Coming Events

The public is cordially invited to attend a recital given by young musicians of Hillsboro and Henniker at Community hall, Monday evening, June 5, at 7:45 p.m.

Paul Scruton's article in the N. H. Sunday News about Vocational Guidance given the interesting to me and also informative. The students of the Senior class are not only helped in planning their career by the teachers but by interested citizens who come to school to tell them about available jobs in Hillsboro and vicinity and many other speakers from the outside to tell them of more varied work. When the student considers the knowledge he has gained with his own desires and aptitudes and acts accordingly they should be square misfits or "round pegs in square holes," to clutter up the world. A few opportunities of practical experience are offered members of the Senior class, especially in Mr. Shopes' course in office practice. Several of the girls are all ready being considered for work during the summer and 8 girls have been coming to me during the past year to help get my column in the Messenger ready. These girls show evidence of good training, they are friendly but very business like and self reliant. Sometimes they ask how to spell a word but seem to be on friendly terms with the dictionary and always willing to consult it. I only hope the experience of these girls has been half as useful to them as they have been to me. It has been a pleasure also to work with young people. They have been very patient with my jerky dictation. Irene Trotter happened to have her picture taken with me. The 7 others are Priscilla Cody, Clydette Creaser, Jean Demag, Virginia Littlefield, Edith Murdough, Rita Wiltton and Shirley Poland. I could wish that some of the students had a flair for journalism and would report to the Messenger, more of their interesting events, like the coming of these many speakers.

Pierce - Goodwin

Miss Phyllis Irene Goodwin, daughter of Mr. and Mrs. Fred Goodwin, of Henniker street and Mr. Warren E. Pierce, son of Mr. and Mrs. Ernest Pierce were united in marriage by Rev. Russell Perry at the Methodist church, Saturday afternoon at 2 o'clock. The double ring ceremony was used and the bride given in marriage by her father. The bride wore a long white satin dress with train, a long veil and tiara of orange blossoms and carried a bouquet of sweet peas. The matron of honor, Mrs. Charles Murdough, was gowned in yellow chiffon. The bridesmaids, Miss Louise Goodwin, and Miss Jean Demag were dressed in pink and blue chiffon respectively with head dresses to match and all carried bouquets of sweet peas. The best man was Joseph Auclair and the two ushers were Burton Goodwin and Charles Murdough. (Continued On Page 6)

Discuss Town Improvement

At our last meeting the Home and Community Welfare committee had charge of the program. A discussion on beautifying our surroundings was ably taken care of by Grace Stevens. Ernest Cahoon discussed amusements and recreations for our community. Lewis Lincoln was to discuss ways to earn money in our grange, but he was unable to be present.

At the Dutch auction in charge of the Home and Community Welfare committee, Elizabeth Woodrow, Pauline Sargent and Grace Crane, eight dollars was collected besides loads of fun.

It is planned to serve the public a baked bean supper on the last Saturday in each month, beginning in June.

Our lecturer has formed a kitchen band which is quite lively.

At the next meeting, June 6th, Children's Night will be observed.

Tuesday evening twenty members and ten children met at Grange hall and reset the flag pole, set out shrubs and finished painting the few horse sheds that are still standing at the church. After work the ladies served a supper of casseroles, rolls, coffee and pies.

APARTMENT FOR RENT — Apartment will be available June 3, large living room, kitchen and bath. Inquire of Anna Bruce Crosby, Hillsboro.

YOUR ATTENTION, PLEASE

Because of the Memorial Day observances and the fact that the Messenger staff is busy with the production of the Hillsboro High school annual we are asking our correspondents to send in their news early. Our columnists are asked to keep their messages brief, and our advertisers to get their advertising in early so that the paper can maintain its mailing schedules.

Thank you.

Hillsboro Center

Mary Powers
CORRESPONDENT

Last Friday evening at the Clubhouse the Center school pupils, with their teacher, Miss Margaret Milliken, and with the help of their mothers put on a very successful card party and food sale. While the card games were in progress the children sold grab bags, chocolate bars and paper flowers. After the refreshments were served, the children put on a food auction during which great merriment was caused by the childrens very original way of auctioneering. Thanks to the hard work of the teacher and all the pupils over seventy dollars was realized. The money will be used for an outing at school's end in June.

Mrs. Samuel Hadley had the misfortune to fall last Thursday and break her arm. She is doing very nicely at this writing.

Mr. and Mrs. Nelson Withington and daughter were dinner guests Sunday at his mother's, Mrs. Frank Withington.

Mr. and Mrs. Richard Withington had as their guests Mr. and Mrs. Robert M. Lindgren of Harrisburg, Pa.

Richard Withington went to New York on a business trip this week.

Miss Florence Lincoln was at the Center over the weekend. Miss Frances Barnes is returning to Charleston, Mass., with her for a few days.

Miss Molly Hearty has returned to her summer home at the Center.

Miss Mildred Nelson and her cousin, Miss Elizabeth Parson, spent the weekend at the Parting-of-the-Ways.

CARD OF THANKS

I wish to sincerely thank my many friends and relatives for the lovely cards and notes sent to me during my stay in the hospital and since I returned home. Also for the delicious cooked foods which were brought in to us, and the flowers. Everything was very much enjoyed and appreciated.

Sunday afternoon was ideal for our Community club dinner at Hillsboro Camp for Girls, the home of Mr. and Mrs. Harry Nissen. Eighty sat down in the mess hall to enjoy dinner. Each family brought either a casserole, salad or rolls. Mr. and Mrs. Nissen made ice cream for all the party. After dinner all roved about the grounds and inspected the cabins. Many lounged on the wide veranda and enjoyed the beautiful lake.

Mr. and Mrs. Gilbert Williams and son, Thomas, are entertaining Mrs. Williams' mother and friend from New Jersey.

Mr. and Mrs. Cleveland's daughter, Jean Lindgren, and husband and friends from Pennsylvania spent the weekend at the Cleveland home.

Nancy and Sally Crane attended the 4-H Dress Review in Milford on Saturday. Nancy modeled a dress she had made.

League Information Service

by GLORIA HINES, for League of Women Voters of Hillsboro

Attendance at Local Governmental Meetings

Why are Leagues urged to make a practice of sending a League member regularly as an observer to meetings of Town and Village Boards, City Councils, and School Boards? What advantages are there in merely being present, when time after time the business of the meetings may be conducted in a cut-and-dried fashion, or the Board may retire into executive session after a brief opening?

Let's see what usually happens, when the same League member appears week after week at the Town Board meeting. At first, she may be asked what she wants—it is often inconceivable to the members of the Town Board that any citizen should attend a meeting without an axe to grind. She replies that the members of the League of Women Voters want to see how their government works, to know the prob-

lems of the community and how the Town Board deals with them. As the representative of the League she is there to observe and learn. While she may be greeted with suspicion at first, the Board becomes accustomed to her presence. Gradually a change takes place in their attitude. She finds herself becoming acquainted with the Board members. She begins to understand their problems, and to realize that most public officials want to conduct their work creditably, that they are grateful for genuine citizen interest. From time to time she may bring other League members with her to the meetings although she is always there herself since continuity is essential to her job. Over and over again, as Leagues have undertaken this seemingly unrewarding task, the final result has been that they have convinced their public officials they are concerned only with the public interest and are genuinely interested in the

problems of local government.

As an outcome of these friendly relations and understanding, the officials know that the League's local current agenda is the outgrowth of a real concern for the needs of the community. They have learned to understand for which the League undertakes such work and a respect for the fact-finding methods on which it bases its action. All the work of the League gains from such a mutual understanding, which is more than worth the time and effort involved.

The League of Women Voters, believing in the dignity of the individual, and that freedom and prosperity can be stably maintained within our democratic society, works unrelentingly to promote political responsibility through informed and active participation of citizens in government, to the end "that government of the people, by the people, and for the people shall not perish from the earth."

Time-Place-Fact

by Jeanne Eccles

"Our gang" that paints for fun, the Hillsboro art group, think we have the one and only model who will walk (or can walk) twelve miles, 63,360 feet, to let us paint his picture. Can any art group better this record?

Hillsboro's "walkingest" model is Ralph Nantelle, and, perhaps, it is due to some Indian blood in his veins that he is by nature such a keen woodsman, incapable of getting lost in the woods under any conditions, and, is also blessed with a splendid physique, seemingly tireless.

You may see pictures of Ralph, as well as in person, at our "The Hillsboro Art Group's 3rd Annual Neighborhood Portraits Exhibition" at the Community building in Hillsboro on June 10th, Saturday, 3 to 5 p.m., and, on June 11th, Sunday, 2 to 5 p.m. Come and bring your friends and see what New Hampshire's youngest art group (2½ years young) creates every Wednesday evening from 8 to 10 p.m., in the midst of the pipes and boilers of the Cellar Studio in the Valley Hotel.

Mr. Lassonde, president of the N. H. Art association, has written that he will enjoy judging for us again. Mr. Kenneth Jewett, director of art and music in our neighborhood schools, telephoned a couple of weeks ago that he will be on deck also, and Marion Ladd Symmes, president of the art group in Winchester, Mass., will also be a judge.

As usual Mrs. Warren Grimes, Mrs. Oscar Story, and Mrs. Mildred Porter will preside at the refreshment table. Mrs. Stuart Bruce is due home from Japan on or about this time, and we are hoping that she will be here in time to join

the festivities, too.
Mrs. Lester Nickerson sat for us last Wednesday evening and will again this week Wednesday and we had a large and receptive class. The picking of pictures, and their mounting, and framing is progressing nicely and with so much genuine interest in our show and cooperation in putting it on, the exhibition will be more fun than work. Who will promise us flowers for decorations?

Dr. Daniel Poling is right in the swim, too, having his portrait painted by the well known portrait painter, Mrs. Elliott, of New York. She stepped in for a minute yesterday to look our work over and was exceedingly complimentary.

TIME: Every Wednesday evening from 8 to 10 p.m.

PLACE: Cellar Studio, Valley Hotel.

FACTS: You are welcome as a worker or a visitor and Stuart Bruce is our instructor.

Following the ceremony a reception was held at the bride's home. The couple went to Jamestown, New York, on their brief honeymoon. Mrs. Pierce is employed at the Woolen Mill office. Mr. Pierce works for the Boston and Maine Railroad. The church, decorated with snapdragons and carnations, was filled with friends and relatives of both families. Among those from out of town were the brides grandmother, Mrs. Lillian Page, and several aunts from Newport. Others were from Massachusetts and other places. The couple will make their home on Depot st.

Birthday Party

Bruce Allan Baker was three years old on Sunday, May 21, but his party came on Monday at 3:30 o'clock. Twenty-five of his neighborhood playmates and several of their mothers were invited to help him celebrate. As guests arrived they were given balloons. The children then made their own party hats out of crepe paper. Jane Gilchrist made the best hat. Games were played out of doors. One was "dress up race" which was a mad scramble but lots of fun. Hunting for candy kisses was fun too. The last game involved the mothers and older girls present. They sat in a row while the children fed them doughnuts dangling from the end of a string attached to a pole. Bruce received many nice presents from noise makers to books. Refreshments consisted of punch, cookies and popsicles.

Mr. and Mrs. Arlow Adams, Mrs. Pauline Coles, and Mrs. Edith Belisle of Andover called on Walter Gay on Monday afternoon. Mr. and Mrs. Adams are old Manchester friends.

Walter has been kept in the house for a week with a bad cold and cough. He went to the auction on Saturday for a few minutes. The one thought in his mind lately is to go fishing. He says the fish always bite when the apple blossoms are falling.

Mr. and Mrs. Pevery of Canterbury attended the Baldwin auction on Saturday and called on the Gay boys.

Mrs. Bessie Whitcomb of Franklin spent the weekend at her home. Mrs. Blanches Coe of Durham, Connecticut, and Mrs. Rosemary Bridgen of Milltown, Conn., spent the long weekend with the latter's sister, Mrs. Ernest Marcy.

Mr. and Mrs. William Nolan, Mr. and Mrs. Holbrook and small daughter were weekend guests of Mr. and Mrs. George Gould.

More than a week ago Mr. and Mrs. Adelbert Potter and daughter, Susan, and his mother, Mrs. Lawrence Potter, moved into their new home on School street, the former George Cote house.

Mrs. Oliver Holt of Lyndeboro called on Mrs. Ethel Peaslee on Sunday. Mrs. Holt graduated in the class with Ethel from the old Memorial hospital in Nashua. She now owns some peach and apple orchards which are managed by her two sons. She said it was white Sunday in her orchards and probably is everywhere.

Charles Burbee of Jaffrey was in town on Monday and called on Frank Rumrill and Frank Gay and maybe some other friends. When he was sixteen years old he worked for Mr. Rumrill and practically learned his trade from him. He was here about the time that Manley Prescott and John Hurd were also barbers here.

The Youth Fellowships from Keene were guests of the Hillsboro Methodist Youth Fellowship on Sunday. After an enjoyable hike a business meeting was held followed by games and refreshments at the Fox Forest Reservation. On the trip back to the church a group of youngsters sang for me. I enjoyed their singing greatly. There were really some excellent voices among them.

Mr. and Mrs. Harold Burbank of Bellows Falls, did some work on his family lot in the Center cemetery Tuesday afternoon.

Mrs. Henry Hofman, who has been critically ill for several weeks has shown a little improvement the last few days.

Mr. and Mrs. Joe Palmer and Joyce were at their home over Sunday. Mrs. Palmer and Joyce remained for the week. They report Mrs. Cora Palmer doing nicely following a very serious operation at the Hartford hospital in Conn. Mr. Joe Palmer returned to Hartford Monday.

Miss Gertrude Davis and father were in Winchester, Mass., over Sunday.

FORMER PASTOR DIES IN LACONIA

FRANKLIN, May 25 — Rev. Lester E. Alexander, 87, retired Methodist minister and former pastor in Hillsboro and in nine other New Hampshire communities, died late Monday at the Laconia hospital after a short illness. His home was at 15 Charles street.

The ministry, which he entered in 1905, took him to pastorates in Fitzwilliam, Richmond, Henniker, Groveton, Sanbornville, Jefferson, Milton Mills, Hillsboro, East Deering and Franklin.

Although he retired in 1933, he had supplied numerous churches in this region since that time and since 1943 he had served as chaplain of the state Odd Fellows home in Concord. He had lived here for 19 years.

In 1940-41 he was grand master of the New Hampshire grand lodge and in 1941 he was also New Hampshire grand lodge representative to the sovereign grand lodge.

He was a member of the Lancaster lodge, F and AM; North Star lodge of Perfection; Littleton chapter, Order of Rose Croix; Portia lodge, OES, of Hillsboro.

A member of the New Hampshire Methodist conference, Mr. Alexander retained membership in the Frank Methodist church, in the Franklin Methodist church, his last pastorate.

Survivors include a son, Edwin L. Alexander of Franklin; a daughter, Mrs. Paul J. Stinson of Tilton; four grandchildren, Sherwood D. Elliott of Laconia, Paul J. Stinson of Tilton, now in the Navy, Ellsworth Frye of Portsmouth and Miss Dorothy Frye of Ryamond; three great-grandchildren.

Funeral services were held this morning at 10:30 at the Methodist church. Burial was in Village cemetery, Walpole.

Hillsboro Represented at Women Voters Convention

The State Convention of the League of Women Voters was held at Millville Inn, Concord, on May 15 and 16. Sixty-eight delegates and twenty-five observers were present for two days of serious thinking, discussion and decision. The delegates from the Hillsboro League were Mrs. Donald Baker and Mrs. Walter Sterling, and the observers were Mrs. Lothrop Herick, president of the Hillsboro League; Mrs. Philip Woodbury, State secretary; Mrs. Ernest Marcy, Mrs. Francis Rigney, Mrs. William Nairn and Mrs. Ernest Seavey.
One of the highlights of the convention was the talk given by Miss Anna Lord Strauss, the nationally respected president of the League

of Women Voters of the United States. Miss Strauss stressed the importance of an active interest in the party of one's choice.

The closing luncheon was attended by 104 League members, who were fortunate in having Mr. Frank J. Sulloway, vice-chairman of the Republican State Committee, and Prof. Herbert Hill, chairman of the Democratic State Committee, as speakers. Both gentlemen talked about their respective parties and of what could be expected of party work.

The "Outriders" will play at the Capitol Theatre Sunday and Monday.

IT'S REDDY... REPORTING DIRECTLY TO YOU!

... HIGHLIGHTS FROM OUR 1949 ANNUAL REPORT

AND IN 1949...

WHERE'S THE WATER POWER?
Less than half (48.7%) of the electricity we made, came from water-power. That's because, for the amount in need, we've outgrown our rivers, and droughts and floods cut down the output of what we do have. What little water-power there is left undeveloped in all New England is only one-tenth of what has already been built. So we depend more and more on fuel-burning plants!

MORE THAN 14,000 YEARS OF EXPERIENCE
My 1257 fellow-employees have totalled 14,000 years of faithful service supplying you, their friends and neighbors, with electricity. More than half of Public Service people have been with the company over 10 years, and some 180 of them have served over 25 years. We're proud of that record of skilled experience!

A MODERN CONCEPT IN POWER GENERATION...
The new 40,000 kilowatt SCHILLER STATION is the world's first integrated mercury steam power-plant. Fuel is expensive here in New Hampshire... so Schiller Station was designed to produce MORE electricity for much LESS fuel. Power to serve 100,000 people is sent throughout the state, to your home, farm or business from Schiller Station, located at tidewater near Portsmouth so that big tankers can deliver fuel right to its doorstep.

I DID MORE BUSINESS...
Our customers used more electricity than ever before. In 1949, my total operating revenue was \$14,226,646... 6.4% over the 1948 figures.

BUT EXPENSES WENT UP...
Revenue from the sale of electricity has increased 70% since 1941. Our expenses, with rising costs of labor, supplies, fuel and taxes, have gone up, too... over 90%. That just doesn't balance!

I WORKED MORE FOR YOU...
The average domestic customer required 1459 kilowatt-hours of my service, 127 hours more than in 1948... and paid less than \$5.00 per month for it. Though the cost of living has gone up 70% since pre-war, the overall rate for domestic electricity has gone down 30%... Still the biggest bargain in your budget!

DUGOUT DOPE

Kenny Murdough, after spraying hits to all corners of the field, "I'm no place hitter. I just swing away." Maybe so, but his average stays over .600.

Walt Whitney shattered his pet bat as he fled out. He's looking for another Bobby Brown and if he doesn't find it he thinks his average will suffer.

"Jeep" Cody looked like an old pro as he backhanded a hard smash and threw the runner out by a step.

Raoul Sullivan drove some sharp hits down the third base line, just foul. Two or three would have gone for extra bases.

Umpire Manuel Teixeira, placed in a difficult position with his son on the mound, turned in a fine job. He's an ump who really "calls 'em as he sees 'em."

Hillsboro High Takes Pembroke in Doubleheader, then Lose to Pittsfield

HILLSBORO, May 22 — Big Raoul Sullivan went the route in the first game and relieved Ronnie Teixeira in the nightcap as Hillsboro High swept a doubleheader from Pembroke 7-1 and 4-2.

Sullivan, although falling short of his usual number of strikeouts, was very effective as he scattered three hits. Hillsboro gave him a 2-0 lead in the first inning, added 2 more in the second and 3 more in the third while Pembroke was helpless against the hard fast one.

Things took their usual course however, and Sully was again robbed of a shutout by errors in the infield. Kenny Murdough proved to be almost unstoppable as he banged out a double and a single in three trips to the plate. Walt Whitney did his bit with a long triple to deep left field which drove in a run.

In the nightcap Ronnie Teixeira tossed up his slow-breaking curves with great success for three and two-thirds innings but when he loaded up the bases with two out in the fourth he was lifted in favor of Sullivan. Teixeira was the winning pitcher as Raoul put out the fire and retired the side in the fifth. Teixeira allowed only two hits as he walked four and struck out five. His opponent, Connor of Pembroke, also turned in a nice job as he gave up four hits, walked

HILLSBORO, May 25 — The great national game of baseball was mauled and mangled beyond recognition by the Hillsboro High nine as they bowed to Pittsfield in a long, drawn out contest by a score of 11-4.

Young Kenny Brown, starting his first high school game on the four and fanned two. Kenny Murdough continued his hitting streak as he collected one hit in two times at bat.

It is rumored that the locals must win all of their remaining games if they expect to get an invitation to the state tournament. It's a long hard road ahead.

mound was touched for eight runs, seven of them unearned during the three and two-thirds innings that he worked. Raoul Sullivan came in to relieve and held the Pittsfield boys scoreless until he was forced to retire at the end of the sixth with a sore arm. Third man in the pitching parade was Ronnie Teixeira who walked three to load the bases and was banged for a three run triple before retiring the side.

Errors, sloppy playing, and a great inability to hit were the factors in the loss.

Hood of Pittsfield struck out sixteen men, allowed only six hits and walked four as he went the distance. Raoul Sullivan was the only Hillsboro batter to collect two hits as Kenny Murdough went one for three as his average dropped to .560.

This defeat just about killed Hillsboro's chances of getting into the State Baseball Tournament.

SPORTSMEN'S COLUMN

by GEORGE S. PROCTOR

NEW HAMPSHIRE CONSERVATION OFFICER

Phone 104

Wilton, N. H.

The state is to be real hard boiled on these birds that throw rubbish on the side of the highway: \$10.00 fine, but try and catch 'em. Most of this work is done under cover of darkness.

This week we want a watch dog; home for 10 beautiful kittens; the address of a breeder of Angora rabbits; and someone to hatch out goose eggs. Guess that will hold us for a while.

William McBeth of Milford and William Smith of East Jaffrey, two state troopers, are attending Harvard College for a short session in police work.

In the May copy of "Sports Afield," is a fine article by Bill Wolf on water pollution. It's titled "One Year Later." You should read this article.

A friend of mine lost a book of flies on a road in Dublin. Anyone finding them, please contact me. Of great value to owner, not much use to the finder, unless he is a fly fisherman.

Had a nice call from Theodore R. Hardy of East Jaffrey and Mr. Lovetoy, who found a baby barred owl which they brought down to me. Mr. Hardy has just returned to Contook Lake, where he has a fine summer home. He looks and feels fit as a fiddle after his visit to the south. Driving a new Ford, and says he made fine mileage on his trip back to the north.

Down from Deering comes a membership card for 1950 from the Deering Club, James M. Carew, secretary. Thanks, fellows.

Bob Elliot of M., a former this summer is the big fishing sum-New Hampshire man, tells us that none of them ail and Bob knows his fishing. You know what Bob says, "Come to Maine for the big trout and salmon."

The other day in the mail I got a swell outfit from the Purgatory Falls Fish and Game club of Mont Vernon - a button, a membership card and a shoulder patch all with a fine likeness of the Falls. This club sure knows how to do things up brown. Thanks, fellows.

The superintendent of state parks, Lee H. Taylor, writes me that he wants some birds and animals for his new park in the northern part of the state. He has bears, raccoons, bobcats and foxes. He wants a few squirrels, all kinds; all kinds of owls, skunks (artillery removed). What have you for him?

Lawrence W. Rathburn sends me Extension Bulletin 98, "Forest Practice Standards for N. H. Woodlands, 1950." Owners of woodlands should read this booklet. It's good.

Last week we reported a boat lost at Sunshine lake in East Jaffrey. I got a letter from the owner saying the boat has been found through the good work of Trooper Smith and Chief Goodell of Rindge.

One night last week I had a phone call that a duck had been killed on route 31. It was a drake (Mallard) that was banded in town and taken to the North Country where it was liberated with 43 others. This drake knew where he was well fed. This is a great compliment to Mrs. Magoon and the men in Whiting's mill who have faithfully fed them for the past few years. Who said a semi-wild duck could not fly several hundred miles to get back home?

Walter M. Grady of Wilton Center found a baby grey squirrel on the floor of the barn. He took the baby into the house for first aid and

then brought it down to me. Still on the bottle. His son, Charles, age 5½, is a member of the well known club of stinkers, a deodorized skunk order which now includes all the big shots of the country. Charles and I are the only local members. This Charles is a live wire and a great lover of birds and animals.

It's nice to get a letter such as I got from Phil Magoon of Greenfield. Just because I mentioned the fact he had boats to let at Whittemore lake and Otter lake. He reports fine business from that item. Phil has been ill over a year and any boost we can give him is O.K. by us. More power to you, Phil.

Are you in the market for a kitten (for free)? I know of at least 15 that are ready for a good home. Don't all speak at once.

I found a hit and run victim, a female dog, on route 31 the other day, badly wounded. I contacted dog officer Keilig and he took care of the case. A young mongrel with no collar. The party that hit that dog must have known he did.

Looks like a lot of spuds are to be raised, if you can judge by the large number of acres that are ready for them. Take a ride down the North River road in Milford and see the well plowed and harrowed acres.

The other day I called on Bingham, the parakeet man of East Jaffrey. Did you know he is one of the largest breeders in the USA? He ships them to all parts of the country. Last week he shipped to Utah. Never call on him on a Saturday or Sunday as there is standing room only. He gave me a fine lecture on how to train birds. A most interesting man to spend an hour or two with. He knows his stuff.

Was very sorry to miss "Old Timers' Night" of the Nashua Fish and Game association the other night. Nice bunch of fellows.

Here is a letter from Oscar Barrows of Winchendon, Mass. He tells how to get rid of woodchucks. Back your car to the hole and connect to the exhaust pipe. Push the hose down the hole three feet. Run motor five to 10 minutes. Be sure the second hole is blocked up. Up in Greenfield County Agent Pierce has sold 700 bombs and that town is out to clean up the chucks. If you have a rifle club in your town call them. They will do the trick.

Post card from Pfc. Louise M. Garland, a former South Lynde-boro young lady, now in the army. She is stationed at Fort Sam Houston, San Antonio, Texas.

Got an airmail letter from a man in Artesia, Cal. He saw my picture holding a skunk in the May issue of Stink-a-Gram. He is a skunk breeder himself and is in the market for a lot of baby skunks. How many have you got?

Are you interested in wildflowers? Mrs. Elizabeth Richards of South Lynde-boro is a wildflower expert. She has many kinds of wild ferns growing in her gardens. Just now she has a very interesting wildflower which she brought from Vermont. It's called hepatica. She would like to show it to you if interested in wildflowers.

Had a nice call the other day from Mr. and Mrs. Edward Wheeler of New Ipswich. Have worked many days and nights with Ed when he was chief of police of that

HILLSBORO, May 25 — The Hillsboro A. C. showing marked improvement over last year at bat, but suffering from fumbleitis in the infield and outfield, bowed to the Warner Townies in a free-scoring tilt at Grimes Field by a score of 11-5.

Manager Howard Page's charges in the League opener Sunday got off to a bad start as Warner scored 7 times in the first four frames due to poor support and some solid knocks from the offerings of Louis Andrews the starting and losing pitcher.

Old reliable Pete Bates of Warner proved to be most effective as he horse-collared the locals for six of the nine innings. Bates scattered eight hits and four bases on balls so that he was never in serious trouble. At the plate he was equally good as he banged out four singles and a double in five trips to drive in a run and score three.

Andrews of the locals was touched for seventeen hits as he gave up only one walk and struck out seven. However, it was errors and not the Warner bats that lost the game. The box scores show only seven errors but many balls which were credited as hits fell safely only because of the brisk wind and the failure of the fielders to judge direction and depth of fly balls accurately.

As this was the opening of the Tri-Mountain League impressive opening day ceremonies were held as the opposing teams marched to the flagpole in deep center field for pictures. After Frank Gay limbered up his strong arm and tossed out the first ball the game was begun.

Manager Page is expecting a good deal of improvement as the season progresses and the addition of Walt Whitney and Raoul Sullivan at the close of the High school schedule will bolster the squad noticeably.
