### The Grange

A goodly number of members and some visitors enjoyed the regular meeting of Hillsboro grange held last Wednesday evening in Grange hall. After the regular business was disposed of a Thanksgiving program of readings, an essay and tableau was enjoyed. A special meeting will be held on Nov. 29, when neighboring granges will confer the third and fourth degrees.

### They Like Hillsboro

Mrs. Harrie Dunsmoor and Miss Sonja Anderson, who recently bought The Hedges, are glad to be in Hillsboro and are well settled in their new home. They entertained the Flints of Church street on a double occasion on Thursday. The mid-day meal was the usual Thanksgiving dinner. At night they served a birthday supper in honor of Mr. and Mrs. Peral Flint, whose birthday anniversaries both occurred on Friday. A beautiful big birthday cake was a specialty of supper. The ladies were glad to celebrate Thanksgiving in the country and in their own home.

### A Cover Girl

School street is the home of a "cover girl" in the person of petite Sandra Colby, nearly three years old, daughter of Mr. and Mrs. Elgin Colby. A snapshot taken of Sandra not long ago was enlarged and painted by her mother's friend. It appeared at the beginning of Children's Book Week on the magazine cover of the Sunday Chicago Tribune of November 12th.

### Thanksgiving Parties

The weather on Thanksgiving Day tried to be pleasant and partly succeeded - the sun shone in the middle of the day. Some of my neighbors stayed at home and entertained at family dinners. Others went to other homes in town or elsewhere.

Hank, DeWitt and Jack Woods and their parents, Mr. and Mrs. Edmund Woods, entertained the six small cousins and their parents, Mr. and Mrs. Timothy Brown of Swansey, Mr. and Mrs. John Tasker Janet, Jack, Edward and Carol were guests of the Carl Harringtons, together with Amos and Don-Baker of Meriden. Mr. and Mrs. Howard Lacey and son, Howard, Jr., dined with Mr. and Mrs. Kendall Blake and family in Beverly, and Miss Angie Marcy and her (Continued On Page 7)

## Storm in Henniker Causes Power Loss

HENNIKER—The biggest news of the week seems to be the storm on Saturday. Although there wasn't any devastating damage as compared to some areas, there was some damage. Frank Goss lost two chimneys and the television aerial. A window was blown in at the home of Raymond Davis and the roof on the little house belonging to Mr. and Mrs. Raymond Seward was blown off. Mrs. Seward was Evelyn Clark. They live in Charles-town and spend the weekends here. They almost didn't come down this weekend but were glad they changed their mind.

The power was off in parts of the village for about two hours on Saturday night. At West Henniker it was off about 18 hours as the poles from the Oaks to the railroad track were all down. At the lower end of town by Alexander Walsh's farm and out by Duston's the power went off at 5 on Saturday and 24 hours later the company had no idea when service would be restored. The river came up about a foot in the night and rose all day. By Monday morning it was up another six inches and it held its own all day. The dirt road by the home of Charles E. Flanders was under water about 6 inches on Sunday morning. Mr. and Mrs. Flanders are now living in Earl Gould's house at West Henniker. There were numerous branches of all sizes down all over the village but we haven't heard of any large trees in town being blown over.

It is reported that the barn at the old Wallace Morse farm on Craney hill was blown down and that Craney hill was washed out and impassable for cars. The roof was blown off a chicken house at the home of Willis Munsey. The Butter road and road to Quaker district were also badly washed. The river was down several inches by Tuesday morning in spite of the new rain we had Monday night. Two and one tenth inches of rain fell in Concord during the storm which is probably about what we had in town.

## Henniker Resident Gets Deer— But is Not Too Happy

HENNIKER—Mrs. E. H. Jameson is the first person in town this year to get a deer, but she doesn't feel too happy about it. She and Miss Geraldine Smith, now Mrs. Richard Fortune, were returning from a trip to Concord. It was about 5 o'clock in the afternoon and they were just crossing the railroad tracks near the river on the Concord road when a deer bounded out right into the side of the car. Mrs. Jameson put on the brakes so hard that Mrs. Fortune almost went into the windshield. They got out of the car to survey the damage and it seemed to be so great that they tried to hail passing cars. Six or eight went by within a few min-

### May Complete Nativity Scene This Saturday

HILLSBORO — The Nativity scene, Hillsboro's Christmas project, is expected to be completed and set up on Saturday, Dec. 2. Many citizens have given generously of their time and money in order to make the creche a delight to the eyes and hearts of all who will see it during the Yuletide season.

Most of the organizations which were asked to contribute have done so. It is requested that those who have not sent in their contributions, please do so at once. Lights and fixtures for the creche must be bought, and altogether about twenty dollars will be needed to pay for all expenses, including paint and straw. The committee in charge of the project appreciated a substantial contribution which Selwen Davis made to the project. Such individual contributions are very welcome.

If you have not yet worked on the creche, come on over to Precinct hall any afternoon or evening and join in the fun. And please don't forget the donations!

### Elect Beverley Ordway Antrim Grange Master

ANTRIM — Mrs. Beverley Ordway has been reelected Master of Antrim grange for a second term. Swett, executive committee for three years; Edna Humphrey for two years.

pared and delivered good-cheer Thanksgiving boxes to all the ill and shut-ins of the town.

## HILLSBORO ESCAPES STORM WITH MINOR DAMAGE

HILLSBORO — Hillsboro escaped with minor damage in the Saturday night hurricane. Ass't. Chief Clarence Nelson and the Fire Department responded to four calls, one about eight o'clock at the Day residence, another after 1 o'clock at the Glendon Cranes, Park St. The general alarm was rung at about six o'clock Sunday morning for a house fire at Rosewald farms when the partition in one of the upper residences caught fire. The first call was to the Harry Cross house for a chimney fire Saturday afternoon.

Rev. Charles E. Reidt, Deering weather observer, reported that in the Saturday nights storm 4.25 inches of rain fell. Had it come in snow it would have totalled from 40 to 50 inches. The total precipitation for 1950 to date at Deering totals 40.75 inches.

While making an early morning trip to Concord Dr. Eugene Chamberlain's car was hit by a falling tree. Fortunately the doctor was uninjured and was able to continue the trip.

Many telephone lines were out, the men working overtime to restore damage at the Center, Sam Hadley had the last functioning phone on the line, and took messages for those beyond his home.

Other damage was confined to torn roofs at the Seavey home and at the Legion club.

Portions of the Beard Brook area were flooded halting traffic on the road. The Contoocook river flooded the Bear Hill road and residents had to reach town over the back way to route 202.

Frank Jalonen who lives in a new house on the Henniker road was somewhat surprised Monday morning to find his home high and dry but surrounded by water some 30 inches in depth. It was during the flood of 1938 that this particular section was under water for more than a week, but there was no house on the flat then.

Joseph Lezott, superintendent of the water works, lost his television antenna mast together with his chimney during the height of the storm last Saturday night but by Monday afternoon Philip Jordan had built a new chimney from the roof up.

The shooting gallery in the Alvin Yeaton block more nearly resembled a duck pond last Sunday but the water soon subsided and left behind oozy mud.

### HENNIKER ADVANTAGES SUBJECT OF SPEAKER

Mrs. H. B. Pratt spent Thanksgiving with friends in Lyme, N. H. On Sunday Mrs. Pratt was in Northfield, Mass., where she visited her son, Benjamin, and her grandson, Richard Pratt, both students at Mount Hermon. Also there at the same time was another son, Henry Pratt, from Savannah, Ga., who, in this area on business, stopped at Northfield to see his son, Richard, and his mother and brother. Guy Clark drove Mrs. Pratt down. They found some water over the roads in places, but considering the severe storm it was not too bad.

Miss Nancy Hall and Norman Wallace were home from U. of N. H., over the holiday. Also Miss Barbara Bean and Miss Marguerite Worth from Keene Teachers' College.

Mr. and Mrs. Winslow Sawyer and children, Janice and Winslow, Jr., spent Thanksgiving with her parents, Mr. and Mrs. Frank E. Wheeler.

Mr. and Mrs. Arthur English entertained fourteen guests on the holiday with their children making a group of nineteen.

Antrim came through the storm exceptionally well. Shingles blew off roofs, trees and limbs were strewn along the highways, cellars were flooded, but no one was injured, no roads became impassable but the Public Service and telephone crews put in a busy twenty-four hours. As this is written Tuesday evening, a number of telephone lines are still out of commission, and sections of the street lights are not yet repaired.

HILLSBORO — The school building committee met Tuesday with Mr. Herbert Glassman, architect, representing the Perley Gilbert Associates at which time an alternate plan for the new school was approved by the committee.

The alternate construction plan will give Hillsboro a school adequate for a good educational program but will substitute a wood deck and wood beam construction instead of a steel roof and iron pillars. The new plans will call for the elimination of glass blocks, and steel window sash, and instead wooden sash and glass will be used. Also the new plan will eliminate one corridor fountain and the separate outside exits for each class room. Also savings will be made in grading of the lot and in not doing planned heating changes in the present High school.

The changes in plans, as stated by a member of the building committee, now calls for a standard job instead of deluxe building. It was also stated that the new school would be much better than to continue the present facilities at the grammar school and in the town schools at the villages.

It was the opinion of members of the committee that building costs would not decrease within the next ten years if ever, and that possibly the costs of lumber now at a low point would soon again go up. The new plan will give the same amount of floor space and the enlarged gym originally called for.

The original bids were then rejected and the new proposals for bids will be sent out to be opened January 11. It is expected that the new bids will be near the \$135,000 figure originally planned.

Robert Connor was elected as an advisor to the building committee.

## Civil Defense Talk in Hillsboro Monday

Civilian Defense Director, Philip J. Woodbury has announced that George Morrill, Jr., State Advisor on Radiological Defense, will speak at the Community building Monday evening, December 4 at 8:00.

Mr. Morrill is the State Advisor for radiological defense. He was selected by the Governor for training in the effects of the atomic bomb and represented New Hampshire at a five weeks course at Brookhaven National Laboratory on Long Island last spring. One man from each state was trained at the laboratory in various phases of radiological warfare. The course was given by the Atomic Energy Commission and the instruction ranged from nuclear physics to the total effects of atomic disaster.

Mr. Morrill's lecture, "The Atomic Bomb — How It Could Affect New Hampshire" takes about one hour and covers the following points: atomic structure, nuclear fission, chain reaction, immediate effects of the bomb, after effects of the bomb, probabilities of the bomb being used on New Hampshire, New Hampshire's role in United States Civil Defense and what the individuals can do to further the local civil defense effort.

A question and answer period will follow the lecture.

### PUBLIC HEALTH AND SANI- TATION:

Germ is no respecter of per-  
sons. The state of health and the  
sanitary and unsanitary practices of  
one person affect the lives or  
deaths of others in the community.  
Public health protection has there-  
fore become one of the chief re-  
sponsibilities of a local government.  
Sometimes the mechanics for carry-  
ing-out this duty are centered in  
the town government; sometimes  
several towns are joined for service  
by a single body for them all, per-  
haps at the county level; and fre-  
quently a state agency has specific  
responsibility for some local health  
services.

The following are questions asked  
the local health officer, Dr.  
Thor Olson, and the answers which  
he supplied.

Q. Who bears the greatest gov-  
ernmental responsibility for dealing  
with health problems in your town?  
A. The Health Officer and the  
Board of Selectmen. Q. Is there a  
Department of Public Health re-  
sponsible to the Chief Executive?  
A. No. The Selectmen act as the  
Board of Health when necessary.  
The Selectmen send in the name  
of the man whom they recommend  
as Health Officer to the State, and  
his appointment is almost automatic  
upon this recommendation. Q. Is  
there a Health Officer? A. Yes. Dr.  
Thor Olson is the Hillsboro Health  
Officer. Q. To what extent does

your state health agency exercise  
direct control over community  
health? A. Almost completely, as  
far as regulations are concerned.

Q. How many hospitals are there  
in the community? A. None. There  
are hospitals in the surrounding  
towns and cities: Peterboro, Keene,  
Concord, Manchester. Q. What is  
the proportion of hospital beds to  
the population of the community  
who must rely on these hospitals?  
A. Adequate.

Q. Are there any present plans  
for new hospital construction? A.  
No. Q. Are hospital facilities avail-  
able to all segments of the popu-  
lation? A. Yes. Q. Are special  
financial arrangements made for  
people who can't afford regular  
rates? A. Yes. Q. Who absorbs the  
cost of such arrangements? A. The  
taxpayer.

Q. Does your community have a  
public health nursing service? A.  
Yes. Q. How many nurses are  
there? A. One. Q. Is there a local  
government program for control  
and prevention of communicable  
diseases? A. Yes. There is a state  
program which is carried out lo-  
cally. All communicable diseases  
are required to be quarantined  
and reported to Dr. Olson, who re-  
ports them to the state. Q. What  
government provisions are made for  
the education of the community in  
public health knowledge? A. Mov-  
ies, literature and lecturers are  
available with no charge to the

community. However, it is up to  
the community to take advantage  
of these services. The state sends  
out health bulletins monthly, and  
booklets on maternal and child  
care to new mothers.

### SANITARY REGULATIONS:

Q. What proportion of the water  
supply is from a public source? A.  
All in the precinct. Q. Is the public  
water tested for purity? A. Yes,  
monthly. Q. Is there inspection of  
all meat and milk sold in your  
town? A. Yes. Q. By whom? A.  
By state inspectors. Q. Is there a  
pasteurization ordinance? A. No.  
Q. Is there inspection for cleanli-  
ness? A. In public eating places,  
there is supposed to be an inspec-  
tion for cleanliness. Q. Are food  
handlers required to pass health  
tests? A. No. Q. Is there a pro-  
vision for rodent control? A. No.

Q. What arrangements are made  
for sewage disposal? A. Sewers in  
the precinct. Septic tanks outside  
the precinct. Q. Are the sewers  
closed? A. The sewers open into  
the river. Q. Is the sewage treated  
before disposal? A. No. Q. Is sewage  
treatment a matter of local or state  
control? A. Both. Q. Are the waters  
of the community polluted because  
sewage and industrial wastes are  
deposited in them? A. Yes. Q.  
What level of government has con-  
trol over this problem? A. Local,  
and state. Q. What provisions are  
made for collection and disposal of  
garbage and rubbish? A. None.

anywhere, and several hours in  
some sections. We were without tel-  
ephone service two days and the  
state road to Hillsboro was closed  
two days because of the high water  
over the road on the Windsor line.  
Those who had to get to Hillsboro  
went by way of Goshen, Newbury,  
Bradford and Henniker.

Though Thanksgiving Day has  
come and gone again, some readers  
may be interested in knowing who  
went where and who came here for  
the day. I believe Mr. and Mrs. Wil-  
bur Tucker had the largest family  
gathering in town, 19 in all, in-  
cluding Mr. and Mrs. Edward Han-  
nah and daughter of Natick, Mass.,  
Mr. and Mrs. George Ellinwood  
and daughters of Chelmsford, Mass.,  
Mr. and Mrs. Clifton Peaslee and  
family of Hillsboro, Mr. and Mrs.  
William Ellinwood of Hillsboro,  
Joyce Bigwood and James Pratt.

Mr. and Mrs. Preston Rolfe en-  
tertained Mr. and Mrs. Joseph Rolfe  
of Portsmouth and Mr. and Mrs.  
Erwin Rolfe and daughter of Lynn,  
Mass., and Mrs. Nellie Nichols, and  
Mr. and Mrs. Pearl Young.

Mr. and Mrs. Albert Crandall  
and son, Jimmie, and daughter,  
"Stubbie" and Jim Graves spent  
Thanksgiving at their cottage at  
Millen pond. They stayed for the  
weekend.

Mr. and Mrs. Howard Peters and  
Jane of Wilton, had dinner with  
Mr. and Mrs. Harry Trow.

## Weare

This last week of November  
brings news of the death of two  
people well known to Weare resi-  
dents, to whose families our deep  
sympathy goes. Frank Loveren of  
Deering passed away last week,  
with relatives and friends in Weare.  
Mrs. Cassie Leeman, sister of Mrs.  
Nettie Flanders, had many friends  
in Weare, and worked with the  
local W.C.T.U. Union, especially on  
the programs for the Hillsboro  
County hospital.

Thanksgiving saw many of the  
young people home, among them  
Mr. and Mrs. Paul Philbrick, and  
son, Danny, of Littleton, Mass., who  
had dinner with Mr. and Mrs. Os-  
car Webber. Paul is Mrs. Webber's  
son, and the Mrs. is the former  
Marjorie Gregg, also a Weare girl.

Every one had plans for Thank-  
sgiving, but on account of the hectic  
weekend, so far I haven't been  
able to hear of any big dinner  
parties. Mr. and Mrs. George Dodge  
were hosts to some of the family.  
Miss Julie Hanson come over, from  
Concord, as usual, and Mr. and  
Mrs. Franklin Black from Boston.

Mrs. Nellie Wilson had dinner  
with Mr. and Mrs. John Whitaker  
and son, David, staying over. Mr.  
Whitaker's birthday was Monday,  
when he was 79 years old.

Notice has been given to the pa-  
per by John Connell, Health Officer  
of Weare, that Weare residents  
should boil all drinking water be-  
fore using until the water in the  
wells is settled, as much surface  
water must have entered the wells.

There was no church service in  
the North Weare church Sunday  
morning, as there was no heat.

Mrs. Helen Rice was guest of  
honor at a combination stork  
shower and birthday party one eve-  
ning recently, at the home of her  
sister, Mrs. Barbara Brown. Mrs.  
Rice, after admiring her gifts, was  
thoroughly surprised to see her two  
sisters, Mrs. Brown and Mrs. Verna  
Elliott, come through the door with  
a pink and blue birthday cake,  
singing "happy birthday." Refresh-  
ments of sandwiches, cake and the  
birthday cake, and coffee were  
served by the hostesses, after an in-  
formal evening of games. Attend-  
ing were Mrs. Anna Putnam, Mrs.  
Lucy Rice, Mrs. Hazel Gregg, Mrs.  
Mildred London, Mrs. Ellie Foote,  
Mrs. Mildred London, Miss Ailene  
Gregg, and Mrs. Verna Elliott of  
New Boston.

Mr. and Mrs. Alfred Flanders  
had their immediate family at the  
holiday dinner, Mr. and Mrs. Ernest  
Paige, and daughter, June, of  
Portsmouth, and Mr. and Mrs.  
Eugene Leeman, of Hillsboro.

Mrs. Emily Wallenstein, of Man-  
chester, joined her daughter and  
family at Thanksgiving, Mr. and  
Mrs. Crandall Wallenstein and chil-  
dren, Peter, Christopher, Andrew,  
Kathie and Nancy.

At the William Wheldon, Sr.,  
home, were Mr. and Mrs. Crolin  
Hokans, and son, Crolin, Jr., and  
Major and Mrs. Elmer Wheeler, of  
Milford.

Thanksgiving Day was also the  
wedding day of Joan Sawyer, only  
daughter of Mr. and Mrs. Frank  
Sawyer, and Staryo Chagrosulis,  
son of Mr. and Mrs. Spiros Chag-  
rosulis. Best wishes of the whole

town go out to these two popular  
young people of Weare.

This being Tuesday, Weare is  
getting back to normal, after a  
hectic weekend. The high winds  
and rain of the weekend were the  
worst here since the hurricane, and  
roofing was blown off, trees blown  
down, and electricity all over town  
cut off. South Weare electric cur-  
rent came back first, then East  
Weare and the Center late Mon-  
day afternoon, though some places  
in North Weare village and at the  
Norman Chase home did not. Back  
to grandma's day we all went, and  
with any sizeable flock of poultry  
it was hard; no lights for the hens,  
and many had to carry water, an  
all day job, and in the rain. Any  
one with a gas engine converted,  
and didn't have to carry water.  
Homes with coal of wood fires,  
were comfortable, but the all-elec-  
tric homes were really cold. Lamps  
and candles we have gotten used  
to, on occasion, the real hardship  
being lack of electric current for  
water, and water damage done  
where roofing was blown off. We  
are all thankful it wasn't snow, or  
we would have been really buried.  
The schools and library were closed  
Monday, and no school Tuesday.  
The new system of giving the no  
school notice over two radio sta-  
tions could not be used, the no-  
tice being given over the phone,  
as in spite of trees down, phone  
service was not wholly stopped,  
and some lines were only slightly  
affected, except for toll service.

Mrs. Carol Wallenstein is be-  
moaning the fact that the beautiful  
spruce tree in her dooryard is  
ruined; the whole top half was  
blown off at the height of the  
storm. Further down the Memorial  
road, at "Robie Hollow" a big tree  
was across the road Saturday eve-  
ning, so that cars coming to Clinton  
Grove had to go North Weare  
way.

Great inconvenience was caused  
to the stores with frozen foods, also,  
one store taking them to Parker's  
freezer-locker, and of course most  
of us had our refrigerators de-  
frosted.

## Washington

Mrs. Ruth Otterson  
CORRESPONDENT

Except for the roads and a few  
leaks in most buildings Washington  
survived the storm very well. The  
roads really took a licking and it  
will take some time and plenty of  
money to make them even passable.  
The Lempster road, so-called "Bail-  
ey road," Blanchard road, and the  
road beyond Half Moon pond will  
be impassable for some time. Elec-  
tricity was off for a few hours ev-

### HENNIKER

Mr. and Mrs. Walter Melendy  
and three children of Bedford were  
Thanksgiving Day guests of Mrs.  
Melendy's brother, Clarence Fitch,  
and family.

The fire department was called  
out at about 2:40 o'clock on Friday  
morning for a flooded oil burner  
at the home of Mrs. Martha Ayer.  
Mrs. Ayer and her sister, Miss Mil-  
dred Davis, of Claremont were  
awakened by the smell of oil and  
found the house full of smoke. Mrs.  
Ayer was fortunate in that no  
combustion started until after the  
firemen arrived and they were try-  
ing to clear the cellar of smoke.  
The new dioxide extinguishers for  
use in oil fires were used. The  
damage, mostly from smoke is com-  
pletely covered by insurance ac-  
cording to Mrs. Ayer.

Mr. and Mrs. Lewis Carpenter  
called on Mr. and Mrs. Frank  
Buffum of Concord on Monday  
evening.

Mrs. Bertha Chapman was the  
holiday guest of Mr. and Mrs. War-  
ner Carpenter, Claremont.

Mr. and Mrs. Robert Bassett were

tertained Mr. and Mrs. Harold Da-  
vis and family, and Mrs. Benjamin  
Clark of Henniker and Mrs. Ruth

in everyone, but a few I happened  
to know about.

Mr. and Mrs. Norman Davis of  
Contoocook were here for a few  
hours Sunday.

### NEW HAMPSHIRE'S SMALL TOWNS NEED HELP

New Hampshire's small town  
problem is acute. Although, right  
here at hand, Alexandria and Brid-  
gewater have made small gains,  
nearly all non-urban communities  
have had to face losses and these  
losses show a long standing trend.  
In fact, the process has been going  
on for something like one hundred  
years.

Perhaps this movement away from  
what once were prosperous farming  
communities is beyond recall but it  
is well to note one reason why  
people do not own rural property.  
The reason is high taxes. This par-  
ticular region is not too badly hit  
in this respect. In general, rates  
and assessments are moderate. But  
this is far from being true, in gen-  
eral.

The cause for this is simple: The  
state's tax structure is basically bad.  
Real property is taxed too highly  
and a citizen who does not drink,  
smoke, or gamble contributes almost  
nothing to the state tax income.  
Why not? Well, he never did.

This is not a particularly good  
reason but it explains the "no new  
taxes" slogan. It is assumed that  
new taxes MUST add to the general  
tax burden. This is not so.

New taxes in place of some of the  
old ones is a necessity to the gen-  
eral welfare. When a community  
pays up to two thirds of its tax  
on homes for education the situation  
is certainly not fair, particularly  
when some cities pay at about  
half the ratio. There certainly is a  
real need for equalization.

It is also clear that the present  
stock in trade tax is most unfair. It  
favors chain stores and it certainly  
discourages industry. It is bad for  
labor because it works against  
steady employment.

When towns have five and six  
dollar tax rates, as some towns in  
other sections have, it is no wonder  
that people move away and that  
others do not come in to replace  
them. Even though the Newfound  
section has, so far, avoided such a  
situation it has only been because  
of fortunate circumstances. Taxes  
are still too high on homes, farms  
and business establishments.

It will, of course, be sheer folly to  
add new taxes while still keeping  
all the old ones. But to spread the  
whole tax burden to a broader base  
is merely good business judgement.  
The question is less one of addition  
than of substitution. On such a  
basis, the matter is worth investi-  
gation.

### A GOOD TRICK

In the 1950 campaign the reac-  
tionary Republicans said they could  
beat down worldwide communism  
without—

Any controls at all.  
Drafting young men.  
Or any other inconvenience to

Lower Village

Mrs. Dorothy C. Orser  
CORRESPONDENT

The weekend storm spared this little village. Many small branches, Oski's fence and a few limbs of trees littered yards and highway. No loss of roofs here reported. Phones were out for a few hours, as was the electric current. We are indeed thankful to report no serious accident here.

Mr. and Mrs. Morris White and son, Lewis, spent Thanksgiving at Dorchester, Mass.

Mr. and Mrs. Ed Murphy and son, Jerry, spent the weekend in Portland, Maine.

Miss Lila Murphy spent the holiday at home from Keene Teachers' College.

Pvt. Kenneth Thompson is spending his furlough at home.

Mr. and Mrs. Roy Sanborn of Stafford Springs, Conn., spent Thanksgiving with Mr. and Mrs. Wm. Manahan.

Mr. Irving Jones came up from Boston Saturday evening to close "Jonesmere" and return with Mrs. Jones Sunday to Brighton, Mass., for the winter.

Mrs. Alice Worthley of Arlington, Mass., spent Thanksgiving with friends in Hillsboro, and Sunday with Mrs. Fred Gibson here.

Mr. and Mrs. Lewin spent Thanksgiving Day at Laconia with Mr. and Mrs. Earle Steady and Mr. and Mrs. Frank Powers.

Recent guests at the Lewin's Chinchilla Ranch were Mr. and Mrs. Riddou of Sanford, Maine.

Mr. and Mrs. Henry Willgeroth spent Thanksgiving weekend with Mr. and Mrs. N. D. MacWilliams in Auburn, Mass. When they returned they found only one shingle missing.

Mr. and Mrs. Robert Curtis returned Sunday from Monroe, N. Y., where they spent Thanksgiving with their daughter and family. They experienced much of the storm's fury while in Monroe—also saw much damage as they returned home through Vermont.

The League of Women Voters of Hillsboro will hold their December meeting in Community hall, Dec. 5, at 8 p.m. Dr. Wallace Richmond will be guest speaker. His topic will be "Planning an Economic Future for Hillsboro." Husbands and members of the Community Association are invited to be present.

Edward O. Ingalls

The following was taken from a California paper.

Edward O. Ingalls, a Valley resident for more than 36 years and oldest member of one of the most prominent families in this area died Thursday morning, Nov. 16.

He was 92 years of age and had lived here since January 1914. He was first engaged in the ranching business and later devoted most of his time to banking and real estate.

He was president of the First National Bank of San Jacinto for about 25 years, a position now held by his son, Earl H. Ingalls. Mr. Ingalls retired five years ago and has since made his home with his son on DeAnna Drive. Mrs. Ingalls passed away several years ago.

Additional survivors are four grandchildren, Mrs. Margaret Thompson, Mrs. Katherine Evans, Edward S. Ingalls and Monte Ingalls and seven great grandchildren. Funeral services were held Nov. 18 at 10 a.m., at the Harford Funeral home in San Jacinto with Rev. C. H. Archibald officiating. Burial was in Woodlawn Cemetery, Santa Monica, where Mrs. Ingalls lies at rest.

We suppose that this is the Mr. Ingalls from whom Charles Burnham purchased the gristmill when he came to Henniker in 1904, but we haven't had time to check it. The gristmill was then located at the end of the dam by Augustine Philibert's house and is now located by the depot and is the men's dormitory of New England College. Mr. Ingalls was born in New Hampshire.

Frank Loveren

DEERING — Funeral services for Frank Loveren of North Deering were held from the H. L. Holmes and Son Funeral home, Henniker, Sunday afternoon. Burial was in the Pine Grove cemetery, Weare.

Mr. Loveren, who is survived by his wife, one son and several grandchildren, was a member of one of Deering's early families, and had lived all his life at the old homestead, where five generations of the family have resided.

# Weare Sentinels

Mrs. Irene Flanders, North Weare

Tel. 500  
Messengers For Sale at Colburn, Bros. Store, Lowe & Johnson,  
Corner Grocery Store, A. D. Eastman Store and Sawyer's Weare  
Center Store.

This last week of November brings news of the death of two people well known to Weare residents, to whose families our deep sympathy goes. Frank Loveren of Deering passed away last week, with relatives and friends in Weare. Mrs. Cassie Leeman, sister of Mrs. Nettie Flanders, had many friends in Weare, and worked with the local W.C.T.U. Union, especially on the programs for the Hillsboro County hospital.

Thanksgiving saw many of the young people home, among them Mr. and Mrs. Paul Philbrick, and son, Danny, of Littleton, Mass., who had dinner with Mr. and Mrs. Oscar Webber. Paul is Mrs. Webber's son, and the Mrs. is the former Marjorie Gregg, also a Weare girl.

Every one had plans for Thanksgiving, but on account of the hectic weekend, so far I haven't been able to hear of any big dinner parties. Mr. and Mrs. George Dodge were hosts to some of the family. Miss Julie Hanson come over, from Concord; as usual, and Mr. and Mrs. Franklin Black from Boston.

Mrs. Nellie Wilson had dinner with Mr. and Mrs. John Whitaker and son, David, staying over. Mr. Whitaker's birthday was Monday, when he was 79 years old.

Notice has been given to the paper by John Connell, Health Officer of Weare, that Weare residents should boil all drinking water before using until the water in the wells is settled, as much surface water must have entered the wells.

There was no church service in the North Weare church Sunday morning, as there was no heat.

Mrs. Helen Rice was guest of honor at a combination stork shower and birthday party one evening recently, at the home of her sister, Mrs. Barbara Brown. Mrs. Rice, after admiring her gifts, was thoroughly surprised to see her two sisters, Mrs. Brown and Mrs. Verna Elliott, come through the door with a pink and blue birthday cake, singing "happy birthday." Refreshments of sandwiches, cake and the birthday cake, and coffee were served by the hostesses, after an informal evening, of games. Attending were Mrs. Anna Putnam, Mrs. Lucy Rice, Mrs. Hazel Gregg, Mrs. Mildred London, Mrs. Ellie Foote, Mrs. Mildred London, Miss Ailene Gregg, and Mrs. Verna Elliott of New Boston.

Mr. and Mrs. Alfred Flanders had their immediate family at the holiday dinner, Mr. and Mrs. Ernest Paige, and daughter, June, of Portsmouth, and Mr. and Mrs. Eugene Leeman, of Hillsboro.

Mrs. Emily Wallenstein, of Manchester, joined her daughter and family at Thanksgiving, Mr. and Mrs. Crandall Wallenstein and children, Peter, Christopher, Andrew, Kathie and Nancy.

At the William Wheldon, Sr., home, were Mr. and Mrs. Crolin Hokans, and son, Crolin, Jr., and Major and Mrs. Elmer Wheeler, of Milford.

Thanksgiving Day was also the wedding day of Joan Sawyer, only daughter of Mr. and Mrs. Frank Sawyer, and Starvo Chagrosulis, son of Mr. and Mrs. Spiros Chagrosulis. Best wishes of the whole town go out to these two popular young people of Weare.

This being Tuesday, Weare is getting back to normal, after a hectic weekend. The high winds and rain of the weekend were the worst here since the hurricane, and roofing was blown off, trees blown down, and electricity all over town cut off. South Weare electric current came back first, then East Weare and the Center late Monday afternoon, though some places in North Weare village and at the Norman Chase home did not. Back to grandma's day we all went, and with any sizeable flock of poultry it was hard; no lights for the hens, and many had to carry water, an all day job, and in the rain. Any one with a gas engine converted, and didn't have to carry water. Homes with coal of wood fires,

## Washington

Mrs. Ruth Otterson  
CORRESPONDENT

Except for the roads and a few leaks in most buildings Washington survived the storm very well. The roads really took a licking and it will take some time and plenty of money to make them even passable. The Lempster road, so-called "Bailey road," Blanchard road, and the road beyond Half Moon pond will be impassable for some time. Electricity was off for a few hours everywhere, and several hours in some sections. We were without telephone service two days and the state road to Hillsboro was closed two days because of the high water over the road on the Windsor line. Those who had to get to Hillsboro went by way of Goshen, Newbury, Bradford and Henniker.

Though Thanksgiving Day has come and gone again, some readers may be interested in knowing who went where and who came here for the day. I believe Mr. and Mrs. Wilbur Tucker had the largest family gathering in town, 19 in all, including Mr. and Mrs. Edward Hannah and daughter of Natick, Mass., Mr. and Mrs. George Ellinwood and daughters of Chelmsford, Mass., Mr. and Mrs. Clifton Peaslee and family of Hillsboro, Mr. and Mrs. William Ellinwood of Hillsboro, Joyce Bigwood and James Pratt.

Mr. and Mrs. Preston Rolfe entertained Mr. and Mrs. Joseph Rolfe of Portsmouth and Mr. and Mrs. Erwin Rolfe and daughter of Lynn, Mass., and Mrs. Nellie Nichols, and Mr. and Mrs. Pearl Young.

Mr. and Mrs. Albert Crandall and son, Jimmie, and daughter, "Stubbie" and Jim Graves spent Thanksgiving at their cottage at Millen pond. They stayed for the weekend.

Mr. and Mrs. Howard Peters and Jane of Wilton, had dinner with Mr. and Mrs. Harry Trow.

Mr. and Mrs. Fred Otterson entertained Mr. and Mrs. William Otterson, Sr., Mr. and Mrs. Harold Hunt, and John Cash.

Mr. and Mrs. William Otterson, Jr., and family had dinner with Miss Marion Wilder at Peterboro.

Mr. and Mrs. William Rodden went to Medford, Mass., guests of Mrs. Ruth Lindquist.

Mr. and Mrs. Warren Hayford went to East Washington as guests of the Fletchers.

Mr. and Mrs. John Bell entertained the A. Harry Davisons.

Mr. and Mrs. Richard Tweedy entertained M. Ed Tyacke.

Mr. and Mrs. Harry Newman entertained the Drews.

Mr. and Mrs. Earl Cilley entertained Mr. and Mrs. Harold Davis and family, and Mrs. Benjamin Clark of Henniker and Mrs. Ruth Twiss. Now this list does not take in everyone, but a few I happened to know about.

Mr. and Mrs. Norman Davis of Contoocook were here for a few hours Sunday.

Mr. and Mrs. A. J. Walsh of Cambridge were in town Monday.

Mr. and Mrs. Charles Roberts are at their home here now and plan to spend most of the winter. They were at Winthrop Beach all summer and fall.

Mr. and Mrs. William Otterson, Sr., who have been living in Newport for quite a while are now at their home here.

## SPORTSMEN'S COLUMN

by GEORGE S. PROCTOR

NEW HAMPSHIRE CONSERVATION OFFICER  
Phone 104 Wilton, N. H.

Had a nice letter from Mr. and Mrs. Harold Grant, who have been touring the west. This letter was dated at Hotel Hayward, Los Angeles, Calif. He sent me copies of the game laws of California and other nearby states. He says that if some of the hunters in the East could pay the fees out there they

would never squawk again. The Grants live in Greenfield.

The other night a man called at my house and left a package. I found it to be a pileated woodpecker made of wood and perfect in all respects. This was made by Arthur Hazen of Mont Vernon, while watching for fires at the Milford Lookout station. Mr. Hazen said he saw this bird in Frankestown and they both froze and in that time he got all the dope he needed. Red head, yellow beak and feet and black body. Mr. Hazen some time ago made a black panther out of wood, the only one I ever saw except at the Benson animal farm. Arthur goes to Maine this week to get his deer and perhaps a bear. Here's hoping, Arthur.

Fish and game officials of the Government tell us that in a few years we won't have any public hunting, all the hunting grounds will be owned or controlled by clubs, like in England. The reason for all this is the fact that a few (not sportsmen) do a lot of damage to property owners where they hunt. More and more every year you see that "No Trespass" sign. It's the duty of all good sportsmen to report to the proper authorities any such acts. I heard of a case several years ago of a careless shooting that nearly killed a hunter. No one would report the incident and the same fellow is still hunting. No action was taken because no one would testify against the fellow. Poor sportsmanship. Let's get these fellows out of the woods before they do kill someone.

It's a good idea to know just what you are shooting at before you shoot.

The value of printers ink cannot be estimated in dollars and cents. It's far reaching. Two men swapped hats the other night at the game supper at Mont Vernon. A short item last week in this column brought the two men together and the hats. Printer's ink can't be beat. Also, it pays to advertise.

The November meeting of the Hillsboro County Forest Fire Wardens Association will hold its next meeting at Frankestown November 28. Supper at the town hall at 7:30 p.m. These meetings are interesting as well as instructive.

In the November 15 issue of Pathfinder is an article you hunters should read. It's on page 50 and entitled, "Do we have too many hunters?" Read the next page about our deer.

We note in the press that many a new, as well as older, Fish and Game club is building a new clubhouse. The more clubs we have the better for conservation.

Basketball has started in most of the towns and from now on it will be one big night after another. If you have a legion or high school team in your town it's your duty as a good citizen to support them by your presence. Let's go.

The turtle season is over for this year and we have yet to hear the final count of the three gentlemen from Rindge, White, Raymond and Baldwin. What's the count?

One day last week I had 1 1/2 inches of ice on my pond. Two days later none.

Speaking of swell jobs you should see the painting on the west side of the auction rooms of Ted Langdell in the home town. It's a picture of a life-sized race horse with sulky and driver. This was the work of Carl Nelson, a former local man now with the Jordan Marsh company of Boston. It's a work of art.

# Hillsboro Defeats Goffstown In Opener

by GEORGE CHAPMAN

HILLSBORO — On Tuesday, Nov. 28, Hillsboro High school opened its 1950-51 basketball schedule with a 55-36 win over Goffstown. It was a nip and tuck battle for the first half which ended in a 23-23 tie.

In the third period the maroon and white showed its power over the weaker Goffstown five when Ronnie Teixeira, who seemed to be playing the best game of his career, dropped in 8 points to spark the onslaught in this frame.

After this Goffstown was never again in the game as Hillsboro went on to roll up its first victory of the new season.

The Hillsboro guards gave Goffstown considerable trouble with their set shots from the outside but in the last analysis the factor turning defeat in the final minutes of the first half to victory in the last half was ten men playing steady ball as a man.

Toi, of the visitors, was high scorer with 14 points, closely followed by the locals' "Bud" Gove with 11 points.

In the preliminary the Hillsboro J. V.'s took a 50-12 victory from the Goffstown J. V.'s.

Now that the first hurdle of what promises to be a good year is past the players and fans all look forward to Friday night's game with the Alumni of Hillsboro. Such stars as Sullivan, Stamatelos, Smith, Warren and Pierce will be present Friday night. The annual Alumni game, which is supposed to be just a way of getting the alumni together, has become, in the past years, a "grudge" game. We would like to see some of the Alumni back to play from the teams of 5-50 years ago. If we don't get more Alumni back to play for the spirit of the game, we may have to discontinue this annual event.

Overhearing some of the Alumni team's players talking among themselves, they all feel confident to win due to their spirit, shooting, and team playing. They may have to think twice at the half-way mark of the game for they'll be pretty well tired out, while the High school team has twelve conditioned players ready for service. These twelve players are team players and not twelve individual stars, as there may be for the Alumni team. The varsity this year consists of Alvin Taylor, Ken Murdough, Jim Duval, Norm Cody, Serge Bernard, as forwards; Don Grimes, Ron Teixeira, Walt Whitney, Conrad Paro, Frank Mooney, as guards; Bud Gove and Charles Macukewicz at center.

all culverts on your property. These culverts are on the black list and cannot be trapped. It's a favorite run for mink and the trappers are wise to the fact.

How would you like to pelt 1000 mink? Skin and scrape off all the fat. It's some job. I ran into one of these scenes the other day.

Now is the time to put out your feeding station for the winter birds. You can't go wrong if you send for the catalog to Bird Feeder Company at 56 Felton Street, Waltham, Mass. It's called "Hyde" and the catalog shows all sorts of feeders. Then Phil Mogoon of Greenfield makes a swell feeder. I had one last winter and the birds sure loved it.

Yes the world is small. The other day a man and woman and small boy got on the train at Jersey City, N. J. Near Boston my wife asked the lady the time we should get into Boston. In the conversation we found out that she was the niece of milkman, E. A. Norwood of Milford and had been in Milford a number of times.

Saw a man in Abingdon, Va., from Georgia and asked him about the peach crop in that state. He reported about half what it was in 1949. Many cars from all over, but we saw only one from N.

Now I've reached that stage in life, I'm sitting back in ease; I've cut out some kinds of work, I find they make me wheeze.

I, don't call it laziness, I guess it's just my age; Soon I'll make another mark On that "Birthday" page.

If you'll read the lines below, Perhaps they'll make you smile; I have changed from wood and coal, Now I'm burning "ile."

Our new "ile" heat is working slick, A change from coal and wood; An easy thing to operate, An even heat and good.

No coal to heave, or ash to dump, I should put on some fat; The only thing I have to do, Is turn the thermostat.
