupils enrolled in our school this year. Donna Cutter, Robert Davison, James Carmichael and Raymond Houghton are the first grade children. Constance Flanders, a new sixth grade pupil contributed much to the school. Those who have had a perfect attendance record for September are: Shirley Duefield, Stanley Champney, William Cate, Doreen Duefield, Jeremiah Murphy, Ronald Houghton, Florida Cate, Charlotte Cutter, Floyd Murphy, William Duefield, Bonita Young, Jennie Nazer, Donna Cutter, Stuart Martin, Robert Davison, James Carmichael, Raymond Houghton, Evelyn Nazer, Doreen Young, Rose Cate and Frank Cate.

(Continued from Page 5)

to buy a farm and get away from big-city life. It's a handsome job of typography and salesmanship, prepared jointly by Fitts' department and the State Planning and Development commission.

Crammed into capsule form is pertinent data on the leading crops, rural advantages and available assistants to the new farmer. There are photographs of activity on typical poultry farms, fine dairy farms, apple orchards, potato farms and truck gardens.

Here are some statistics presented by Commissioner Fitts: 1,512 miles of rural trunk line highways serve 191 of the state's 235 cities and towns; More than 70 percent of the state's 23,000 farms are on surfaced highways; 75 percent of the 54,000 year-round rural homes are on hard-surfaced roads; State Police maintain 24-hour duty in rural areas, with 54 cruisers; the state has 846 public elementary and secondary schools, 18 of them with vocational agriculture departments; there are 107 banks, 24 home-office insurance companies, 245 libraries, and 32 general hospitals.

The state had more than 900 doctors, 300 of them practicing in towns with less than 5,000 population. Health services include 11 diagnostic cancer clinics, seven orthopedic clinics, three neurological clinics, four immunization clinics and one state-wide mobile tuberculosis clinic in regular operation. More than 90 percent of the state's rural homes have electricity.

Mr. Fitts' role as supersalesman for N. H. farms includes his offer of "farms for sale" listings to potential buyers, and the advisory services of 10 county farm agents.

About New Hampshire

Liquor prices bounced upwards in the Granite State last week, but the increase averaged only 10 cents a bottle. The state Liquor commission posted its new catalog as the 38th price list issued in the 15 years of legal liquor sales in New Hampshire. The price boost just imposed will produce an estimated \$500,000 in new revenue for the state treasury.

Here are some new state regulations affecting motorists: television sets are banned in the front seats of automobiles; veteran amputees get free licenses, registration plates and space at parking meters; hand signals are required whenever a turn is to be made on the highway; you can drive five miles an hour faster than before, have two spotlights on the front of your car. One tip - don't drink enough liquor to show up in a chemical analysis of your blood. Blood tests are legal evidence of drunken driving now.

The state treasury is holding \$75,413.80 belonging to horse race betters who failed to cash their tickets at the track during the past three years. Every year, about \$25,000 worth of tickets that win are not returned. After three years, this goes to the state.

New Hampshire is getting its share of the worst infantile paralysis epidemic in history. Care for the victims is spectacularly expensive, and cash is running low. The Polio Epidemic Emergency drive is now going on in your home town. Please give a buck.

a way to end wrinkles in cotton and rayon. There's a fortune for the man that can do the same for old faces.

A woman stopped her car and asked Mike Clancy if she was half way to Concord? I can tell you better, said Mike, if you'll tell me where you started from.

Little Frankie Snell asked old lady Blue, who made her teeth? "My Creator," she told him. "My ma's look better than yours," said Frankie, "and Doc Baldwin made hers."

There are so many different kinds of "Queens" that I think it would be a good time to tell when, and where the "Queen" idea originated.

I've often wondered, now I know At least I think I do; What makes our "Adam's Apple" show When we eat and chew.

They say 'twas handed down to us Man centuries ago; To prove that Adam was our dad, and let the women know.

Adam's throat was smooth like Eve's, When at first they met; Beauty contests-she had in mind, A wise old girl you bet.

She wanted to be an "Apple Queen" But Adam wouldn't vote: What did she do? Perhaps you've guessed, She rammed one down his throat.

Poor Adam couldn't swallow it, I bet his throat was sore; As it slowly wasted away And all was left was core.

And that's the way we are today, That core is in our throat; With "Queen" contests of any kind, Be careful how you vote.
