Arabel Gay's Column

Coming Events

The Fortnightly club will hold its regular meeting in Community hall tonight, October 12. Miss Anna Childs will speak on her trip to Alaska.

The Eunice Baldwin chapter, D. A. R., will hold its first meeting of the season at the home of Mrs. Warren Grimes on Saturday, Oct. 14, at 2:30 p.m.

Invitations sent out by the New Hampshire Forestry and Recreation Commission to a Field Day on Oct. 14, at the Fox State Forest Reservation indicate a very interesting program beginning at 10 o'clock a.m. Box lunch at noon, with an afternoon program. There is so much of interest to see in the woods at this season, in addition to the scheduled program, it would seem to be a day well spent.

The Eastern Star will hold its regular meeting on Monday, Oct. 16. The feature of the meeting will be a Scotch Auction in charge of Dr. H. C. Baldwin. Members are asked to bring articles for the auction.

On Oct. 18, at eight o'clock in the church vestry, the Benevolent society will observe Guest Night with Mrs. Hilda Bruyneel, reader, and Mrs. Ross Robertson, soloist. The Women's society for Christian Service of the Methodist church, the Fortnightly club, and the Deborahs are invited guests.

Benevolent Society

The Benevolent society met in the vestry of Smith Memorial church for its first meeting of the season on the afternoon of Oct. 4. Mrs. Donald Annis presided and greeted the large number in attendance, announcing the society's theme for the year as "Thy Will To Do," and "The Near East" as the topic for the mission study plan. Mrs. Shem Barnes conducted the devotional period, and Mrs. Atoinette Hall gave a fine report on the September meeting of Church Women held in Deering. Miss Madeline Gilmore ably accompanied by Mrs. Cylrus Phelps, pleased her audience with the following solos, "Land of the Sky-blue Waters," and "The Star" with "Morning" as an encore.

The speaker of the afternoon was Mr. Robert Derosier of the Hillsboro High school faculty, whose topic was "Looking Toward the East." He gave an excellent and instructive talk on Iran, of especial interest to the group present because of the mission study plan on the Near East for this year. Refreshments were served by Mrs. Elwood Mason and her committee, Mrs. Ernest Marcy, Miss Angie Arney, Mrs. Samuel Hadley and Mrs. Warren Grimes.

Bird and Garden Club

Members of the Caroline A. Fox Bird and Garden club and their families enjoyed their annual supper and get-together in Community hall on Saturday evening, Oct. 7. The hall was decorated with autumn leaves and the tables were very attractive with bright flowers, leaves and matching candles. Everyone was given a boutonniere or "baby" corsage, made of grass with a bit of barberry or other autumn fruit for a bit of color. A very delectable supper was served consisting of cold boiled ham, many different salads, baked beans, hot rolls, coffee, and apple pie, a la mode. Immediately following the supper moving pictures and others of the Hillsboro Camp for Girls were shown by Mr. Nissen. Groups of happy girls were shown horseback riding, swimming, hiking, and in many of their other activities. The girls seem to be very fond of trips taken to Kearsarge Mountain and other places where they can sleep in their sleeping bags or roll themselves up in a blanket and sleep under the stars. Even the

Debate State Aid to Education

Enoch Shenton, weekly newspaper columnist and Concord Monitor-Patriot reporter and Dr. Hilton C. Buley, N. H. Commissioner of Education, were the principals at the recent non-partisan forum, debating the question of state aid to education. Dr. Buley is next to chart which he used to illustrate differences in expenditures and effort in New Hampshire school districts according to wealth per pupil.

Mr. Shenton, self styled "devil's advocate," argued that state aid would be unfair to communities which support their schools adequately and who would have to pay for schools in other districts through

state taxes. He suggested that the Department of Education use its authority to combine schools in country districts first and then come to the legislature for aid.

Everett Feldblum was moderator at the forum with about thirty present.

Otis W. Pike, Antrim Native Dies in N. Y.

ANTRIM—Otis William Pike, 51, of Schenectady, N. Y., manager of engineering in the tube divisions of the electronics department of the General Electric Co., died in Ellis hospital after an illness of four weeks.

Born in Antrim, he was graduated from the University of New Hampshire in 1920 with a BS degree in electrical engineering. He joined GE as a test man in July, 1920, and in July, 1922, was transferred to the research laboratory to do development work on small transmitting tubes and mercury vapor tubes.

He rose steadily at GE, in 1924 Mr. Pike was placed in charge of development of low-power mercury tubes, and in 1929 he took over the development of gas and mercury vapor tubes. In February, 1930, he was assigned to the newly-organized vacuum tube engineering department, working on the design of industrial tubes. In 1936 he was put in charge of the design and development of both industrial and radio. He was named designing engineer of the department in 1941. When the tube division was created in 1943, Mr. Pike was named division engineer. He was appointed in 1948 to the post he held at the time of his death.

Mr. Pike was granted a New York state professional engineer's license in 1937 and held several patents in the vacuum tube field. He was a member of the American Institute of Electrical Engineers and recently was appointed a fellow of the Institute of Radio Engineers. Mr. Pike was chairman of the joint electronic tube engineering council during its formative years of 1944 to 1947 and was a member of the council when he died. He also was a member of Corlaer lodge, F and AM; the Albany Sovereign Consistory, the Oriental Temple of Troy and the Sigma Scottish Rite Bodies of Schenectady. He is survived by his wife, Mrs. Sarah Warner Pike, and 2 cousins, Mrs. Archie Perkins and Edson H. Tuttle of Antrim.

—from the Schenectady Union-Star, Oct. 9, 1950

HILLSBORO

William Chase and Henry Mills attended an Odd Fellows meeting in Nashua recently. Mr. Chase, a resident of Nashua, is residing at the home of Mr. and Mrs. Jackson C. Carr.

Mrs. Elizabeth Faust of Cambridge, Mass., is occupying her new home, the former Raymond Hooper place off the Center road.

Uncle Cy-Says

Now we're back on standard time I don't like it.
If they'd change back I'd give a dime,
I don't like it.
Darkness hits us much too soon,
Just a short time after noon,
Makes me holler like a loon,
I don't like it.

I'm in bed each night at seven,
I don't like it.
I used to hit the hay at 'leven,
I don't like it.
I know the days are getting short,
Nights are cooler, not so hot,
I'm getting old and crab a lot,
I don't like it.

Davis-Woodman Auxiliary to Have Hillsboro Guests

HENNIKER—Davis-Woodman post, American Legion auxiliary met Wednesday evening with the president, Mrs. Arnold Ryan, presiding. It was voted to invite the Hillsboro auxiliary to the November membership chairman, announced that dues must now be paid, and that the membership drive will start immediately. Also the auxiliary is ready to start the poll of the townspeople on Universal Military Training. Beano parties for November were discussed. Orders are being taken for Christmas cards and wrappings. The mystery package was won by Mrs. Allison White. Members of the Legion were present for the lunch which was served by Mrs. Sterling, Mrs. Harry Holmes, Mrs. Robert Bishopric and Mrs. Edward Hatlack.

Forestry Field Day at Fox Forest Saturday

HILLSBORO—A forestry field day will be held at the Fox State Forest this Saturday, October 14. Many invitations have been sent out state wide and the public is invited to this annual event.

At 10:00 a.m. there will be a visit to hardwood thinning to be followed by a picnic lunch. A tour at 2 p.m., will view sections of the forest where there has been a selective cutting of hemlock.

The arrangements for the field day are being planned by Henry I. Baldwin, resident forester.

MINNE FAVOR JICHA

Minnie M. Favor Jicha, passed away on October 1st at Astoria, Long Island. She was born in Manchester, April 11, 1877.

She was the daughter of H. Nelson Favor and Eliza Jane Abbott Favor. She lived in Hillsboro several years, attended school and church and was a member of Hope Rebekah lodge. She was employed at the Contoocook Mills as a looper. Her father was overseer in the Contoocook Mills for many years.

She leaves one daughter, nee, Mary Peters; two sisters, Mrs. Jennie Allison, Austin, Texas; Mrs. Mabel McCarter, Aiken, South Carolina. Several nieces and nephews, also grand nieces and nephews.

Interment at Astoria, Long Island, N. Y.

HILLSBORO

In the opinion of many summer cottage owners this is the best time of all the year and many of the cottages and camps on the shores of Loon and Contention ponds and Pierce lake are still open for the month of October, while others are opened every weekend. Partridge hunters are enjoying the open season just now.

Mrs. Dorothy Parker, a former resident of Lebanon, is employed at Harry's Cafe in Central Square.

Woman's Club

The first meeting of the Antrim Woman's club for the current season was held in Library hall Tuesday afternoon with about fifty members present.

Mrs. Carl Upton, of Hancock, chairman of the Keene district was introduced by the president, Mrs. William Nichols, and spoke briefly of projects of the State Federation.

Mrs. John Thornton gave an interesting report on the General Federation session which she attended in Boston. Mrs. Frank Orser gave a detailed account of the three-day session of the N. H. Federation in Rye. Miss Janice Hills, who represented the club at Girls' State, told of the activities of that busy and interesting week at the University. Miss Mary Ellen Thornton, who represented the Legion auxiliary at Girls' State, also spoke briefly.

Kenneth Jewett, accompanied by Mrs. Albert Thornton, sang three solos.

There was a moment of silence in memory of Mrs. Elizabeth Wilson. It was announced that a small food sale will be held after each meeting.

An informal meeting was held after the meeting introducing the new teachers and new club members.

Music Club Meeting

At the October meeting of the Music club held in Library hall, original compositions were featured. There were piano duets by Mrs. Albert Thornton and Mrs. Edith Muzzey; vocal duets by Mrs. Archie Perkins and Mrs. Kenneth Roeder; vocal solos by Mrs. Isabel McLean, with Mrs. Thornton accompanying for all these numbers. Howard Chase, president of the club, presided and gave a brief talk.

Mrs. Clarence Whitnette and baby daughter returned from Monday hospital last week. The baby, a great granddaughter of Mr. and Mrs. Charles Wallace, was born September 28th.

Unity Guild members served a supper Saturday evening to 104 members of the Rural Letter Carriers association and auxiliary in the Presbyterian dining room. A meeting followed in the church auditorium. Everett Davis was in charge of arrangements. Mr. Davis was retired from active service recently. His route is being covered by substitute Dewey Elliott.

Mr. and Mrs. David Hurlin are living in the Henry Hurlin home on North Main street.

(Continued on Page 6)
Miss Marjorie Michie, senior student nurse at Elliot Community hospital in Keene, has gone to Boston for three month's affiliation at the Boston Floating hospital.

ANTRIM—The PTA held a membership supper last Thursday evening in Odd Fellows banquet hall with over seventy present. The new teachers were introduced by Headmaster Charles Young. James Butterfield read a detailed report compiled by the building committee on conditions governing the completion of the new elementary school. Contractor Ellerton Edwards spoke at some length on his problems in obtaining materials, etc., for the completion of the work.

President Carroll Nichols suggested a project be selected for the organization to work on. It was voted to start grading the school grounds. Byron Butterfield and Lester Hill were appointed a committee to work on this project. Contributions of money will be solicited and a day will be set when interested townspeople will be invited to work at the school. The ladies of the association will plan a meal for the workers.

PREDICTS 3 MILLION PERMANENT ARMY

HILLSBORO—Milo Farmer, a secretary to Senator Styles Bridges, warned members of the Community Association Monday that the U. S., would have to continue to tighten its belt, that taxes will continue to be high, and that costs in men and wealth would be great.

A founder of the association Mr. Farmer is also a former pastor of the Methodist church. Now a resident of Bow, he gave up his teaching at N.E.C., to work for Senator Bridges.

Mr. Farmer, an excellent speaker, has gained a keen insight into the Washington scene and told much of what a Senator does in Washington, his voluminous correspondence, his committee meetings, and the types of letters a Senator gets and how they are answered.

Mr. Farmer in reply to a question said he was personally opposed to preventative war and that he believes the people of the United States are, but that sooner or later the U. S. would have to face up to the Russians. He said that we could expect a 3 million permanent army and eventually a system of universal training. He said that the fight given the UN by a tenth rate power in Korea should be a lesson to the U. S., which by the grace of God was permitted to get ready in World War II.

At the meeting preceding the speaker, W. E. Richmond read a letter from the Creative Artists group of Keene and it was decided to sponsor the nativity scene of the group, a huge ensemble. The creche would probably be set up in Butler Park. The Fortnightly club and the League of Women Voters will be asked to co-sponsor this Christmas event.

W. E. Lutske, George Boynton, and John E. Tasker will head up the merchants Christmas committee.

FRANK H. WILLIAMS

Frank H. Williams, 73, died Friday, Oct. 6, at a Concord hospital. He had lived in Antrim for about eighteen years, and was employed by Fred Proctor. Funeral and committal services were held in Marlboro, Mass., on Monday.

youngest girls are happy when allowed to sleep outside near the camp buildings. The Fourth of July parade was quite different from the rest.

The girls are expected to make a costume out of whatever they have at hand. Some were very clever,—like the one made of cereal boxes. Pictures of the small Nissen grandson were enjoyed too.

The youngest guest present came with his grandmother, Mrs. Earl Beard, and enjoyed his supper and the pictures of the horses, if not quite old enough to enjoy the rest of the scenes as did Frank Gay, the oldest guest present. The supper was served and arrangements for the program made by Mrs. Helen Keast and her committee, Mrs. Hulda Johnson, Mrs. Grace Stevens, Miss Edith Craig, and Mrs. Grace Crane.

Local Boys Score at National Contest
Hillsboro folks were pleased to hear the results last week of the 4-H National Dairy Judging contest in Iowa in which Donald Wood of Deering and Jack Tasker of Hillsboro were on the New Hampshire team.

Donald, in individual scoring, placed fourth in national honors. He also was high scorer on the N. H. team, with Jack Tasker scoring second. In the competition with the other 4-H judging teams of the nation, New Hampshire placed eighth.

This annual trip to Iowa for the national contest is arranged by the 4-H organization on the basis of previous county and state competition. The Plymouth Fair Association each season donates \$300 toward the expenses.

Rebekahs

District Deputy President Sylvia Ashford and staff members of Hand-in-Hand Rebekah lodge of Antrim installed the following officers at a regular meeting of Hope Rebekah lodge on October 5.

Noble grand, Harriet Heath; vice-grand, Janet Sharby; rec. sec., Lotie Harvey; fin. sec., Carrie Cross; treas., Eva Doble; R.S.N.G., Elsie Moseley; L.S.N.G., Beulah Colby; R.S.V.G., Willa Phelps; L.S.V.G., Elsie Yeaton; chaplain, Katherine Gregg; conductress, Bertha Elgar; warden, Ione Nelson; outside guard, Gertrude Colby; musician, Belle Weber.

Gifts were presented the installing officer and the retiring Noble Grand, Francina Yeaton.

Preceding the meeting a delicious supper was served to members and guests from Antrim. The youngest guest present was Sandra Colby, going on three.

Whist Club

The Thursday Afternoon Whist club has been changed so that the first meeting of the season will be held on Friday, Oct. 13. Hostesses for the afternoon are Mrs. Warren P. Grimes and Miss Angie Marcy.

Mr. and Mrs. Kendall Blake and two children came from Manchester recently to call on his mother, Mrs. Lora Blake, and her parents, Mr. and Mrs. Howard Lacey. Kendall, who was supervisor of the Wingate Potato Chip company in Manchester has been transferred to a similar position in Beverly, Mass.

Mrs. Carrie Hunt of Malden, Mass., was a guest at Valley Hotel last week and called on her old friends of the Center. She returned home with Mr. and Mrs. Dexter Freeman, formerly employed at Rosewald farm.

Miss Rosemary Bridgen of Middletown, Conn., came up last week to see her brother, Frank, and wife, who were guests of Mrs. Ernest Marcy.

Mrs. Scott Kendall and daughter, Shirley, Mrs. Daniel Jameson, and her daughter, Ann Louise, were Sunday dinner guests of Mrs. James Leach.

Mrs. Blanche Wingate of Melrose, Mass., spent the weekend in town. She especially enjoyed a picnic with Mrs. Florence Favor and Miss Bernice Miller at the old Clark Kimball farm where she had visited so many times in the past.

Mrs. James Clark Merritt and three children and Mrs. Homer Dodge (Anna Merritt) and son, Edwin, of Northampton, visited their aunt, Mrs. Florence Favor, on Sunday. Edwin has recently returned from Japan.

Mrs. George Hall and Mrs. Burt Smith spent Wednesday in Boston and on Thursday they will leave on a Colpitt's Autumn Foliage Bus trip to New York. From that point they will go over the Mohawk Trail to Albany for a one-night stop and over the Taticnic Trail through the Berkshires, down the Hudson River to New York City where they will spend three days visiting

points of interest, attending the theatre and other entertainment.

Mr. and Mrs. Theodore Morse (Gladys Buttrick) of Mattapoisett, Mass., spent the weekend with her mother, Mrs. Mark Buttrick, whom they took back with them for an indefinite stay.

School street is perking up. Recently the Tasker and Woods houses were both painted, and at present Philip Woodbury's big house and funeral home is receiving a new coat of white paint.

Mrs. Robert Fletcher (Anna Harrington) spent the weekend with her family here. On Sunday afternoon Mr. and Mrs. Raymond Harrington, Miss Katherine Harrington and Mrs. Fletcher visited Mr. and Mrs. Earl Barnes (Margaret Harrington) in Dover, where they found them very happily situated. Earl is pleased with his position and they live only a short distance from Father Leddy's church. He will be remembered as formerly in charge of St. Mary's parish in Hillsboro.

The favorite pastime of the near future will probably be raking leaves from lawns and gardens. Fay Baldwin has already begun.

Mr. and Mrs. Roy Willard of Chester Depot, Vt., with their five young sons spent the weekend with the Ronald Buttrick's. Mrs. Willard is Mrs. Buttrick's sister.

Donald Wood and Jack Tasker arrived home from their trip to Iowa late Monday evening.

Mr. and Mrs. Richard Hall and two children of Attleboro, Mass., spent the weekend with his mother, Mrs. George Hall.

HENNIKER

Mrs. Aree Gagnon

HENNIKER—Mrs Aree Gagnon, 72, died Saturday night at her home here after a brief illness.

Born in St. Pierre, Can., she had resided in Henniker for 40 years. Survivors include a daughter, Mrs. Alice Wright, and two sons, Edward and George Gagnon.

The funeral was held from the home Tuesday morning, followed by a requiem mass in St. Theresa's church at 9 o'clock.

Burial was in St. Mary's cemetery, Hillsboro. The H. L. Holmes and Son were in charge of arrangements.

Deputy and Mrs. Willis Munsey visited Warner grange on Wednesday evening when Deputy Munsey made an official visit.

Mr. and Mrs. Charles Ernest visited relatives in Pepperell, Mass., last week.

Mr. and Mrs. Mert Buckley and Mr. and Mrs. Clarence Yeaton of Concord spent a recent weekend on a trip through the White Mountains and the Adirondack Mountains.

Dr. and Mrs. Laurie Cox have returned from a three week's trip to New Brunswick, Nova Scotia, Cape Breton and Prince Edward Island. They visited four national parks and took the Cabot Trail around Cape Breton.

Judge Lewis Carpenter attended the meeting of the Association of Municipal Judges at the State House, Concord, on Wednesday. Cpl. John E. Parker of Fort Dix, N. J., formerly of Fresno, Cal., has been visiting his mother, Mrs. Leon Parker, for a week.

CORRESPONDENT

Mr. and Mrs. Earle Steady of Laconia were recent guests at the Lewin Chinchilla Ranch.

The Ladies Aid of the Chapel met at the Chapel on Wed., Oct. 4th, with the Bridge Home Extension unit as their guests. The Christmas box was displayed and many patterns taken. The food sale was such a financial success that it was voted to have another at an early date. The kit for the U.N. flag was explained. This flag is not intended to take over the flag of the United States of America. In each kit will be found the proper code for display of the flag with the Stars and Stripes. It goes behind to the left or below our flag. The foes of the UN are quick to fight any place to bring it to the attention of the American people. United Nations still is our best hope for peace in the world. Kits were ordered for the Upper Village and Bridge unit.

Several members and their guests from our village enjoyed the Garden club's family supper last Saturday in Hillsboro.

Mrs. Irving Jones and Mrs. Frank Orser attended the canasta party held by League of Women Voters in Hillsboro, Friday evening. This was a very enjoyable evening.

Mr. and Mrs. Andrew J. Lewin spent last Wednesday in Sanford, Maine, on Chinchilla business.

Miss Marian Gibson spent a few days last week with her mother, Mrs. Fred Gibson.

It is the old lesson--a worthy purpose, patient energy for its accomplishment, a resoluteness undaunted by difficulties, and then success.
—Punshon

Mrs. Ruth Otterson
CORRESPONDENT

A meeting of School Supervisory district, 24, which includes Antrim, Deering, Hillsboro, Henniker and Washington was held at Washington Town hall recently. Fifty school teachers and wives and Superintendent Stewart V. McCormack and Mrs. McCormack attended. Dr. Thomas O. Marshall, Director of Department of Education at the University of New Hampshire was guest speaker. A short program of folk songs and dances was presented by Washington Center school children, under direction of Miss Margaret Hoyt, Miss Elizabeth Merrill and Mr. Kenneth Jewett, local school personnel. A roast pork dinner preceded the meeting, and was prepared and served by Mrs. William Rodden and Mrs. Norman Fletcher, assisted by parents of local school children. Those assisting were Mrs. Hazel Drew, Mrs. Ellena Rolfe, Mrs. Bertha Otterson, Mrs. Zaida Cillee, Mrs. Ruth Otterson, Mrs. Genevieve Monroe, Mrs. Ruth Faro and Mrs. Edith Porter.

Mrs. Nellie Nichols underwent an operation at the Newport hospital last week. She is recovering every Saturday and is improving home day.

Mr. and Mrs. Stanley Drew and Mr. and Mrs. Harry Davison took a trip to the White Mountains last Sunday.

Mrs. Richard Tweedy entertained Mr. and Mrs. Kenneth Jewett at

Messengers For Sale at Colburn Bros. Store, Lowe & Johnson, Corner Grocery Store, A. D. Eastman Store and Sawyer's Weare Center Store.

News of interest to the older folks has just been received. Aaron B. Poore, former resident of Weare, passed away at Candia, Sunday. Mr. Poore, who was 79 years of age, will be remembered as station agent in Weare, back in the days when we had a train. He had been a member of the Odd Fellows for 51 years. While in Weare he was also a member of the Weare Band, and the Weare baseball team. He married Lillian Sargent, of South Weare, and on leaving town went to Reeds Ferry and later was a telegraph agent at the Manchester depot. Funeral services were held Wednesday at Seavey Funeral Par-
Antrim visitors one day recently, to see Mrs. Cleveland's new daughter, Patricia Rose, and her mother, Mr. and Mrs. Raymond Sweeney, the former Jerry Welch. Patricia has a brother, Raymond, Jr., and "Skippy."

The Junior class of Weare High held their "Canteen" Friday evening at the High school. Movies formed part of the entertainment, with dancing and refreshments. Chaperones were Gordon Travor, advisor of the class; Miss Batchelder and Miss Betty Purington. The Girl Scouts of Weare are busy with their new season's projects. The senior Scouts meet Friday alternate afternoons after school, with Mrs. Wilfreda Lowe. The intermediate Scouts meet Thursday after school, with Mrs. Cleveland and Teresa Salem were

Dorothy Spaulding, leader. N. H. members of the "Aggie" class attended the meeting of the Poultry-Growers Association at Peterboro, Tuesday.

Weare Boating club met Monday evening at the Firehouse, Ren Philbrick, president, conducting the meeting. Jane Flanders, one of the younger members, acted as secretary in the absence of Bertram Hadley. Interesting movies by the Ford Motor Corp., were shown by Chester Lowe, and Mr. Harris, of the Manchester Chamber of Commerce, spoke on "United Sportsmen." It was also suggested that Wilbur Cox of Remington Arms, be asked to give an exhibition in Weare.

The Sunday night singers met at the Wallenstein home, on Flanders Memorial road, with the usual group. As Mrs. Nettie Flanders is still not feeling too well, they plan to meet next week at Mrs. Ruby Sargent's home. Peach shortcake and coffee for refreshments ended a pleasant meeting.

October brings those last fall vacations. Mr. and Mrs. Wilder Tenney and family took a weekend trip to the White Mountains. Though the foliage was past its full beauty, the rugged mountains held their usual grandeur. Dixville and Pinkham Notches were visited, and of course the "Old Man." Stopping at Berlin, father and son especially were interested, as it was Fire Prevention Week, in the Berlin Firehouse and equipment. They all enjoyed feeding the tame bears.

Mr. and Mrs. Charles Regan entertained the Leslie Kimballs, of Long Island, who returning home were accompanied by Mrs. Regan and her granddaughter, Janet LaRoux, of Laconia. Miss LaRoux, well known in Weare, goes into the Air Corps, taking her basic training in Texas, planning on Weather Observer or Photographer.

Many points of interest were seen in New York state. One of especial interest was a trip to Chinatown, and services in the Chinese Mission which were very impressive. They also took a boat trip up the Hudson River, past the beautiful Palisades, and to Grant's Tomb. The Statue of Liberty was another highlight of the trip.

Each week another Weare boy makes plans to enter, or re-enter, the U. S. service. Chester French, Jr., who is a popular school bus driver, is making plans to leave; also Frederick Sawyer, formerly of Weare, but now living in Manchester.

Woodrow Wilson has taken a position with Weare Telephone Co.

The first church supper of the year was held Saturday, with the apron sale as usual. The Union Circle, which meets regularly, have plans for a Novembre supper, and also a sale.

Next week Star Rebekah lodge will install officers for the coming year.

HILLSBORO

Eugene Leeman has been restricted to his home on Bridge street but is able to be out of doors again. Mr. Leeman was employed at the woolen mill for many years, previous to his retirement.

"Looking to the Near East" was the subject presented by Robert Derosier of the High school faculty at the meeting of the Ladies' Benevolent society in the vestry of Smith Memorial Congregational church. Members of the Deering Women's Guild were guests of the organization for the annual rally and guest day program. Mrs. C. J. Whitehill of Prospect street was the guest soloist.

League Information Service

by GLORIA HINES, for League of Women Voters of Hillsboro

Know Your Town Government

Beginning with this issue, the League of Women Voters of Hillsboro will bring you facts concerning YOUR TOWN GOVERNMENT via this column. If there are any special questions which the reader wishes answered, we will do our best to arrive at the factual answer and print it for you.

Today, we give you a report on the PRECINCT, as given to us by Judge Marshall Derby.

Authority for Precinct Government came about on March 23, 1870 by petition of 24 legal voters to the annual Town Meeting, at which time boundaries were set for Hillsboro Bridge Fire District. A special Town Meeting held August 6, 1870 adopted this matter. Three Firewards were elected, Edwin B. Morse, Ruthven Childs and Lewis W. Golland, one for one year, one for two years and one for three years. June of 1886, George C. Patten prepared a map of this district (there is a copy in the Selectmen's office), which was very irregular because some did not wish to be included, and others did. In order to change this to a square, which would serve all sections much better, those living outside the precinct must petition the Selectmen to change the precinct line.

On February 23, 1897, action in the Senate was started to create The Hillsboro Bridge Village Fire Precinct, and several others in the state at the same time. The purposes for which it was established are: 1) Extinguishment of fires, 2) Lighting and sprinkling of streets, 3) Planting and caring for shade and ornamental trees, 4) Construction and maintenance of sidewalks, 5) Main drains and sewers, 6) Operate and extend the Water Works and Fire Department.

The first record of a fire dept. which Judge Derby could find is Sept. 6, 1831. Whatever went before was probably something of a neighborhood affair. Meetings of the company were held monthly, and it was a very serious matter to belong to a fire company. Article 14, adopted in 1836 says: "It shall be the duty of every member to attend any fire that may break out in any building within 2 1/2 miles of the engine house. If he cannot give an excuse satisfactory to two-thirds of the company and in case of neglect shall pay a fine of not less than 25 cents and not over five dollars for the use of the company." Some of the records are interesting. The record for March 31, 1838 had 12 men present and the following bills for the month were paid: 2 pairs 30c, painting 20c, 1 pint rum 6c, 1/2

pint oil 8c. At a later meeting the same year: 20 men present, 1 quart rum 15c, and 1/2 pint oil 8c.

The Fire Department must have gone along smoothly because no special records are shown for a number of years. Later a new fire station was built. 1923, a new Maxim Pumper was purchased, and is still in use; 1926, a new Maxim Ladder Truck was purchased, also in use today; and in 1946, a new Seagraves Pumper was bought for \$10,200. If that had been bought on today's market, it would cost \$18,000, with two years for delivery. In 1931, the old sprinkler cart and several sleds were sold in order to avoid paying storage. 1933 found the Fire Department with a balance in the bank, and as a result, asked for only \$1000 appropriation.

The expenses of the fire company are paid by the precinct, but outside fires are later paid for by the town. Expenses for attending an out-of-town fire are paid for by that town. The Fire Dept. has an agreement with most of the towns nearby to the effect that the Hillsboro Fire Dept. will take care of fires if called. Windsor is the exception to this. To quote Judge Derby: "We were unable to get a statement either way from the selectmen, who told us verbally not to come, but put nothing in writing. The last bill we sent them, they refused to pay".

1947 -- New heating system was installed in the Fire Station at a cost of \$2200, and was paid for out of water rates as voted. It also heats the Police Station, and the town pays 1/4 of the fuel bill.

1950--New fire alarm signal system was installed in Fire Station at cost of \$2,500. This system includes a new box in the telephone office, which box facilitates calling men to the station. Soon a new box will also be installed on Henniker Street near the corner of Preston St. Judge Derby feels that it would be a general improvement to the Fire Dept. to enlarge the Fire Station so that the new forest fire truck could be kept with the other equipment, thereby making it more readily available in cold weather.

The Hillsboro Bridge Village Fire Precinct has 3 fire commissioners and 5 water commissioners, a treasurer, moderator, and clerk, some of which are elected each year at the precinct meeting, which get its authority from the public laws and regulations, and has jurisdiction over all precinct affairs. Commissioners meet when necessary, but not regularly since all members are nearby to talk things over. Meetings are open to

the public. When it came to buy a new fire truck or fire system, the commissioners asked ten other men of the precinct to sit in the discussion, and the selection was made by twelve men. The Fire Commissioners are elected to office for 3 years, other officers, with the exception of the Water Commissioners, are elected for one year.

The town takes care of the lighting system, as the lights go beyond the boundaries of the precinct. And today, sprinkling of streets is not needed. Judge Derby said that this is the first time he had heard of the duty of planting and caring for shade and ornamental trees. Most of the trimming is done by the Telephone Company and the Public Service Company for their lines.

However, he does think that it would be a good idea for someone to be designated to set out new trees in bare spots, and to replace the trees that have to be cut down because of disease, etc. Sidewalks are the care of the Selectmen. Main drains are taken care of by the highway agent, and sewers by the water commissioners.

Your Fire Department Commissioners are: Treasurer of Precinct; Moderator of Precinct; Clark of Precinct. The Precinct operates any services possible with the Town, but none in common with other towns.

Questions should be mailed to Know Your Town Government, care of Gloria Hines, Box 82, Hillsboro, N. H.

This is

Your Paper You're Angry? Write a Letter

By William R. Nelson

NEWSPAPER subscribers who become angered at the paper have long used cancellation of their subscription as a means of showing their irritation. Such action is generally looked upon as being the same as stopping patronage of a store to show displeasure. But, is it the same?

The reader who cancels a newspaper subscription does not cancel telephone, gas, water or electric service to show displeasure with those services. Yet, the home town newspaper is, in many ways, comparable to utility services.

Subscription is a Fraction

There is a notable difference between newspaper and other utility services. It is the individual subscriber's share of the cost. For all services except newspaper, the subscriber pays the full share of cost plus a profit or its equivalent.

The subscription price of the home town newspaper, however, is but a fraction of the actual cost of producing and delivering it to each subscriber.

Unlike other services, where the subscriber can somewhat control the cost through regulation of the amount used, neither the subscriber nor the publisher can regulate the amount of newspaper service to be rendered. Being a continuous recording of local history, the amount of newspaper space required is bound to fluctuate. To meet its obligation, yet keep the cost of its service so low all can afford it, is why the paper sells subscriptions below cost.

Cancelling a subscription to a newspaper, it seems obvious, is not the best way to show displeasure.

A better way is to write a letter to the paper. If your point of disagreement is a matter of general concern, and you authorize it, the paper will publish your letter. In that way you publicly chastise the paper and tell another side of the controversial matter.

Publication of matter critical of themselves is another of the unique characteristics of our newspapers. No other public or private institution or service is so willing and eager to publicize its own mistakes.

Subscribing to the home town newspaper should be looked upon as the same as subscribing to the other services available in the community. The price is small and actually below the cost. And, whatever the amount, it is a necessary item for complete enjoyment of life in the community.

EDITORIAL COMMENT

Children in Need

The campaign now going on in Hillsboro and neighboring towns for the N. H. Children's Aid Society is part of a state-wide appeal for funds to help support its services to N. H. children for another year. As a private organization, the society is dependent upon the help of all of us in its program of foster home care of children, its medical clinic and child guidance services, and its adoption work.

To grow up into normal, well balanced adults, children need the love and security of a good family life. For children who cannot be cared for in their own homes, the

N. H. Children's Aid Society provides foster home care with substitute parents under the supervision of trained caseworkers. Everyone can share in this vital service to the children of our state by contributing toward the support of the Children's Aid Society. Services to Hillsborough County children last year (exclusive of Manchester) cost the N. H. Children's Aid Society \$10,539.4. Contributions from the same area totaled \$5,909.50.

Any amount is welcome and helpful -- and should be sent to Mrs. Fred A. Lundberg in Hillsboro; Mrs. Elsie Purington in Weare; or in Antrim to Mrs. Alwin E. Young.

Time-Place-Fact

by Jeanne Eccles

In the *New York Sunday Times*, Aline Be Loucheim tells of the 75th anniversary exhibition at the famous Art Student's League. In 1875 there were 134 members in the League, in 1883 there were 500 members, and when celebrating its 25th anniversary in 1900 there were 1,000 members. In this year, 1950, the Art Student's League has 3,000 members. It has had an enormous influence on art in America and its membership lists are studded with names of the famous. Aline Loucheim says the League has been criticized for its lack of direction, its sparse personal attention, its open-door policy. But it is perhaps these very factors--its democratic, all-inclusive esthetics, its "Paris-attelier" atmosphere and method of instruction, and its willingness to take anyone who purports seriousness (whether debutante or devotee) which has kept the League strong and alive for 75 years.

Some of our harvest still lifes are coming to completion. Sylvia Van Hazinga is right back in stride after having a series of children's ailments to care for--John Rowen of Boston made his appearance too, with the wool market up and up and up! he has had to stick to the Boston office instead of traveling.

The Community Association, at its dinner meeting Monday evening, had the pleasure of hearing Milo Farmer of Concord and now Senator Bridge's secretary speak to them. During the business meeting it was voted to accept the enormous out-of-doors Christmas Creche made and so kindly offered by the active Keene Creative Artists group.

Using this religious theme as a background, with the thought of so many of our towns young men in the service abroad and at home, and in addition having the beautifully lighted Christmas tree nearby, plus Santa Claus and gifts, for our

school age youngsters. Hillsboro will be a beautiful spot for all here trying to carry on "business as usual" and a credit to those away trying to bring happy home memories to mind. Let's start early and do things right!

Mrs. Utterbach of Bangor, Maine, and for several seasons a student at the famous Ringling School of Art in Sarasota, Florida, visited our Cellar Studio a few days ago. She thought it really remarkable that such a group could be found in this size of town. In Bangor, Maine, a large city, there is no art group or instruction. She is giving a one man show of about 30 landscapes and portraits at the Bangor Public Library this coming week and hopes to create some interest in this way.

TIME: Every Wednesday evening from 8 to 10 p.m.
PLACE: Cellar Studio, Valley Hotel.

FACTS: You are welcome as a worker or a visitor and Stuart Bruce is our instructor.

Judge not without knowledge, nor without necessity, and never without charity. —Dr. Alex Whyte

Mr. and Mrs. Ross Robertson were in Worcester, Mass., on Wednesday evening to attend an Odd Fellows supper.

Leon O. Cooper found a dead hawk in the road in front of the E. M. Beck house one morning about 7:30 this week. The hawk had been run over by cars to mangle it so that it was impossible to tell what kind it was. But it certainly had a vicious looking beak and the legs were thick and strong with big claws. But how the hawk came to be in the road is a mystery.

Mrs. J. Albert Norton entertained the Jolly Five club at her camp at Lake Massacum for their first fall meeting last Friday night.

ANTRIM (Continued from Page 1)

Mrs. Arthur Amiot has two Radiance rose bushes in bloom in her garden, one pink and one red; the pink rose bush has one full-blown rose at present and six buds just beginning to open. This is something of a record Mrs. Amiot believes.

Mrs. Leon Hugron, Mrs. A. Bezio, Mrs. Roger Griswold and Mrs. George Stamatelos have recently begun work on the night shift at the Ball Bearing Co., in Peterboro. Miss Dorothy Robertson and Mrs. Arthur Amiot have worked on the day shift there for some time. Mrs. Bezio furnishes transportation for the night shift employees.

Mrs. Sylvia Ashford, district deputy president installed the officers of Hope Rebekah lodge Thursday of last week. Assisting were Mrs. Albert Thornton, pianist, Mrs. Andrew Fuglestad, marshall, and Mrs. Walter Hills, Mrs. Kenneth Roeder, Mrs. John Thornton, and Mrs. Hedley Allison.

Mrs. Donald Madden returned home from Monadnock hospital, Saturday.

Mr. and Mrs. Young and children from Hillsboro have moved into the tenement recently vacated by Mr. and Mrs. Henry Miner on North Main street.

Mrs. Blake Robinson is at the home of Mr. and Mrs. George Nylander for the winter.

Richard Pihl, B & M station agent, has purchased the Goke house on Elm street, now occupied by Mrs. Dorothy Butler, who we understand will remain through the winter.

The Domestic Science Classes of AHS accompanied by their instructor, Mrs. Ross Roberts, visited the Ocean Born Mary house in Henniker Friday to study fabrics and styles in connection with their study of fashions. They carried a picnic lunch and enjoyed an interesting and instructive day.

Friday evening the eighth graders enjoyed a straw ride.

Mrs. R. H. Tibbals and Miss Faye Benedict returned Monday from Connecticut where they visited relatives.

Mrs. Alfred Warren and three daughters from Derry are visiting her parents, Mr. and Mrs. J. L. Muzzev.

Mr. and Mrs. Scott Emery from Peterborough called on Mrs. George W. Hunt last week. Mrs. Emery has been ill since last winter and is just getting able to ride this distance.

Mr. and Mrs. Paul Beaumont (Jane Hurlin) of Milton, Mass., announce the birth of a son, Oct. 6.

Mr. and Mrs. Lawrence Harper have closed their home here and are en-route to Mississippi where they plan to spend the winter.

Mrs. Frank Seaver from Milford was at home over the weekend.

Rev. Harrison L. Packard, pastor of the Center Congregational church, preached as usual Sunday morning, then journeyed to Greenfield where he substituted in the Congregational church there for Rev. Walter Whitney who is in Florida for a short stay.

Mrs. Althea Musson of Athol, Mass., was a recent visitor at the home of Mrs. H. W. Eldredge.

Mrs. Dorothy Butler was in East Orange, N. J., last week to assist Mr. Oscar Robb in getting settled for the winter at the home of his daughter, Miss Bernice Robb.

Next Sunday morning, October 15, Laymen's Sunday will be observed in the Antrim Presbyterian church. Mr. Wallace Webb of Manchester will be present and speak and members of the church will have parts in the service. Service at 11:00 o'clock.

When a cantaloup is picked at full maturity, the stem pulls out cleanly leaving a round depression-look for it when shopping.

Mrs. Maurice C. Newton
CORRESPONDENT

There was an exhibit of fruits and vegetables, also canned goods and needle work Tuesday, Oct. 10, at the Grange hall.

The Bennington Congregational Woman's Guild will meet on Friday afternoon at the home of the president, Mrs. Maurice Newton.

Don't forget the Woman's club meeting which will take place on Oct. 20th, at the home of Mrs. Black.

The Men's club will meet Oct. 25, in the evening in the vestry.

Mr. and Mrs. Charles Rosall and son visited their parents in Norwich, Conn., this past weekend.

John Eaton is gaining slowly from his recent operation.

Aaron Edmunds has returned to work this week. He is doing very well after the painful operation of a tumor in his throat.

Mr. and Mrs. Harry Whitney of Meriden, Conn., and Mr. and Mrs. Benjamin Griswold and children from Antrim visited Mrs. Marion Griswold this past weekend.

The auxiliary to the Sons of Union Veterans of the Civil War held their inspection at the last meeting. The department president made her official visit at this time. Four new members were taken in. There were visitors from Troy, Keene and Hillsboro. Refreshments were served after the meeting.

HILLSBORO HIGH SCHOOL

Word has been received that all the members of the U. of N. H., freshman class from the Hillsboro High school have qualified in the English placement examination. Those qualifying are exempt from carrying English work without credit. Included in this group are Cynthia Gilbert, Janet O'Connor, Roswell Whitcomb, Priscilla Nissen, Frank Macukewicz and Ellen Feldblum.

Cynthia Gilbert met the college foreign language requirements in the French placement examination and Priscilla Nissen met the college foreign language requirements in the Latin examinations. Both girls have the option of not carrying a foreign language while in college.

HILLSBORO

Mr. and Mrs. Wesley Smith were in Grasmere, Sunday visiting relatives.

Eighteen members and their leader, Mrs. Cyrus Phelps, and Mrs. Barnard Jones attended 4-H County Round Up at Hudson on Saturday. Jean Devlin, Theresa Dugan, Patricia Cote and Patricia Yeaton gave two skits on the program. The club was given recognition for reorganizing this year.

What People Are Doing In HENNIKER

Mrs. Diamond Maxwell, Henniker Correspondent

Tel. 35-2

Walter Houghton, of Lynn, Mass., is spending several weeks at the home of Mrs. Edward Connelly.

Mrs. Harry Carr of Lowell, Mass., spent the weekend with Mr. and Mrs. Lewis Carpenter.

Mr. and Mrs. Lewis Carpenter and Mrs. Harry Carr were in Warner on Sunday for the Fall Foliage Festival. Mr. Carpenter was drum major for Bektash Temple Band.

Mr. and Mrs. Grover Annis and Mr. and Mrs. Thomas Denio of Claremont recently visited Mr. and Mrs. Almon Bushnel of Meredith.

Mr. and Mrs. Charles Phelps and Mr. and Mrs. Clarence Edmunds spent Sunday in St. Johnsbury, Vt., visiting Mr. and Mrs. Robert Knapp.

Mrs. Clarence Edmunds and Mrs. Russell Riddle were in Troy on Monday evening where Mrs. Edmunds inspected the work of the auxiliary of SUV.

Mrs. Clarence Edmunds was in Concord on Tuesday evening to attend the reception to the department president of Daughter of Union Veterans.

Mrs. Clarence Edmunds was in Lakeport on Wednesday night for

inspection of the auxiliary of SUV.

Diamond and I visited friends in Alfred, Maine, several days over the weekend. We hadn't been down

for four years. On Sunday afternoon we enjoyed a trip to Portland, Maine, which I had never seen. We rode down on the Maine turnpike, and it is just like riding on velvet.

We went by the Maine General hospital, and then rode on the Eastern and Western Promenades which give lovely views of Portland Harbor. We returned to Alfred by way of Westbrook, Buxton, Hollis and Waterboro, Maine. We went by the birthplace of Kate Douglas Wiggin in Buxton, and saw the church of her play, "The Old Peabody Pew," which was given here by the Woman's club several years ago.

We also saw a great deal of the country which was burned over three years ago and many of the residents are worried as it is so

dry now. The burned trees are still standing. Many of the houses were rebuilt while of course others were not.

We went to Alfred by route 202 and found that that route goes from Peekskill, N. Y., to Bangor, Maine. Except for a few stretches, the road is mostly as it is through Henniker.

Mr. and Mrs. Sharon Jameson have been visiting Mr. and Mrs. Ronald Jameson of Walpole.

Mrs. Gertrude Blackman of Baldwinville, Mass., spent the weekend in town with Mrs. Edward Connelly.

The Woman's club will meet next Tuesday afternoon in the parish house, for the observance of Beach

Day. The music department in charge of Mrs. John Hollis will present Mrs. Hilda Bruyneel, reader from Weare. Mrs. Ralph Roberts will be vocal soloist.

The Harvest Supper by the Ladies of the Methodist church will be held next Wednesday evening in the vestry.

Mr. and Mrs. Gilman Day have moved into Norman Greenly's house which they recently purchased.

The local jalopy is back in the running again but it did not do very well Sunday. One of the college students is driving it now.

Miss Carolyn Beane is employed at General Electric, Schenectady, N. Y.

Miss Nancy Farrer was a patient at Memorial unit, Concord hospital, where she was operated on for appendicitis.

Steven Connor, son of Mr. and Mrs. Frederick Connor, is a patient at Memorial unit, Concord hospital.

Mr. and Mrs. Ross Robertson entertained "The Pitch club" of Worcester, Mass., last Sunday. Guests

A Messenger Publication — 7
Thursday, October 12, 1950

were Mr. and Mrs. A. F. E. Briggs, Mr. and Mrs. Leroy May, Mr. and Mrs. C. W. Huntington, Mr. and Mrs. Herbert Dixon, Mr. and Mrs. Fred Smith, Mr. and Mrs. William Hodgkins, and Mr. and Mrs. S. W. Hine.

Who Runs America?

the Congress?

the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today —keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organ-

izations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

- | | |
|---|--|
| General Federation of Women's Clubs | American Legion |
| American Farm Bureau Federation | National Association of Small Business Men |
| National Grange | United States Chamber of Commerce |
| Veterans of Foreign Wars | National Association of Retail Grocers |
| National Conference of Catholic Charities | National Retail Dry Goods Association |
| American Protestant Hospital Association | American Bar Association |

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the proudful security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today

in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

You and Your Neighbor Run America!

The Clothes Line

Critical about his spouse in dungarees, customer said, "Darlin, do you think the end justifies the jeans?"

Justifications or not we are selling more ladies' dungarees than ever. "Jeanies" with side zipper have more fit than is usual in a common pair. \$2.69 today. Long sleeve plaid shirts to go with the \$2.49.

It's not too early to get your child's snow suit now while our line is complete. At no advance in price youngsters 2 to 6 sizes start at \$8.75. For those who want all-nylons we have them too for \$9.95. See ad on page 5 of this issue about Pram suits... for \$7.95.

One mother told us, "I think it's wonderful to be able to get snow suits right here at home. When I have sent away, I have a hard time getting the right size as they seem to vary so much. It's a great convenience to bring the children in and have them try the suits on to see how they look and fit."

Buy of the week... ladies' beaded soft leather moccasin slipper with white fur trim, and warm estron lining. Red or blue. Good to wear now or buy for Christmas. Only \$2.98.

You probably won't buy a raincoat or umbrella on a pleasant day, but the next time it rains you can find one here in a jiffy.

This fall in Esquire magazine and the fashion newspapers men are reading a lot about Mr. "T." He's even coming to Hillsboro.

SPORTSMEN'S COLUMN

by **GEORGE S. PROCTOR**

NEW HAMPSHIRE CONSERVATION OFFICER
Phone 104 Wilton, N. H.

Several requests for watch dogs the past week. What have you? Mrs. Marion S. Draper of Lake Ave., vice-president of the N. H. Humane Society, usually has several on hand.

Two weeks ago I told about Andrew Caron of Greenville finding a nest full of pheasant eggs in the hay field. He put the eggs in the stove oven till I got there. I put them under a banty hen and one day this past week she came off with ten. I consider that a fine hatch after a mowing machine went over them and a four mile ride in a fliver. One of James Proctor's hens did the trick. Here is another hen or peacock story. I got a setting hen from Watts of Mont Vernon, set her on peacock eggs and she hatched 100%, five in all. Another hen from Larrabee of Peterborough and she came out with 6 out of 8 eggs. These peacock eggs are as large if not larger than a turkey egg.

One day last week my peacock hen came off with 4 out of 7 eggs. One egg seemed alive so I ran in and stole a bulb out of the parlor and put the egg in an old brooder and two days later the young peacock popped out. Ever hear of that stunt before?

A Massachusetts salvage crew took out of one small pond 350 pounds of snapping turtles. Massachusetts is turtle minded and is going to do something about it.

A beaver released in Massachusetts in May '48, in Hawley, at 14 pounds weight, was recaptured August, 1950, in Chesterfield, Mass., at 49 pounds. It only traveled 15 miles in its two years freedom. Must be good feed in Massachusetts.

If you notice a cat licking its fur, look out for a good electric storm, because the air is then charged with electricity to which cats are extremely sensitive. Watch your cat for a weather breeder.

Last week I had three different parties saking for baby skunks. Do you know of any? Tell us.

Never have we heard so many complaints about damage to corn fields by quill pigs. Porcupines to you. They leave the corn fields a mess, tearing down the stalks and covering the ground with the stalks and leave. A raccoon will tear off the ears but will not bother the stalks.

You hear a lot of yelling about the poor woodchuck, but he does some good. He digs a hole which is used by skunks, rabbits and other small game to escape larger animals and birds.

Something new. Something strange. Philip Magoon of Greenfield has been making flies for the fishermen for years. Last week he went to Whittemore lake in Greenfield and got his limit of trout with his own flies so they must be good. Well, Phil thought up a new one. He is making fly earrings for the ladies and boy, do they fall for them. Any color you want. I took Phil a bunch of feathers, peacock, pigeon, parrot, golden pheasant, parakeets and he gave me a set. Watch me with them on some dark night.

The Nashua Fish and Game association put on a real honest to goodness field day last Sunday. It was a grand success, with all sorts of dog heats even a bear hunt. The Benson Animal Farm furnished the bear.

If you are interested in a trip into this section of the state be sure to contact Philip Darling, secretary of the Monadnock Region. He has gotten out a map giving all the different routes to take to see the best of the fall foliage. His address is Peterborough, N. H.

Have a letter from seven different men all working at the same place in Waterbury, Conn. It seems that Ralph P. Nelson, a former Milford man, gets the local paper and they all read it. Thanks fellows for the compliment.

Want a puppie? Want a kitten? Want a good ratter? Well, I have them or know where they can be had. Looks like many people are cleaning house for the winter. It's a good plan and we hope that everyone who has a cat or dog will get in touch with the nearest Humane Society and not leave them behind to run wild and kill off our small game animals and game and song birds. That's one way you can help conservation.

Looks like every Fish and Game club in the state is having field trials and field days. Grand idea. It keeps the clubs alive and we need every club. They are a great asset to the Fish and Game department and the conservation officers.

Here is a man who is out of luck. He has a custom made double shotgun size of cal. 24. This is a cus-

tom made gun and comes from Belgium and is worth \$250. He has but six shells left. It's a beautiful gun but not worth a dime if he can't buy the shells for it. Have you any idea where he can get some shells of .24 cal? Thanks for the information.

Jim McDonough, the Massachusetts rabbit project leader, has designed a super rabbit trap. The new trap uses metal and wood construction and operates in a split second. They are making 1000 of these traps to catch up rabbits to be placed in new swamps.

Had a letter one day last week bawling me out for some things I have said about too many cats on a farm. Guess this lady did not know I owned a cat. This cat was brought to me by Trooper McBain of Milford some time ago. Now my cat is a very knowing cat. She will follow me through the woods like Every night she was waiting for me. I had a gun. Almost every night she got one and I got two. I had a dog. Some weeks ago I was bothered with rats in my pigeon loft. She never bothered the fantails setting on the floor or the young ones on the floor just out of the nest. Last week she brought in to me two moles and a weasel. Now a cat or dog must be good to catch and kill a weasel. She is pure black and part angora. I owe that cat a lot of money as she always brings in her catch of rats and mice for me to see and then she takes them away. One good cat on a farm is O. K. but when you have a dozen or so you don't have any birds to keep the pests off your fruit trees and garden.

Some club out in Indiana turned in 18,680 crows' legs, meaning that they shot 9,340 crows. This club will win the \$5000 prize. Other clubs turned in a lot more which reduced the crow population in that state. I think these big crow contests in the West have reduced our crow population here.

We can see an improvement on some of our highways since the highway chief sent out notices not to throw rubbish onto the roadsides. Hope they keep it up.

One day last week I gave a two-year-old cat to a farmer in Mont Vernon. A few days later it returned to its former home on Lyndeboro Mt., a good 10 miles. Tell us, how did that cat know its way back home? In another case I picked up a big cat in Milford just six miles from my home, and it was back at its home in Milford early the next morning.

Something new yet very very old. Turtleburger. It was new to me. My niece, Dr. Marion Howe Wilder of Fitchburg, sent me over some to try. It looked like real hamburger and tasted the same. If you are interested in beating the high cost of meat here is your answer. I have had a lot of turtle soup thanks to Mr. and Mrs. Perley Cheever of the home town but this was my first attempt at the turtleburger.

Are turtles a menace to fishing? To answer this question get in touch with Redvers Whit and Bill Raymond of East Rindge. They will tell you that they have found such things in them as a heron's foot, duck's feet and bills, one big turtle even had five hornpout, one 11 inches long. These two men have taken 169 turtles since June 1. They average over 40 lbs. each. All were taken out of ponds in East Rindge.

A big bob cat is making himself a pest to a farm in Dublin. The people see him most every night prowling around the buildings. Twenty dollars on the loose. That thunder shower we had last week, Wednesday night brought my pond up 18 inches. But could use more. Never satisfied.

Lee H. Taylor, superintendent of State Parks, wants to get some mallard ducks for one of his parks

in the north country. Contact him at his office in Concord.

Here is a man in a nearby town who wants to know why he cannot attract birds to his bird houses. Well, the other day I told him to turn his houses around to face south. All his were facing north. He hopes to have better luck next year.

A friend of mine writes to correct me about my peacock. He wants to know when a peacock started to lay eggs? Webster says a lot about the peacock, meaning both sex. Lower down the page he says peafowl, both male and hen. So we are both right.

Here is a man in Groton, Mass., wants a beagle hound to replace one that was killed by a car last week. This man is a full-blooded Indian. Not fussy about markings or age.

The Granite Fish and Game club are taking over an 80-acre lot with three quarry holes. They are to stock the holes with bass and will use the rest of the land for archery, skeet, and other attractions. President Sylvester says the project looks good to him and his members. The Federated Sportsmen's clubs

ANTRIM

D.A.R. Meeting
Approved Schools Day was observed Friday, October 6, at the meeting of Molly Aiken chapter, D.A.R., held at the home of Mrs. Frank E. Wheeler. Mrs. Charles Peaslee was assisting hostess.

Mrs. Archie M. Swett, Approved Schools chairman, read a very interesting paper on the work of the thirteen approved schools, two of which, Kate Duncan Smith and Tamasee, are owned by the National Society. Mrs. Frank Orser sang the Tamasee school song. Members responded a roll call with names and brief sketches of famous educators.

During the business meeting, with the Regent, Mrs. Benjamin F. Tenney, presiding, it was voted to purchase a United Nations flag kit and have the flag ready for display United Nations Day, Oct. 24th. The report of the budget committee was accepted. The chapter voted to take from the general fund a sum sufficient to pay the balance due from the chapter on the building fund.

Mrs. Peaslee gave national defense news. Mrs. Albert Zabriske, vice-regent, read a report on the fall conference held in Concord which was prepared by Mrs. George A. Sawyer. The regent also reported on this meeting. Mrs. Zabriske read the President General's report. Members brought used clothing which by vote of the chapter will be sent to the Kate Duncan Smith school.

A minute of silence was observed in memory of Past Regent, Mrs. Elizabeth Wilson.

Following the closing ritual, the meeting was adjourned to November 3rd, at the home of Mrs. Archie Swett when Mrs. Donald Baker of Hillsboro will be the guest speaker.

Also on Nov. 3rd at 8 p.m., the chapter will sponsor a concert in the Baptist church given by pupils of Lowell Teachers' college under the direction of Miss Mabel Wilson.

MRS. ELIZABETH WILSON

ANTRIM-Funeral services for Mrs. Elizabeth M. Wilson were held in the Presbyterian church on Saturday, October 7th, with Rev. Harrison L. Packard, officiating. Mrs. Gertrude Thornton was organist and Mrs. Ethel Roeder and Mrs. Dorothy Orser sang, "In the Garden," and "Nearer My God to Thee." Hand-in-Hand Rebekah lodge, the Molly Aiken chapter, D.A.R., Garden club and Order of Eastern Star were represented.

Bearers were Lester Hill, William Linton, William Richardson and Raymond Grant. Ushers were Archie Swett, Ross Roberts and Everett Davis. There was a profusion of beautiful floral tributes. Interment was at Rollinsford, N. H., in the family lot. The Woodbury and Son Funeral home of Hillsboro was in charge.

The officers of Myers-Prescott unit were installed Monday evening in Library hall by District Director, Helen Barker, and staff from Nashua. Members of the post were invited to attend. Mrs. Gwendolyn S. Cutter, incoming president, presented the retiring president, Mrs. Marion Griswold, with a Past President's badge. Contributions were voted to the Boy Scout fund, and the Salvation Army maintenance fund. The unit voted to purchase a UN flag kit and to have the flag made by Oct. 24. It will be displayed at the Library. Beano was enjoyed after the meeting with mystery packages for prizes. Mrs. Mary George won the nickel march. Apple pie with ice cream and coffee was served by the hostesses, Mrs. Andrew Fuglestad chairman.

of N. H. are to publish a newspaper to be called "The Outdoors of New Hampshire." September 1 will be the first issue. First edition, 10,000 copies free. After that \$1 a year. The paper will be published at Claremont.

Never have we heard of so many deer being seen in the past few weeks. Many small spotted fawn are still with their mothers. Now is the critical time in the life of the very small fawns. Self-hunting dogs kill a great many of these small deer. Know your dog's tricks as it may lead to a police court. If your dog kills a deer it's the same as if you killed it yourself. \$100. the Judge will say, and you will say not so fine.

MORTGAGEE'S SALE

Pursuant to a power of sale contained in a mortgage deed given by Russell S. Phillips and Elizabeth E. Phillips, husband and wife, joint tenants, both formerly of New Britain, in the County of Hartford and State of Connecticut, later of Hillsborough, in the County of Hillsborough and State of New Hampshire, now residing at Hartford, in the County of Hartford and State of Connecticut, to the Hillsboro Guaranty Savings Bank, a corporation duly organized by law and having its principal place of business at said Hillsborough, under date of August 17, 1948, and recorded in the Registry of Deeds for said County of Hillsborough, Vol. 1199, Page 17, to secure the payment of a certain promissory note dated August 17, 1948 for the sum of Two thousand Dollars (\$2,000.00) with interest thereon at the rate of 5% per annum, made and signed by the said Russell S. Phillips and Elizabeth E. Phillips and payable to the said Hillsboro Guaranty Savings Bank, or order, and for a breach of said mortgage and for the purpose of foreclosing the same, there will be sold at public auction on the hereinafter described premises on the 6th day of November, 1950, at two o'clock in the afternoon, the premises and estate described in said mortgage deed, to wit:

"The following tracts of land with the buildings thereon situate in Hillsborough Upper Village, in said Town of Hillsborough, and bounded and described as follows, to wit:

"First Tract: Beginning at an iron pin driven in the ground on the northeasterly side of highway known as No. 31, leading from Hillsborough to Newport, at a point one hundred fifty-eight (158) feet, four (4) inches more or less, northwesterly along said highway from the northwest corner of land of Maurice D. French and at land of Labonte; thence northerly by said Labonte land 45° 30' east, one hundred fifteen (115) feet, six (6) inches more or less, through the center of a well, to an iron pin driven in the ground; thence north, 49° 10' west, sixty (60) feet more or less to an iron pin driven in the ground; thence north 21° 30' east, fifty-five (55) feet, six (6) inches more or less to an iron pin at the corner of the stone wall at land of one Strickland; thence northwesterly by said Strickland land to the northeasterly corner of the second herein described tract known as the Farley lot; thence southerly by said Farley lot ninety-two and one-half (92½) feet, more or less, to said highway route No. 31; thence southeasterly by said highway sixty (60) feet more or less to the place of beginning.

"Second Tract: On the north and west by land formerly of Delia Allen now owned by Marcotte; on the east by the first above described tract of land and land of the heirs of J. Q. A. French, and on the south by the Turnpike road, and being known as the Farley lot and adjoining the first above described tract.

"The above described premises are the same premises conveyed to the above named mortgagors by Harry B. Eaton and Eva L. Eaton by their deed dated August 16, 1948, which deed is to be recorded in the Hillsborough County Registry of Deeds, and this mortgage is given to secure a part of the purchase price advanced by said Bank."

Said premises will be sold subject to all taxes assessed or to be assessed upon the same.

Terms of Sale: Five hundred Dollars (\$500.00) to be paid at the time and place of sale and the balance of the purchase price to be paid upon delivery of the deed which shall be within twenty (20) days of the date of said sale and shall be at the said Hillsboro Guaranty Savings Bank.

Dated at Hillsborough, N. H., this 11th day of October, 1950.
