Mr. John C. N. Parker

The Hillsboro friends of Mr. John Parker were grieved to hear of his sudden death on Tuesday, March 21, at his home in Woburn, Mass. He had attended a Rotary Club luncheon and a short time after he returned home he had a heart attack and passed away. About ten years ago Mr. Parker bought the old Sturtevant place beyond the Center and with his wife lived there every summer since. He has made the old farm home most attractive with its big trees and beautiful flowers everywhere. Mr. Parker was a kindly, friendly man and found a real place for himself in Hillsboro, especially in the Center Community. He attended church there and was interested in all Center Club affairs. He will be greatly missed by his Center friends who had learned to know and respect him. He is survived by his wife, a son, Curtis, and a daughter, Mrs. Charles Butts, and several grandchildren.

Hillsboro Grange

The regular meeting of Hillsboro grange, 342, was held last Wednesday evening with Worthy Master, Amos Harrington, presiding. After the business meeting the following literary program was given: Song, "Wearing of the Green," by the grange; reading, "The Birth of St. Patrick," Iene Parker; story of an Irishman, Celia Marcotte; vocal solo, "Peggy O'Neil," Fern McNeal; original poem, "Awakening," written by Ellen McClintock; piano solo by Sister Daniels and song, "The Quilting Party," by the grange. The next meeting April 12, will feature the required discussion, "Should State Aid for Education be Increased?"

Fans

Probably even now June girl graduates from High school and college are making plans for their graduation outfits. However there is one article they will not have to buy and that is a fan. When I graduated a fan was considered a necessary accessory for any "dress up" occasion. My high school fan was made of some dainty, gauzy material not of much real use. Sometime after graduation I carried it to one of those "balls" we used to have. When about to dance with Walter he grabbed my fan and thrust it unceremoniously into his pocket. The next time I saw it, it was a much delapidated fan but he gave me a more substantial one. He had probably snatched it from another girl under like circumstances. My normal school graduation fan was much smaller but

Gay Nineties Models and Atomic Age Beauties Please Fashion Show Audience

The fashion parade of 1950 sponsored by the Fortnightly club in cooperation with Hillsboro merchants proved to be a financial and artistic success for this young ladies group. Much of the success of the show is due Mrs. Gloria Hines shown above with John B. Tasker dressed like his father when the first Mr. John Tasker was in business. Mrs. Hines did much of the promotion work for the club and

with Mr. Tasker announced the models. Models at the show were from Boardman's, Mrs. Casey's, Anna Bruce Crosby, Eaton Furniture Company, Elite Beauty Salon, Feldblum's, Laundrie's, Maxine's, The Service Shop, Tasker's, and from the Renwit Shop. Other participating merchants were Baker's Pharmacy, The P. X., Florence McClintock, Van, The Florist, Windy Hill Flower Shop, and the Hillsboro Laundry.

What's a fashion show with-out bathing beauties? Take a good look readers and you'll see what the 1950 teen ager will be wearing come a few more days of warm weather. Littlefield, Merline Dyer, Shirley Poland, and Marilyn Wescott. The suits were from W. E. Richmond, and Marilyn Wescott. The suits were from W. E. Richmond, and Marilyn Wescott. Lower Village

Mrs. Dorothy C. Orser
CORRESPONDENT

The Ladies Aid of the Lower Vil-
lage again are grateful to neigh-
bors and friends for donations sent
in for the Nazer family who lost
their home last Monday night a
week ago. All that remains is the
cellar hole and chimney. Mr. James
Veino opened his camp for them
and when the family entered it a
very fine donation of groceries had
arrived to greet them. When you
have lost all you have in the world
these friendly acts of assistance
mean more than words can ex-
press. The Lower Village Em-
ergency Station has certainly filled
a need this winter. It can be-
come a great power for good in the
town. Everyone can give articles
they no longer need, then when
an emergency arises things are
ready to help in whatever way
needed. The women have made,
mended and washed clothing. Miss
Lizzie Dowlin gave another quilt
which will be tacked on Thursday
for the Nazer family. Mrs. Fred
Gibson, while a shut-in, is able to
do her part, she made a dress out
of an old one, mended and fixed
many articles, then put a sewing
box together for Mrs. Nazer. No
matter how much one has, fire can
very quickly destroy it all. As
spring house cleaning time comes
near, think of this Hillsboro Em-
ergency Station.

Work will start very soon to re-
decorate the interior of the Chapel.
This has been needed for a long
time — as near as can be learned
it has only been done twice in the
life of the Chapel, which began in
1866.

The Ladies Aid met at the Chapel
last Wednesday in an all day ses-
sion to learn to cane seat chairs.
Mrs. Lester Chapman taught the
class assisted by Mrs. Grace Stev-
ens from the Upper Village. Fine
chairs were worked on. Those that
were not finished were left to be
finished this Thursday when the
members will meet again to tack a
quilt. Mrs. Millward and Miss Ash-
ford of Hillsboro were guest work-
ers with the ladies on Wednesday.
This was a Home Extension pro-
ject. This Friday leaders will go to
a training class to learn to put in
blind hems and zippers, then they
will teach others how to do it. Next
week we can report on who went.

The Fred and Paul Snack Bar
opened for business in the Red &
White Store last Saturday. Coffee,
snacks and frappes will be served.
A very attractive counter has been
set up. If you are hungry drop in
for a snack.

Mrs. Vette Leadham and Mrs.
Dorothy C. Orser were models for
Anna Bruce Crosby at the Fashion
Parade last Thursday evening at
Hillsboro High School.

Mrs. Fred Gibson entertained
members of her family on Thurs-
day, it being her birthday, March
23rd.

Mrs. Fisher, teacher at the Lower
Village School was away last week.
Mrs. Grace Crane taught three days
and Mrs. Elsie Fletcher two days.

Mrs. Marie H. Wells
CORRESPONDENT

The Homemakers held an all-day meeting last Thursday at the home of Mrs. Marguerite Dutton, with Miss Myrtis Beecher, home demonstration agent of Milford, present. There was a fair attendance in spite of the storm. Miss Beecher's subject was "Stop, think and live longer," and was very interesting. The ladies checked their charts and the household kit will be tried by Mrs. Donald Baker of Hillsboro, and later a meeting will be held at her home to discuss the merits of the kit. The ladies brought their lunch and coffee was served at noon by the hostess and at the afternoon meeting those present scored themselves. Questions were answered by Miss Beecher and a social time was enjoyed. The next regular meeting will be held at the home of Mrs. William P. Wood, Thursday, April 6, when Mrs. Sawyer of Weare will again be present to help the members finish their dresses. Don't forget your lunch, as it will be an all-day meeting.

Mrs. Marjorie A. Heath attended the University of Michigan alumni meeting at Millville Inn, St. Paul's School, Concord, last Friday evening.

Mrs. Harold G. Wells and Miss Angie Marcy of Hillsboro were dinner guests of Mr. and Mrs. Edgar J. Liberty and family at Milford last Wednesday to help their daughter, Miss Aann Marie, celebrate her fourteenth birthday. Mrs. Wells visited the Grammar School in the afternoon, where her granddaughter, Jane, is a pupil.

Mrs. C. Harold Taylor was confined to her home on the Frances-town road several days last week by illness.

Mrs. John Preston of East Jaffrey has been visiting her son-in-law and daughter, Mr. and Mrs. G. Edward Willgeroth, at their home, Mountain View Farm.

Mrs. Roscoe Putnam was hostess for a plastic party at her home on Clement Hill, last Wednesday evening. Mrs. Edith Wisell of Antrim was the demonstrator. Those from out of town who attended were, Mrs. John Pearson, Mrs. Blanche Durgin, Mrs. Leon Bumford, Mrs. Glendon Crane, Mrs. John Will, and Mrs. Carlton Flanders of Hillsboro. Dainty refreshments were served by the hostess after the demonstration.

Mrs. William P. Wood, Mrs. Albert Gerbert and Mrs. Benson W. Davis attended the grange meeting at Sunapee last week.

Mr. and Mrs. Elmer Locke of Melrose, Mass., former residents of this town, who have just returned from a vacation at St. Petersburg, Florida, visited his sister, Mrs. William P. Wood, on Sunday.

Mr. and Mrs. Archie Cote and Hubert Gater were in Concord one day last week.

Mrs. Archie Cote is visiting her daughter, Miss Beatrice Cote, at Lebanon.

Mrs. Reginald Cleveland has returned to her home, Twin Elm Farm, from the Monadnock Community hospital at Peterboro, where she underwent an operation last week. Her sister from Manchester is staying with her for a while.

Mr. and Mrs. Hubert Gater gave a birthday party for their son, John, at the home of his grandparents in the Manselville District last Thursday, it being his second birthday. Those who attended were his cousins, Misses Jacqueline and Bibian Druin, and Anita Yeaton and William Yeaton of Hillsboro, and Miss Patricia Cote. Games were enjoyed and refreshments were served.

Congratulations are extended to Mrs. Mary Fisher who celebrated her 87th birthday at her home at the Center on Monday.

FRED PERRAULT WEDS NELLIE M. DODGE

BENNINGTON, Mar. 31 — On Saturday morning at 9:30 a.m., Nellie Margaret Dodge, daughter of Mrs. Alfred Chase, was united in marriage to Fred Perrault at the home of Rev. Harrison Packard of Antrim. The bride was dressed in a gray suit, top coat and hat and her flowers were a corsage of white sweet peas and carnations. Miss Inez Dodge was the bridesmaid and was dressed in blue, with a corsage of red roses.

Warren Perry, of Hancock was best man. After the wedding there was a reception and dinner at Riverside Inn attended by the immediate families and a few close friends. Following a short wedding trip the couple will reside in Antrim.

Among those present from out of town were William and Lewis Perrault from Athol, Mass., brothers of the groom.

Mrs. Perrault spent her childhood in Nashua as her father, the late Gordon Dodge, worked there. Later Mrs. Dodge, then widowed, brought her girls back to Bennington. After some years Mrs. Dodge married Alfred Chase. All the family reside at the old Taylor place; Margaret is employed at the Goodell Co., as is her sister, Inez. Margaret is well liked by all who know her and the entire town wish her all happiness.

Mr. Perrault is employed by the Monadnock Paper Mills.

Mr. and Mrs. Francis J. Rigney have returned to their home, The Eagle's Nest, after spending several months in New York and California.

Mrs. Albert Gerbert and Mrs. William P. Wood attended the 75th anniversary meeting of Wyoming grange at South Weare last Friday evening.

Mr. and Mrs. Harry J. Putnam and two children, Priscilla and James, spent Sunday with relatives in Wilton.

The selectmen, Carroll E. Greene, Gordon Rich and Arthur O. Ellsworth will begin taking the inventory this week.

Mrs. H. Lothrop Herrick and daughter, Miss Margaret Herrick, visited her nephew, Sgt. George Charnock, and his German bride, who have just arrived at Concord for his furlough. Sgt. Charnock was a former resident of this town and a pupil at the Manselville School, before it was moved to West Deering.

Thomas Carew is employed at the welfare department at Concord. Mrs. Carroll E. Greene has been appointed the census taker.

\$17.60 has been received for Easter Seals with just two weeks left to send in contributions. Please don't forget this worthy cause and help Deering go over the top again.

The funeral of Harry L. Robertson was held Wednesday afternoon at 2 o'clock at the funeral home of H. L. Holmes and Son with Rev. Robert Lewis officiating. Bearers were Charles Bartlett, Norman Hoffman, Horace Stanley and Frank Wunderlich. Burial was in the family lot in the new cemetery.

LISABEL GAY'S COLUMN
(Continued From Page 1)

much more efficacious. When in normal school I had two group pictures of the students and faculty. I cut out of these pictures a few full figures and many heads, a few arms and hands and feet. I pasted them on a dark red folding fan which was very interesting and useful. In the 90's everybody carried fans of one kind or another, the most magnificent fan was one made of long ostrich plumes which I think every girl would like to have owned. Fans of that type would make a coquette of any girl if she had the slightest idea of flirtation. The most substantial fans were the big palm leaf fans. We used to have them in the Methodist church in the Center and I can still see aunt Naomi waving one to and fro. In fact one had to be careful or she would blow herself away. There were also Japanese fans made of flat which I used to amuse myself studying at the Center church. They were used for advertising also. As time went on everybody seemed to advertise by the use of fans, just the round flat kind with a handle, sometimes just made of cardboard. There were at the same time folding fans of all kinds of materials that were pretty and cheap and useful. Many women must have tired themselves out by wielding a fan on a hot day. I don't know just when they went out of style but I guess nobody carries fans now-a-days. Perhaps they went out when electric fans came in.

Mr. and Mrs. J. F. Kincaid, Mr. and Mrs. George Gould, Warren Crosby and Frank Gay attended the 75th anniversary of Wyoming grange in Weare last Thursday.

Frank reports a very fine turkey supper, an interesting meeting and the privilege of meeting Mr. Hall from Langdon who was celebrating his 100th anniversary on that day. Mr. Hall said in his remarks that he had four brothers, but never had a sister until he joined the grange.

Mrs. Fred Gile and her fifth grade with eight pupils from the sixth grade entertained the people at the Odd Fellows Home, Concord, on Saturday afternoon. Their minstrel show and several extra songs were enjoyed by their audience.

On Sunday I heard the crows for the first time. They held some kind of "cawcuss" down in the field. It was a beautiful sun shiny morning and the sap was running at 9:00 o'clock and probably before and after. Such a day must have pleased the sugar makers and they will need quite a series of such days if their season is to be a profitable one.

Mr. and Mrs. Graham Murray of Acton, Mass., were in Hillsboro on Sunday and called on Frank and Walter. They used to be frequent visitors at Mrs. Carrie Hunt's camp at Loon lake.

Miss Gladys Lightfoot of Long Lane School, Middletown, Conn., was our weekend guest. On Sunday afternoon, Frank, Walter, Ethel, and guest and Alvah Hilliard motored up to see the ski tow at Sunapee Mountain. They were told it was the best skiing that day of the season. On the way home they stopped at the opening day of the new Windy Hill Florist Shop on the Henniker road. I have two of the beautiful roses that were given to all who registered.

Mrs. Eva Wing of Concord was the guest of Mrs. Joanne Taylor last weekend and called on me. She was my nurse several years ago.

Miss Melita Whitcomb has been elected representative of the Sophomore class to the Student Government of the Mary Washington College, Fredricksburg, Virginia.

Mr. and Mrs. William Hannah and daughter of Natick, Mass., were Sunday guests of Mr. and Mrs. W. E. Ellinwood.

Mr. and Mrs. John Tasker and son, Edward, were in Boston on business on Tuesday.

Mrs. Walter Maynard, Regent, Mrs. Grace Perry, Past Regent, and Mrs. Mildred Wallace, Secretary of Eunice Baldwin Chapter, DAR, were in Manchester, Tuesday and Wednesday to attend the State Convention of the DAR. There were twenty-five members of the Junior Choir sang at the service of the Smith Memorial church last Sunday morning. They sang well too.

Mrs. Herbert Bond of Everett, Mass., brought three of her friends with her for the weekend, Gertrude Lynde of Boston, Frances Sainato of Somerville and Vivienne Rose of Vancouver, British Columbia. They wanted to see how maple sugar is made and so visited Concord End.

Mrs. Julia Sleeper fell and sprained her ankle as she was about to enter a car at the high school on Thursday night. Mrs. Otis Bailey also fell in about the same place. Perhaps more light is needed in such a busy spot. Ralph Sleeper of Boston came up on Monday for two hours to visit his mother as she was not able to go to Boston to see him. On Thursday he is starting on a trip to France and Italy.

Leon Nelson at last has the chicken pox, perhaps he is the last victim of the disease in his neighborhood.

Mrs. Raymond Harrington returned from the Margaret Pillsbury hospital on Saturday and is fast improving in health.

Upper Village Workshop Plans for Benefit Minstrel Show

A workshop has been started in the Upper Village where school pupils, their parents and people of the neighborhood are meeting to work out a program for a Minstrel Show to be given at Fuller Hall, April 28, for the benefit of the school; the hot lunch project and the school picnic held at the end of the year.

A little while ago the young mothers in the Upper Village formed the Mother's Club. They have been serving something hot to the children each noon.

Last Friday night under the direction of Mr. Kenneth Jewett, children, parents and neighbors from little tots to grandparents met at the schoolhouse to start work on this Minstrel project. The program, when worked out, will provide a very fine evening entertainment, raise the needed money and best of all give the neighborhood something to do together. There is work for all in this workshop. It should be called "Fun Shop," because everyone had a wonderful time last Friday night. The Mother's Club served coffee and cookies. Next Friday evening the older groups will meet and work out their parts, during the week Mrs. Fullam, the teacher at the Upper Village School, will work with the children. More communities should do this.

swing this week and again the steam is pouring out of the sugar houses which are deserted except during the sugaring season. This seems like an appropriate time to tell you how Mr. and Mrs. Carol Farnsworth converted one of these rural sugar houses into a very cozy little home.

The sugar house was originally built by Gardner Millen in the 1800's. And it was built upon a firm foundation of solid stones, 6 feet deep. The Farnsworths started working on it in the fall of 1947 after they sold their farm close by to Harold E. Hunt. They shingled the roof first, and moved in March 26, 1948 and lived in one room. Gradually they made more space liveable, but it took many hours of hard work. All those stones were removed from the foundation and cemented in the walls of the cellar. A beautiful fireplace has been built where the original arch for cooking the sap was. Original planks remain on the floor, having been sanded down and oiled. Also the original bucket room was left just as it was and the cellar and attic

stairways open from this. Near the center of the living room stands a post which was used in the apparatus for swinging pans off the arch. At first the Farnsworths were puzzled as to how they were going to place a round oak table around this post which was needed to support the room. This problem was cleverly solved by taking a portion out of the center of the table and enclosing it around the post, thus centering the table and making it hard to bump into the post!

The living room has been papered and painted with the exception of a portion of a couple beams where names and dates of visitors to the sugar house were written, also dates when boiling syrup began. Two of these dates were April 3, 1879 commenced to boil, March 21, 1898 commenced to boil. Many of the names are almost invisible but those I could easily read were Jennie E. Millen, 1881 (now Mrs. Jennie Otterson and was daughter of Gardner Millen), Ruth Safford April Fool's Day, 1897, H. E. Young, Edwin S. Wood, Tim D. Wood and Mary D. Wood.

They have a nice view of Lovell Mountain through the trees, and also get a birdseye view of sugaring operations carried on by their next door neighbors, the Hunts.

It's a remodel like you see pictured in the magazines in reality.

There were 10 people out to the chair caning and stenciling class a week ago Tuesday night. All who attend are having a good time and are learning something worthwhile. Anyone wishing to attend these classes now may do so by paying a very reasonable fee. They are held in the school room every other Tuesday night around 7:30 o'clock. The next meeting will be April 4th.

SPORTSMEN'S COLUMN

by GEORGE S. PROCTOR
NEW HAMPSHIRE CONSERVATION OFFICER
Phone 104 Wilton, N. H.

Here is a letter from Rudolf A. Messerell of Edgewood Farm, North Andover, Mass. I guess he wins the banner for the most sunflower seeds fed out to the wild birds this year. Over 200 pounds of sunflower seeds besides 100 pounds of small wild bird seeds. His list of birds that he is feeding is as long as your arm. His average a day is 65 grosbeaks, and do they like the sunflower seeds.

The state of Maine has just liberated half a million Atlantic and silver salmon in the coastal rivers of that state.

It's time to stock the rivers and larger brooks in this state. In southern N.H. most of the rivers and large brooks are now open.

You trappers will be interested in the free publication of Frank G. Ashbrook on the wild fur catch of last year. Write to Fish and Wildlife Service for your copy, Department of the Interior, the national capital.

Have a nice long letter from Alan L. Mitchal, a former biologist of Gettysburg College in Pennsylvania. This letter was an answer to my question about large bullfrogs. He says that last year an examination of 210 big frog stomachs found a few empty but most of them had fish, one crayfish, a mouse, other kinds fish. He says that a female will lay 5000 eggs but only about 12 of these ever grow into frogs. They have too many enemies. I never knew that frogs would eat fish small turtles and a small bird if they can catch one.

The Peterboro Sportsmen's club held their regular meeting at the lower town hall Tuesday night last. A movie was entitled "Want More Ducks" was shown. There were refreshments.

The Greenfield Sportsmen's club held its regular meeting last Thursday night with a full house. Federal movies were shown by Roland Mitchell, superintendent of the hatchery at Nashua. State Biologist Seigler of the Fish and Game Department was one of the speakers.

The National Wildlife Federation has sent out its wildlife stamps. These sheets cost a lone buck and the money is used for the protection of waterfowl. If you did not get yours, send a buck to National Wildlife Federation, 3308 14th St., N. W., Washington 10 D. C. You will be doing your bit for the waterfowl.

The past week I have been flooded with post cards and letters asking information about the catching of the snapping turtles. They were from ten different states, showing some interest in catching these big pests. Two months ago an article appeared in Hunting and Fishing, a sporting magazine published in Boston. This magazine must have very large circulation.

Mrs. William a Conroy of Milford writes that her cat brought in a baby owl. As owls are born in February and they don't leave the nest till along in April. I guess this must have been a small screech owl. It's a wonder that the cat had the nerve to tackle even a small owl.

Speaking of small owls, several years ago a man in Exeter sent me three baby horned owls. They were in a pen next to my fan tails. One night a cat, thinking it was entering the pigeon's pen, made the fatal mistake and got in with the small owls. The next morning all I found was the head and part of the cat's tail. A sad ending for the pussy.

Just a tip to the drivers of the fire trucks when going to a fire and passing a large poultry plant, ease up on the siren as that shrill noise scares young chickens and hundreds of them smother to death. This has happened within a week in a nearby town.

All winter all I have fed at my feeding station are a few bluejays, evening grosbeaks and chickadees. But one day this week I had a large flock of sparrows and a few downy woodpeckers show up on the suet in the tree. Since then I have had

a lot of birds. Even the nuthatches have shown up. Where were they all winter?

Many letters the past week asking how the Mrs. was getting along. Thanks for the letters. She is able to be out again and is getting along fine.

The Nashua Fish and Game association is to receive a consignment of small mouth bass for their pond. They will also stock some big trout in the pond. The members will have a lot of fun at the pond this spring. The turtle men from East Rindge are to set a bunch of traps in the pond to save the trout and bass.

R. H. White, William Raymond and Charles Baldwin all of east Rindge are to go to Killingly, Conn., and purchase 50 more new turtle traps and this summer will try to catch a lot more of the big sapping turtles in New Hampshire and also over the line in Massachusetts. Last year they caught 95 a few weeks in the town of Rindge.

Last week I had a call from John B. Blackwood, Administrator of state parks, and Lee Taylor, Superintendent of state parks and state recreation. They are interested in getting a few wild animals that are native of N.H., for the new park near Conway. They would like fox, raccoons, squirrels, hawks and owls. If you have anything in that line tell them about it. This is not to be a zoo, but a few animals and birds to attract people to the new park, and a few ducks for the nearby pond.

This is Wildlife Week and will be observed in the schools and churches and by the fish and game clubs.

You trappers will be interested in the market report on furs issued by Joseph Ullman, 252 West 28th st., New York City. It's your business. Get a copy.

Sister Oliva of the Carne hospital, South Boston, Mass., tells us that she has received a lot of nice cards for the children to make scrapbooks of. Send direct to her if you have many of them. I also add my thanks to you for them.

I am interested in a book on ginseng. Can any of my readers recommend a good book on this subject?

Never take a rabbit or hare up by the ears. It will cause all sorts of trouble. Never pick up a small puppy by the legs. Reach under the body and pick it up. In picking up an adult cat, take a firm hold of the loose skin on the neck. Then it will curl up its legs and you don't get bitten or scratched.

Hillsboro

Kerwin Ellsworth and Mrs. Frank Proctor will take the census in Hillsboro. They will receive instructions this week in Wilton.

Captain Norman Chapman has received his honorable discharge from the Army. An overseas veteran of World War II, the young officer remained in the army after returning to his home base. At present Mr. and Mrs. Chapman are visiting Mrs. Martha Dresser.

Mrs. Ruth Raines and children are visiting her mother, Mrs. Bert Smith, at the latter's home on Main street.

First of a number of medium tanks arrived at the armory last Friday morning and as the huge tank ambled along the main street, folks stopped and stared at the strange vehicle with its 75-mm. gun. Several local motorists followed the tank to the armory to see how the ponderous machine would make the grade from the main highway through the mud to the armory building. The tank kept right on going through the mud without slowing down, the big armory doors opened up, and in it went to its new home.

TIME-PLACE-FACT

by Jeanne Eccles

Stuart Bruce is having a well earned vacation in New York City of two weeks duration. Priscilla Baker and her two youngsters are going to Springfield and points west for a two weeks change of scenery, and us poor souls are left all by ourselves to watch the pussy-willows fluff out, to force the season a bit by sitting on the porch in the afternoon sunshine, to watch the green patches appear from under that last mound of gray snow, to watch the smoke rising from the chimneys of the little maple sugar shacks that dot the landscape, and to watch the waters in the rivers rise to adequate heights.

Last Wednesday evening we welcomed John Tweedy back from his long sojourn in New York City, and along with him came his mother and cousin. Also Sylvia Van Hazinga was with us and both she and John did splendidly. Maybe there is something to this business of going away and acquiring what in artist's "lingo" is called a fresh eye. Sylvia was one of the fortunate ones to take in the beautiful New England Flower Show on her trip to Boston two weeks ago.

Our model, Mrs. Lester Nickerson, was appropriately dressed in a brilliant green gown and with her deep red hair and white skin made a wonderful subject for a St. Patrick's Day portrait.

The American Legion Poppy Poster contest will have been judged before class this week Wednesday by the time this paper comes out so will have a list of winners for you next week and other details.

Be sure and come to class these next two weeks for as the old saying goes, "While the teacher is away the mice will play," and we have a lot to do to get ready for our spring show.

TIME: Every Wednesday evening from 8 to 10 p.m.

PLACE: The Cellar Studio in the Valley Hotel.

FACTS: You are welcome as a worker or a visitor and Stuart Bruce is our instructor.

HILLSBORO HOBBY SHOW

The Fortnightly Club of Hillsboro will hold a Hobby Show at the Haslet house on Main street sometime in August. Exhibits will be shown of all kinds of handcraft and there will be many beautiful collections exhibited.

The rug class in hooking will exhibit their work and some will work on rugs so that people can see all stages of the craft. It is hoped that all the crafts can have work going on during the exhibits.

Mrs. Lundberg and daughter, Marion, have been very generous in opening this beautiful home for this exhibit.

No charge is made to exhibitors, there will be a sale table where crafts can be purchased. Donations will be taken at the door from those wishing to see the exhibits of 25c for adults and 10c for children.

Anyone who has a collection or hobby they wish to exhibit is welcome. If you haven't been contacted call Mrs. James Hines for space.

HILLSBORO

Valley lodge, IOOF, will hold its regular meeting in Odd Fellows hall Monday evening, April 3, with Waverley lodge, IOOF, of Antrim to confer the second degree on Hillsboro candidates at the close of the regular business session. Members are invited from Deering, Antrim, Weare, Henniker, Washington, and Nashua. A banquet will be given in the dining hall following the degree work.

HATS OFF TO THE LADIES

Hats off to the Fortnightly club, sponsors of the successful Fashion Parade of 1950. The cooperation of this woman's club with local merchants can do much to make Hillsboro a merchandising center. When our local businessmen specialize in selling what their customers need and desire and then let the customers know what they have it would seem that business could be better. The merchant must look beyond the immediate customer in the precinct (important as he is), to the many other prospective customers within the fifteen mile radius of Hillsboro.

The fashion show attendance indicates that the average woman is very interested in things to wear.

THE NEW SCHOOL

No official word has come as yet from the committees to consolidate the school districts and build a combined elementary school for the children of Hillsborough. We understand that the committees will soon meet.

The proposal that interests us is the one which would combine the new elementary school building to the present Hillsboro High School.

This plan would extend the Hillsboro gym to perhaps double its present width and to make the High School a complete Community Center and School.

The new auditorium-gym would give the community the large hall that it lacks in not having the usual type of town hall.

While this plan sounds good the most important thing is to get modern, clean, efficient classrooms for the elementary students.

EDITORIAL COMMENT

LIBERTY VS. SOCIALISM ISSUE

The Republican high command is hard at work to make their slogan, "Liberty vs. Socialism," a vote getter. Mr. Guy Gabrielson, chairman of the national committee, charges that Socialists should be purged from the Federal payroll, "because Socialism is just the first step toward Communism," and because, "Socialists follow the lead of the British Labor Party in the same way that Communists follow the party line laid down in Moscow."

Communism has never been able to gain any strength in any area in which Socialism had been in power—such as Scandinavia and Britain. Communism has only wrested power from the complete breakdown of capitalism or feudalism, as in Russia or China, or as a result of a Communist fifth column, with Soviet troops to aid them, as in Czechoslovakia and the Baltic States.

Republican Senator Karl Mundt of South Dakota has said of his Subversive Activities Control Bill that, "only by the wildest stretch of imagination by a disorderly mind could such groups as labor unions, so-called liberal groups the Socialist Party of Norman Thomas, or other organizations advocating change by American methods, ever be affected by this provision."

If Senator Mundt is right then we can only conclude that the national chairman of his party, Mr. What-A-Guy Gabrielson, has not an orderly mind.

Weare

Mrs. Irene Flanders
CORRESPONDENT

The first of the three services, In Memoria, preceding Easter, were held Sunday at the North Weare Federated church. Larry Moore, pastor, had as topic, "Beyond the Edge of Reason." Four girls of the junior choir, Judy Fuller, Sharon Wood, Beverly Rice, and Susan Russell, sang, "Closer to Thee."

The service was dedicated to Richard Clement, with flowers for the service brought by his parents, Mr. and Mrs. Moses Clement. The new church flag given by them was in its place for the first time.

The North Weare church is having its share of attention these days. Between snow melting and the downpour of rain, the roof on the south side started to leak, and Herbert Duxbury is repairing it, and the south side entrance.

Mr. and Mrs. Walter Morse, of Clinton Grove, have announced the birth of a daughter, Mary Emily.

Mrs. Gertrude Whitaker is undoubtedly "Cactus Queen" of Weare. She has a large snake cactus, just starting to bloom, with 20 blossoms opening, as well as many more. She has a large Christmas cactus that blooms twice every year, between Thanksgiving and Christmas and again in the spring. This year it was loaded with blossoms. She started courting them, but when she got to 200 she gave up; there were too many more left. She also has a beautiful deep-pink flowered cactus, blossoming around Memorial Day, with flowers resembling a pond lily. In addition to these, her windows are full of plants, tomato, pepper, and celery plants, along with her house plants. Every spring she has furnished all her neighbors with these vegetable plants.

Wyoming grange really did herself proud last Thursday night, at the Diamond Jubilee. Nearly 400 people turned out for the supper, and anniversary program. Music was furnished throughout the evening by "The Thomsons" and Ralph Hazen with his violin.

Mrs. Nettie Flanders and Mrs. Anna Putnam had charge of the decorations, which were very attractive. On the stage, against a background of red velvet was a large silver diamond, with baskets of American beauty roses. On the tables were crystal and gold candlesticks with blue candles and napkins with blue and gold pansies. A turkey supper was served.

Grace Roach was soloist on the program, singing "Anniversary Song," "Somewhere in Old Wyoming," and "Old Fashioned Garden," with Mrs. Nettie Flanders as pianist. Mrs. Helen Dearborn gave a humorous reading, "Millinery Store," using members names. The High Priest of Demet was the speaker.

Everyone in Weare is hospital conscious lately. We are happy to say that David Whitaker is coming along well, and has had callers every day. Kit Kamp is home with her son, Michael William. Her sister has been taking care of things in her absence.

You can count on about four servings of about one-half cup each from each pound of turnip you purchase.

PRESENT SCOUT BADGES AT COURT OF HONOR

HILLSBORO, Mar. 31 — Wednesday, March 22, at Municipal Hall, Richard Sturtevant of Nashua, Field Scout Representative, and the Antrim Scout troop with Scoutmaster Andrew Lane, presented the tenderfoot investiture ceremony.

The two Hillsboro Scouts receiving their tenderfoot badges were Warren Gee and Leon Parker.

Following this, Robert Thomas, Lincoln Gilbert and Harrison Baldwin received their second class awards from Scoutmaster James Hines and Assistant Scoutmaster Maurice Rouillier.

After this colored slides of Camp Carpenter were shown and also film strips of the Explorer Scout Program.

MESSENGER SPORTS—by Joe Eaton, Jr. News Items From Bennington

It's baseball time again, but not in Hillsboro. Up in this neck of the woods it rains every day and King Mud reigns supreme.

During the infrequent intervals when the sun comes out a few small fry of the town may be seen tossing a baseball back and forth on some side street. But the older boys, who fire the ball harder, know how easy it is to pick up cramps in the throwing arm so they confine their activity to idle gossip about the "almost, but never quite make it," Red Sox of Boston.

High school fans of the town are optimistic about their chances of retaining the State Championship in spite of a heavy toll taken by graduation.

In Henniker, Dick Davis, ace

righthander of the mound staff, is already throwing hard and says he has been working out in the gym all winter. The Green and White are looking forward to a very successful season if Davis is in good form.

That's about all there is to say until all the snow and mud are gone and the infielders get a chance to show their stuff.

ANTRIM

Ten Boy Scouts and their leader, Andrew Lang, attended a Court of Honor observance in Hillsboro and participated in the program Wednesday of last week.

The Girl Scouts entertained seventeen members of the Bennington Girl Scouts at a birthday party last week in Fireman's hall in observance of the anniversary of the founding of Girl Scouts.

A Y-Teen group was recently organized in town with Mrs. Harold Miner, director. Mrs. William Hurlin is a member of the Board from the YWCA, sponsors of this group.

On Friday, a number of local girls attended the Southern Y-Teen Conference in Newport. About three-hundred girls attended a banquet and entertainment that evening. Newport families entertained the girls in their homes overnight and several interesting meetings were enjoyed Saturday including an impressive candle-lighting ceremony presented by the Pinkerton Academy Y-Teen girls from Derry.

Mr. and Mrs. Wendell Spiller, Sr., who reside at the "parsonage" have received interesting letters from their son, Pfc. Wendell Spiller, Jr., now stationed in Japan. Pfc. Spiller reports that the northern section of Japan has had much snow this winter. He has been in Japan for 15 months, with 15 months to go.

With three week's returns amounting to \$74, the 1950 Easter Seal campaign is entering its final stage and \$16 is needed to reach the town's goal, it was announced today by Mrs. Arthur Sawyer, local chairman. The Easter Seal drive closes officially on Easter Sunday, April 9, and the local chairman urges all who can to send in their contributions by that date.

A miscellaneous shower for Margaret Dodge in honor of her marriage to Freddie Perrault, was held in Fireman's hall in Bennington last Wednesday, March 22. Friends and relatives from Antrim and Bennington were present to wish happiness. A huge shower cake was one of the main attractions besides the beautiful gifts she received of linen, silver and kitchen utensils. After Margaret opened her gifts and passed them around for everyone to see, refreshments of coffee and cake were served by the hostesses, Ellen Clough and Ruby Spiller. Piano was played by Dorothy Chase and songs were sung by Gloria Spiller, Barbara Whynott, Helen Kerazis, Joise Zangar and others.

In the seasons basketball finals Pierce school defeated the white's 41-23 and a good youngsters game. The next scheduled with Roxbury, Mass., had to be canceled. Dublin, filling in, was defeated by Pierce school 7-8 grades, 49-21. Roxbury will play here next Sunday afternoon. BRA girls defeated Antrim, 42-40 in a very close game. BRA, JV's last 43-35. In the final game the much trouted defeated BRA, teams 75-69. This was an excellent and hard fought game.

At the Girl Scout meeting Wednesday, the following girls were awarded their tenderfoot pins: Joanne Cashion, Laura Champney, Joyce Cleary, Dorothy Gray, Janice Hugron, Isabel Loomis, Rose Ella Loomis, Leslie MacNutt, Pauline MacNutt, Barbara Paige, Beverly Whynott, Linore Whynott, Ann Hill, Nancy Hammond, and Leona Ellinwood.

Last Monday the Bennington Girl Scouts were invited to a birthday party at Antrim by the Antrim Girl Scouts. Mrs. Hammond, Mrs. Swett and Mrs. Cleary transported the girls.

Mrs. John Cole was honored with a stork shower last week at the home of Mrs. Edward Black and Mrs. Amy Doe. The hostesses were Mrs. Paul Traxler and Mrs. Edward Black. There were many beautiful and dainty gifts received. The refreshment table was very pretty with a bouquet of pink snap dragons and blue for-get-me-nots. Coffee and punch and cake were served. Mrs. Mary Wilson pouring coffee and Mrs. Doe at the punch bowl. Mrs. Cole cut the cake. Twenty-

three were present. Among those from out of town were Mrs. Myra Champney, Mrs. Clifton Foote and Miss Beverly Champney of Frankestown.

Mrs. Florence Smith of North Weare was a guest of the Herbert Lindsays for a few days this past week.

Mr. and Mrs. P. B. Jenness were in Lunenburg, Mass., on Sunday.

Mrs. Lou Stevens is confined to her bed with a severe cold.

Francis Davy was burned at his work at the local mill. He suffered burns on his face and hands.

Aaron Edmunds was in Plymouth, Mass., this past weekend.

HILLSBORO

Due to error in reporting the amateur contest of the VFW it was incorrectly reported that Mrs. Andrew Gee directed the contest. Mrs. Gee was one of the contest judges along with Robert Boardman and Paul Scruton. Mrs. Robert Abbott and Mrs. Edward Colby directed the show and hope to make the contest an annual event.

Robert Duggan, a resident of Henniker street, is busy at his maple orchard in Windsor and has about 300 trees tapped at the present time. He has a new evaporator this year and is looking forward to a favorable maple syrup making season.

Merrill Bennet, local carpenter and contractor, is employed at the home of Mr. and Mrs. Lester Landon of Water street.

Maurice E. Bowes, florist at Windy Hill Flower Shop, was very pleased to have so many present at the opening of his flower shop on Henniker street last Sunday. Almost three hundred signed the guest book and stopped to admire the potted plants, corsages, bridal bouquets, including rare orchids, all arranged by Mr. Bowes. The ladies present were given roses.

Mrs. Joseph Eaton was in Boston Wednesday on business.

THE STORY OF TEN LITTLE FREE WORKERS

THESE ARE THE WORKERS
REDDY DOCTOR RAILROADER MINER STEELWORKER FARMER LAWYER GROCER SALESLERK REPORTER

Ten little free workers in this country fine and fair.
But if you cherish your freedom—worker have a care!
Ten little free workers—Reddy was doing fine
Until the socialists got him—then there were nine.

Nine little free workers laughed at Reddy's fate
Along came federal medicine—then there were eight.

Eight little free workers thought this country heaven
But the government took over the railroads, then there were seven.

Seven little free workers—'till the miners got in a fix
Uncle said coal's essential and took over leaving six.

Six little free workers 'till the day did arrive
The steel mills too were federalized—then there were five.

Five little free workers—but the farmers are free no more
The farms have been collectivized—that leaves only four.

Four little free workers till the government did decree
All must have free legal advice—then there were three.

Three little free workers—the number is getting few,
But with government goodies selling food—then there were two.

Two little free workers—our steel mill and mine,
With checks at work in the federal stores—that leaves only one.

One little free worker—the reporter son-of-a-gun
Mustn't criticize government—so now there are none.

Ten little workers—but they are no longer free
They work when and where ordered, and at a fixed rate you see.
And it all could have been prevented if they'd only seen fit to agree
And work together instead of saying "it never can happen to me!"
