The Ladies Aid Society of the Congregational Church met Wednesday, Nov. 29, in the vestry. Mrs. H. L. Packard was in charge of the devotional period. A letter was read from a western school thanking the society for the very attractive Christmas tree decorations sent to them. Each was in the form of a folder and contained a handkerchief. It was voted to make similar ones for next year's giving.

Several of the members present are interested in rug hooking and plans were made for organizing a class. It is hoped this will be started in January. The meeting was adjourned to Wednesday, Dec. 27. Refreshments were served by the hostesses.

Friday evening, Dec. 1, members of this church gathered for their annual meeting in the Vestry. An oyster supper was served by a committee from the Ladies Aid.

Rev. H. L. Packard presided as Moderator. All officers and committees were reelected. George H. Caughey, clerk and treasurer; Alfred G. Holt, trustee for 3 years; F. Ewing Wilson, Deacon; Mrs. Myrtle Rogers, Mrs. Jessie Black and Mr. Holt, standing committee; Mr. Wilson, Mr. Holt, Harvey Black and Winslow Caughey, ushers.

Reports were given by the church clerk and treasurer, Mr. Caughey, and by the treasurer of the Ladies Aid, Mrs. Caughey.

Mr. Packard gave a report of his activities during the year. He said in part that more than 150 persons attended the annual Boy Scout service in July and that nearly as many attended at the special service when the Hillsboro Masons and Eastern Star were guests. During the past year a new kitchen floor has been laid. The church has been completely rewired and other repair work done. More is planned for the coming year.

George A. Sawyer is at Monadnock Community hospital for observation.

George Smith has returned from Margaret Pillsbury Unit, Concord Hospital where he was taken following an accident at Monadnock Paper Mills, Inc. Bennington.

Miss Lois Clark from Boston was a recent visitor at the home of her sister, Miss Margaret Clark.

A reception was held at Henniker Inn in charge of Mrs. E. H. Jameson.

Mrs. Fortune is the daughter of Mrs. Leroy Smith of Contoocook. She was a student at Concord Commercial college.

Mr. Fortune is the son of Mr. and Mrs. Theodore Fortune of Bradford and the grandson of Mr. and Mrs. Sharon Jameson. Mr. and Mrs. Fortune will live in Bradford where Mr. Fortune is employed by the Boston and Maine Railroad with the section crew.

HENNIKER HUNTERS FIND DEER WHEN LEAST EXPECTED

HENNIKER — There have been about 40 deer shot in town according to reports. We heard several interesting stories. We believe that Earl Whitcomb got his deer with the least effort. He went to the woodshed Friday morning for wood to build his fire. He looked out the window and saw a deer. Quickly getting his gun, his hunting season was over. Another lucky hunter was Elwin Palmer. He went out into a field not far from the village and there was a deer grazing in the field, which was promptly his. All this in about ten minutes after he left the house. Joe Patenaude almost missed his deer. He had hunted all day Friday and was fagged out. He was having a lunch at the home of Roberts Edwards. Mr. Edwards was trying to induce him to try once again, but Joe wasn't enthusiastic. Finally he consented on the condition that Mr. Edwards go too, so they went out into a field and there stood the deer that Joe got. Howard Gammell decided Sunday afternoon to go out in his woodlot and pick out the tree tops he was going to cut up this winter. He took his gun along as an after-thought. He went out as far as the sawdust pile, almost opposite Rowe's garage across the river and then he turned up into a scot road. The spike horn deer that was up beyond him never moved a step after he shot. But we know of a lot of hunters who tramped all day for several days and never even saw a deer.

Claire Livingston of Laconia who was hunting with Frank Goss and others shot the head off a hawk with a 32 Remington at 34 rods, as it sat on a fence post. Upon picking up the hawk they found that it had Albert Norton's tag on its leg. Albert found the hawk in his trap this fall and before releasing it he attached his name on the trap to the leg of the hawk.

Mr. and Mrs. Stephen H. Smith closed their Lower Village home for the season Dec. 4, and have returned to Boston for the winter.

Henoccon O.E.S., Chapter Has Obligation Night

HENNIKER — Obligation Night was observed by Henoccon chapter, O.E.S., at the meeting on Tuesday evening when the matron, Mrs. Florence Flanders of Weare presided. Election of officers will be held at the next meeting. Refreshments were served by Mr. and Mrs. Myron Hazen, Mr. and Mrs. Wayne Holmes, Miss Anna Childs, Mrs. Julia Davis, Miss Georgia Sanborn, Arthur Kendrick, Sr., Arthur Kendrick, Jr., and the following from Contoocook: Mr. and Mrs. Alva Bunnell, Mrs. Elizabeth Nystrom, Mrs. Dorothy Gillingham, and Mrs. Lena Hastings.

Hillsboro W.S.C.S., Members In Many Christmas Activities

HILLSBORO—A memorial service in memory of Mrs. Cassie Leeman was conducted by Mrs. June Perry, president of the Women's Society of Christian Service of the Hillsboro Methodist church, at the opening of their regular monthly meeting held Monday evening at the home of Mrs. Stella Martin. Mrs. Leeman was a member of the church and the society, and at one time was president of the ladies' group. In her memory a copy of "Our Hymnody, A Manual of The Methodist Hymnal" by Robert Guy McCutchan was placed in the church library.

Members more than filled a Christmas covered box with canned goods to be given to a needy family in town. During the subject's program, based on the subject of Home Missions, Mrs. Stella Martin told

about mission work in our own country, and received an offering of money to buy gift certificates for a needy family in our home town.

During the business meeting various activities for the month were discussed. Friday night of this week members of the Arlington Street Woman's Society of Christian Service, Nashua, will join with us at a Birthday Party in our church, in celebration of the tenth birthday of the W.S.C.S. This meeting will be Mrs. Stella Martin and Mrs. June Perry at eight o'clock, at which time Perry will be in charge of the program. Following the program refreshments will be served in Fellowship hall by Mrs. Ruth Jones' committee, at which time a birthday cake will be enjoyed by all, following the lighting of the candles

for various achievements of the society in their past year's work.

Saturday of this week the Stella Circle will sponsor a Food Sale at Boynton's Super Market. This at two o'clock in the afternoon. This will be the activity of the month for raising money. All kinds of baked goods will be on sale.

An invitation from the Ladies Circle of the Antrim Baptist church was accepted to meet with them on Monday afternoon, Dec. 11, at 2:30. Mrs. Vernon Phillips, president of the New Hampshire Council of Church Women will speak on "You and the Council of Church Women," with a social hour following.

An invitation from the Odd Fellows was also accepted to attend their Christmas Party on Monday, Dec. 18. Mrs. Clara Richardson

will be in charge of the part on the program which we were asked to have.

On Thursday evening, Dec. 21, members will join with the church choir in Christmas caroling in front of the Nativity Scene, and the following night Mrs. Mildred Goodwin will head up a group of ladies in serving refreshments at the Sunday School Christmas Party being held in the church.

The president appointed a committee for the Christmas Sunshine Baskets, which will be distributed among shut-ins of the community, consisting of Mrs. Marion Harris, Miss Pearl Ray, Mrs. Florence Verry, and Mrs. Abbie Smith. All the circles are holding their December meetings at the parsonage and in place of having gift exchanges they will bring items of goodies for the

A ladies' quartet, Mesdames Olive Laundrie, Edith Phelps, Clara Richardson, and Marion Hilliard, rendered Waits Carol and "Angels from the Realms of Glory," accompanied at the piano by Mrs. Margaret Eaton. Then following the singing of "Silent Night" by the entire group, the quartet again sang "Away in the Manger" while a light over the fireplace lit up the manger scene.

Miss Judy Sharby passed the gifts out from the Christmas Trees, after which she sang several Christmas songs, including "Rudolph, the Red Nosed Reindeer."

There is a strength of quiet endurance as significant of courage as the most daring feats of prowess.

On Monday, Dec. 11th, at the Valley Hotel the Community Association and the directors of the Dartmouth-Lake Sunapee Region Association will hold a joint meeting. A dinner will be held at 7:00 p.m., with the meeting at 8:00 p.m.

November weather was mild with an average temperature of 41.35 degrees, nearly 7 degrees above normal. It was wet with 7.52" of precipitation, with the most in one day of 4.22". It was windy with 5 days of strong wind. The warmest day was Nov. 2 with 76 degrees and the coldest was the 13th with 13. It snowed on 3 different days.

Sunday, Dec. 17, in the Presbyterian church under the direction of Mrs. Isabel McLean.

The Ellison-English group of the Baptist Ladies circle held a pie social last Wednesday in the church vestry. The program, arranged by Mrs. Herbert Gray and Mrs. Arthur English included an exhibition of baton twirling by Carol English and Karen Clafin. Charades arranged by Mrs. Fred Proctor, readings by Mrs. Carrol Johnson. Mrs. Isabel McLean sang two songs composed by Richard Winslow of "Alabama" farm. Mrs. McLean also played for the pie circles. Pies were awarded to those holding flags when the music stopped. Pies and

coffee were served by members of the group to all present. About 40 attended.

Mr. and Mrs. Arthur English entertained his brother, Raymond English, and son, William, from Lebanon over the weekend. The men went hunting but none of them got a deer. However, another brother, Edward English, who is employed here at Abbott Co., got his first one near his home in Contoocook, while the experienced brothers failed.

Most of the deer taken in town were told have gone to out of state hunters. Among the successful local hunters are Mrs. Doris Drew, Mrs. Sarah Barstow, Elmer Merrill, George Edwards and Russell Cudihy. Mrs. Don Robinson has closed her

home and will spend the winter visiting her sons and her sisters.

Mrs. Maurice Newton and Mrs. Daisy Ross from Bennington were in town on Friday to attend a meeting of Molly Akien chapter, D.A.R.

Dr. and Mrs. Maurice Helpem and family have left to make their home in Boston.

Mrs. Jessie Rutherford, who has been in Connecticut for several months, has returned to her home here.

Mr. and Mrs. Fred Proctor observed their 50th wedding anniversary recently so quietly not even their nearest neighbors knew about it until the next day.

Mrs. John McCabe spoke on New Hampshire Conifers at a meeting of the Milford Garden club

Monday afternoon.

The basketball season started off well for Antrim High, the boys having defeated Hancock High and Amherst. The girls lost to Hancock, but scored an overwhelming victory over Amherst. Both games were played at home. Bruce Cudihy is still the boy's star performer, and two girls, Elaine Fournier and Evelyn Dutton are doing excellent work for the girls. John Lawson is coach of the boy's team, and Mrs. Norris Harriman is directing the girls.

Mrs. Wallace George and Mrs. Guy Tibbetts recently attended a luncheon in Sharon given for members of the stenciling class to which they belong.

Miss Ruby Allen has reorganized her art class and meetings are held on Thursday afternoons.

Mr. and Mrs. Alonzo Durkee of West Deering attended the annual meeting of the Antrim Congregational church Friday evening.

work at the April meeting. Miss Allen asked for suggestions for next year's program and several members gave some that will be carried out by the program committee.

Members drew numbers and each received a gift from those brought for the exhibit of Christmas gifts made from gardens or native shrubs, etc.

These included potted plants, wreaths, evergreen table centerpieces and shadow boxes.

The meeting was adjourned to the first Monday in April, 1951.

ANTRIM D.A.R. TO GIVE PRIZES TO HISTORY PUPILS

ANTRIM — The December meeting of Molly Aiken chapter, D.A.R., was held Friday, Dec. 1, at the home of Mrs. Hiram W. Johnson. Twenty members and guests were served dessert and coffee in the dining room which was attractively decorated with evergreens and lighted candles with a large creche as a center piece for the table.

Robert Holmes of the High school faculty was the guest speaker. Mr. Holmes spoke on present day methods of teaching American History. He also answered questions of the members.

For more than 20 years the chapter had given prizes for excellence in history in grades 7 and 8. Due to a revision of the curriculum a change had to be made, or the plan given up. Mr. Holmes expressed the opinion that the prizes were an incentive in creating interest in history, and that the interest of such a group as the D. A.R. was beneficial to the pupils. It was then voted to award two prizes in Grade 8 for excellence in American History, first \$7. and second \$3.

Mrs. Byron Butterfield was appointed by the Regent, Mrs. Benjamin Tenney, to visit the class at an early date and talk with them about this contest.

Christmas greetings will be sent as usual to all non-resident and shut-in Daughters.

Christmas carols were sung with Mrs. Edith Muzzey at the piano. Mrs. Don Robinson gave a reading. Mrs. Carl Robinson read National Defense News.

Each Daughter brought a gift for a child. After these had been examined by those present, they were wrapped in gay Christmas paper and turned over to Mrs. Archie Swett, chairman of approved schools, to be sent to Blue Ridge school in Virginia.

The meeting was adjourned by the Regent to January 5, at the home of Mrs. William A. Nichols.

Christmas Creche Now Completed

Nails were donated by Herbert Kyle and the Valley Hotel; Halladay's, Laundrie's and Beard's donated some of the paint; Hillsboro Feed Store gave straw, and when more was needed Stanley Daniells made a special trip to the Feed Store to get more.

Raymond Bennett of Public Service Company did the wiring of the lights on his own time.

Ladies in various neighborhoods collected the string which tied the straw. Harry Nissen donated baling wire, and he and James Hines both donated lumber. Those who gave painting supplies were Mrs. Donald Annis, Ralph Farrar, Harry Nissen, the Valley Hotel, Mrs. Leslie Reed, Mrs. Bernard Webber, and Richard Withington.

A complete list of those who gave money to the project will be published next week.

Last, but not at all least, are the photographs which were taken of the creche in the various stages of repair. Walter Sterling took the first pictures. William Manahan, Jr., is developing these free of charge, and the studio has taken all subsequent photographs of the creche, which also will be donated, for use by the committee for publicity purposes.

Hillsboro citizens are to be heartily congratulated on their splendid cooperation during this enterprise, and the Community Association for sponsoring the project. The date of dedication of the creche will be announced.

Carols and holiday music will be heard in Hillsboro for one entire week from Sunday to Sunday, inclusive, before Christmas. Groups, under the direction of Mrs. Mildred Porter, will sing each evening from 7:30 until 8:00 p.m., in Butler Park before the creche.

Any groups, either in town or outside of town, who would like to join in the singing, please call Mrs. Porter, Hillsboro, telephone 43-21. The complete program will be announced next week.

League Information Service

by GLORIA HINES, for League of Women Voters of Hillsboro

People the world over are looking to the citizens of the United States for leadership and example in the vigorous practice and defense of democracy. With the spotlight upon us, we are becoming more aware of the values inherent in the way we live and govern ourselves. Visitors from other lands, eager to learn from our pattern of successful democratic living, tell us they are most impressed with the manner in which ordinary citizens work together to solve their common problems. It is upon this foundation -- the participation of citizens in their own local government activities -- that our whole political system rests.

During the past century our requests for services from local governments have grown tremendously, so that many cities are now employing thousands of people and raising and spending money in the millions in order to meet the needs of the people of the community. However there are still many problems which the local government is not equipped to handle. Sometimes this is due to lack of financial resources. At other times these problems reach beyond the borders of a single unit of government. Increasingly, state and national governments are being called upon for advice, services and money.

Great decisions are now confronting the American people as each new problem is faced. Will they insist on a fuller measure of authority and resources to enable them to solve their problems through their local governments? Or will they tend increasingly to depend on higher levels of government to do the job?

As the scope of local government becomes larger and, in many respects, its task more technical, there is danger that fewer people will take their citizen responsibilities seriously. Such an attitude strikes at the heart of democracy. Although reliance should be placed on competent specialized people to perform the technical administrative jobs, it is still the citizen's job to lay down fundamental policies. The confused citizen may see his role more clearly if he stops short and analyzes his local government picture as a whole. What services do you, as a citizen, want? Does your local government have the power to provide them? How ef-

ficient is your government? What can be done if you aren't getting the best service for the money you are willing to pay?

The answers to some of the questions may be difficult to obtain. Perhaps the obstacles to finding the answers will be an indication that reporting to the community has been insufficient.

INTERNAL SECURITY ACT: Did you know that this act 1) requires all Communist and Communist "front" organizations, together with individual members of Communist groups, to register with the Government; 2) it provides for a Subversive Activities Control Board to determine whether a group is a Communist or a "front" organization; 3) makes it illegal for a Communist to receive a passport or to work in defense plants; 4) requires that a list of such plants be published; 5) empowers the Government in time of national emergency to hold Communists or other saboteurs in detention camps; 6) excludes from the country aliens who have been or who are now members of the Communist party as well as individuals who advocate any other form of totalitarian or one-party government; 7) forces the deportation of certain Communist aliens now in the country; 8) tightens existing immigration, naturalization and espionage laws.

BUT: the deadline for registration -- October 23 -- came and went, and not one Communist group volunteered the necessary information. And so, the cumbersome machinery of compelling registration must start rolling. The Justice Department must offer proof to the Subversive Activities Control Board that a particular group is Communist. The Board must then decide, on the basis of certain criteria set forth in the Act, whether or not the accused group is, in fact, Communist and therefore subject to the registration clause. Before making its determination, the Board must hold public hearings. If the Board rules that the group is Communist, the organization may appeal the decision to the courts, an appeal which can go as high as the Federal Supreme Court. If the Court upholds the Board's decision and the group still fails to register, it may be fined and its officers imprisoned. This procedure could take as long as five years from start to

finish! Even then, the group might disband, re-form under a new name and continue its activities. The process of compelling its registration would then have to begin all over again.

Funeral Services for Henry Mallory Whitney

ANTRIM -- Henry Mallory Whitney died at his home on Monday, Dec. 4, at age of 74 years. He was an accountant in Burlington, Vt., and Hartford, Conn., for several years, and came to Antrim in 1945 where he took up barbering.

He was very active in the grange and as Past Master of Wapping grange in Connecticut and was the Lecturer of the Bennington, N. H., grange. He was a member of the Baptist church in Burlington, Vt.

Mr. Whitney was born at Phillipston, Mass., the son of Henry S. and Climenta (Farrar) Whitney. Survivors are his wife, Mrs. Jennie I. Whitney, of Antrim; a son, Henry K. Whitney, E. Aurora, N. Y.; two daughters, Mrs. Myron F. Burr, Windsor, Conn., Mrs. Dexter S. Burnham, Hartford, Conn.; five grandchildren and two brothers, Bernard V. Whitney, Westminster, Mass., Ernest O. Whitney, Bernardston, Mass.

Funeral services were held from the Congregational church at Bennington on Thursday, Dec. 7, with Rev. Thomas H. Billings of Hancock, officiating. Organist was Mrs. Edith Lawrence and bearers were members of the Bennington grange.

Interment was in Greenlawn cemetery at Baldwinville, Mass. The Woodbury and Son Funeral home was in charge of arrangements.

The Hillsboro school board on Monday received a petition signed by all the teachers and the janitors asking for a \$300 year increase in salary to meet the rising costs of living. The teachers will meet the board tonight. At the meeting expenditures for tools and materials of the High school manual training work shop were authorized.

EDITORIAL COMMENT

Negotiate, Negotiate, Negotiate

Events are moving fast in Korea. As citizens far removed from the councils in Washington perhaps the best we can do is to stand by ready to support our country in the proposals that are being arrived at in conferences with the English.

Fortunately the foreign policy of the country is in the hands of Truman, Acheson and the common sense English. If some of the Republicans had the reins of government in their grasp we probably would have long ago had a full blown war on with the Chinese, much to the glee of the boys in the Kremlin, and foothills of Washington, not D. C.

This is not to minimize the danger faced by the U.N. troops in Korea or the size of operations on that unfortunate peninsula.

To use the atomic bomb or to commit ourselves to full scale war before exhausting every attempt to negotiate would, in our opinion, negate the responsibility we have to ourselves and to all mankind. We should lead in the efforts to achieve out of this world of chaos, a world

of peace. We say cooperate with the neutral Asiatic and Arabic countries and let the Chinese leaders (sic) make the choice of world war before the bar of world opinion. Do they love their countrymen or will they sacrifice the masses of China on the altar of Communism?

What should be negotiated? An end to the Korean war and the entanglement with the Chinese Communists.

Disarmament with out which there can be no stable peace. This would probably call for a world government with police powers to prevent war.

HILLSBORO

Two reels of sound movies were shown at the civilian defense meeting Monday at Community hall; one, explaining the physics of nuclear fission; the other showed methods and procedures to escape the effect of atomic bombing. It was stated that N. H., would be an unlikely target for atomic bombs, but that off course planes might jettison bombs or might crash in N. H.

Time-Place-Fact

by Jeanne Eccles

The Time: The month of December, 1950---The Place: Hillsboro New Hampshire---The Fact: It is a good town to live in! The Community spirit shown by individuals and clubs who worked for and on and donated to the repairing, painting, lighting and erection of the huge Nativity scene in Butler Park is wonderful. The Creche in itself is beautiful whether the sun shines on it or whether the floodlights are on it, but it is the spirit with which it was put up that makes it more so. From the youngsters to the oldsters more than a couple of of hundred persons in our little town have had an actual hand in helping.

There will be a formal dedication with carol singing by various groups under the direction of Mildred Porter on December 17th. All the churches and organizations are welcome to use it as a background for any of their Christmas gatherings, and perhaps it will be possible to have a Christmas Tree on either side of the Nativity Scene for Santa Claus to put his packages under

for the youngsters on Christmas Eve.

With my parents 50th Wedding Anniversary, well celebrated, with Thanksgiving festivities past, the Nativity Scene up and ready, lots has been accomplished but missed out on two columns. Will try to keep them coming regularly now in spite of Marmie's broken knee cap and Christmas Holidays starting.

Have mounted several of Harry McClintock's drawings and sketches made in Okinawa some months ago and will have them displayed soon.

Had lots of fun with a children's still life last Wednesday Eve, dolls, Humpty-Dumpties etc., all quite original and gay.

Remember the time: Every Wednesday evening from 8 to 10 p.m.

Remember the place: The Cellar studio in the Valley Hotel. okeepahdEToo

Remember the facts: You are welcome as a worker or a visitor and Stuart Bruce is our instructor.

About 100 grangers met at Weare Town hall Friday evening, for installation of the new officers, with Mrs. Martha Green and suite installing. A short business meeting, conducted by the outgoing master, Mrs. Edith Turner, was held. The installation—following, which was public, was very impressive. Mrs. Green wore teal blue, with silver, and the "Rose Girls" wore deep rose colored gowns, carrying arches of pink roses and green leaves entwined, under which the new officers walked to be installed. The chaplain, Mrs. Mabel Livermore, also wore blue, with Mrs. Louise Martel, marshal, in rose, which with the dark gowns of the other members, made a very colorful scene. All installing officers wore carnation corsages, the new officers also wearing carnations, rose for the women and white for the men. Mrs. Edith Turner as past master for two years, was presented a past master's jewel by the chaplain, in behalf of Weare grange. Mrs. Maude King was pianist for the evening.

Fourteen granges were represented. Seven visiting masters sat at the right of the Master, and gave remarks during the meeting. With a short ceremony, the charter was draped by chaplain Reginald Hollis, for the late Frank Loveren.

Following the program, lunch was served in the upstairs hall.

The new officers are: George Gunn, Master; Louis Turner, overseer; George Waterman, steward; Fred Drewry, ass't. steward; Reginald Drewry, chaplain; Mrs. Blanche Gunn, treas.; Miss Glayds Waterman, sec.; Clarence George, gatekeeper; Mrs. Esther Hollis, Ceres; Mrs. Hazel Gunn, Pomona; Mrs. Grace French, Flora; Mrs. Annette Holmes, lady ass't. steward; Burnham Davis, executive committee for three years.

Mrs. Olive Chase, chairman of her defense unit, has asked all those having Red Cross kits to turn them in for inspection and refilling.

Mr. and Mrs. Robert Milligan of Mt. Vernon, have announced the birth of a son, Bryce Robert, Thanksgiving Day. The Milligans have five other children, Clayton, Roberta, James, Donna and Laurie Ann. Mrs. Milligan is the former Hazel Gunn, daughter of Mr. and Mrs. George Gunn, of Weare Center.

Samuel Chase, poultryman, is at the present writing a patient at the Margaret Pillsbury unit, Concord hospital, where he went this past weekend. What apparently was a severe nosebleed case, was found to be a broken artery in his nose.

The regular monthly supper of the Riverdale Improvement Society was held at the Community house last Saturday evening. The winter schedule of the society calls for a supper the first Saturday evening of each month, and a card party every Monday evening. Supper menus will vary with the season. This last one was baked ham and "fixin's," with Mrs. Nina Wilson as chairman, assisted by Mrs.

Lyle Regan, Mrs. Mary LaPalme, Mrs. Mildred Hand and Mrs. Priscilla Bolton.

December 1st saw all the confirmed deer hunters up early in the morning, and out in the woods. Not too many were gotten the first day. According to all reports that I heard the Edmunds brothers, "Jake," and Albert, were the first lucky hunters in South Weare. Ralph Hazen, one of the crack shots of Weare Rifle club, had his deer by ten o'clock in the morning, the same as he did last year, and by coincidence, about the same size and at the same place. Everett Chase an hour later had a spike horn buck. Other lucky Weare hunters so far were George Farwell, Jackie Reade, George Nichols, Danny Eaton, Nathaniel Southward, Arthur Richards, Henry Tiffany, Kenneth Dodge, Walter Morse, Harold Buxton, Donald Thomson, Alden Colburn, Brennan Colburn, "Bub" Russell, Ed Marshall, Joe Gaffney, and Roy Clark, Jr., according to the list given me.

CORRESPONDENT

Mr. and Mrs. Lester Gould and daughter of Manchester were guests of Mr. and Mrs. Geo. Prescott last week.

Mr. Geo. Prescott was a lucky deer hunter last Saturday.

Mrs. Mabel Houghton got her deer last Saturday.

Mr. Fred Ward and a group of friends from Massachusetts were at the Ward camp on Beard Brook over the weekend. Two of the party shot a deer each.

The three youngest children of Mr. and Mrs. Elmer Cate had their tonsils out last week.

The Ladies Aid of the Lower Village Chapel met at the home of Mrs. Frank J. Orser last Wednesday. work for Will Newman for many years, and now he is working for Bert Newman, who inherited the business from his brother.

Tinsmiths are not so common as when Mr. Carter began his career. At that time, before the day of gateware and aluminum, nearly all kitchen utensils were made of tin or sheet iron - whatever that is! Cake pans and bread tins were made of tin, as well as milk pans, milk pails, syrup cans, and the multitudinous tin cups that were used then. Roasting pans were made of sheet iron. I well remember piles of shining square and rectangular cake pans and bread tins on the shelves in Henry Colby's shop. They were of great interest to me because I was learning to cook at that time.

Henry Colby, like his successor, sold all kinds of stoves and dishes and, without doubt, kerosene lamps and lanterns. I happen to know one of Mr. Carter's latest bits of work was to install a radiator, quite different from the days of stoves.

Another correction I can half-heartedly make - I know Chesley Favor and his barber shop in the Marcy block for a long time, but I did not think it was there in 1890.

Will Pickering had his meat market under Crosby's Restaurant, which was later followed by Carl Fletchers Fruit and Candy Store.

Mrs. Anna Bailey, R. N., Hillsboro District Nurse, was called to Montreal last week because of the death of her brother, who had been ill for some time. She arrived in Montreal at 9:30 Wednesday, attended the funeral on Thursday and came home by traveling Thursday night, and was on duty Friday morning.

Adelbert Niles Potter, born November 26th at the Concord Memorial hospital, is now at home with his parents, Mr. and Mrs. Adelbert Potter, of School street.

Mr. and Mrs. Clinton Livingston of Andover, Mass., visited Walter Gay and family on Saturday.

The last time Scott Nelson was in Concord to visit his wife, who is a patient there, he reported her as improving and much more comfortable.

A stuttering crow has been sojourning at the Lower Village. He looks like an ordinary crow but he makes a series of queer little noises ending with a vociferous call.

Mrs. Avis Turner French of Antrim was in town on Saturday and called on several of her friends.

Mrs. Bertha Gould is ill at present and Miss Mary Chapman is taking her place as baby sitter for Lee Whitcomb at his home on Walnut street.

Mrs. Grace Perry has been home a week from her visit in Melrose, Mass.

Mr. and Mrs. Harold Burbank of Bellows Falls, visited us on Monday, which is likely to be their last call for the winter. They found the so-called cemetery pinks in blossom in the Center cemetery.

Alvin Hilliard spent a few days furlough at home and when he returned to Mitchell Field, New York, his wife and baby accompanied him.

Mrs. George Sharpe and Miss Beatrice Malone of Maynard, Mass., were guests of Dr. and Mrs. Nairn of West Main st., over the weekend.

Alvah Hilliard and Frank Gay were in Manchester and Concord Tuesday on business.

I wish to thank all who helped at the time of my oil burner fire and the Henniker Fire Department for their quick and efficient work.

Dr. and Mrs. Worth Hale have closed their home and will spend the winter in Tryon, N. C.

Nearly every one felt the wind storm in some way. Charles White had two windows blown in, there was some damage at Mountain View, we lost a few shingles and a few feet of ridge pole, which let in plenty of water in one room, and the telephone wires were twisted, cutting off service. Our good neighbor Malcolm French straightened it.

Mr. and Mrs. Thomas Smith spent Thanksgiving and weekend with their son and family in Montpelier, Vermont.

Mr. and Mrs. W. F. Knapp were dinner guests of the Wheelers on Thanksgiving Day.

Mr. and Mrs. Ernest McClure spent a few days at Shadowlawn and Mr. McClure got a six point buck the first day of open season.

Joseph Grzesik and a brother and Mrs. Grzesik of Dracut, Mass., have been occupying a housekeeping cabin of Mrs. Elizabeth Van Henniker and both men got a deer the first day of open season.

Mr. and Mrs. McGown spent a few days at their cottage at Thanksgiving.

Mr. and Mrs. Clifton Bartlett were in Leominster, Monday to attend the funeral of a relative.

Mr. and Mrs. Perley Spalding spent the day with us the first day of deer hunting.

The retiring president and Deborahs gave the church a gift of three packages of gayly striped dish towels as part of the equipment for the kitchen.

Frances Bennet was in charge of the evenings program opening with a solo by Nancy Whithill, "Silent Night, Holy Night," accompanied by Lillian Matthews at the piano; Mrs. Keast gave a delightful reading "The Littlest Angel." There was group carol singing, "The First Noel," "It Came Upon the Midnight Clear," "Hark, the Herald Angels Sing," "Oh, Come All Ye Faithful," and "O Little Town of Bethlehem."

Have you read about these people?

IF YOU HAVEN'T, YOU'D BETTER—YOU'LL LOVE 'EM!

Lots of our passengers and freight shippers have remarked that they could "write a book about the B and M." But nobody did—till R. M. Neal came along.

He came all the way from the University of Missouri to do it—just because he wanted to. He took a ride—all over our system—and here and there he takes us for a little ride too. But mainly "High Green and the Bark Peelers" tells the story of our railroad, in layman's language—and it makes mighty good reading!

When you read this book, you'll hob-nob with our engineers, our trainmen, our signal tower operators. You'll command snouty black diesel switchers taking freight cars in and out of factories and warehouses. You'll learn railroad hand signals and railroad lore. You'll see a hundred or more of your loaded cars picked up by the B and M's famous diesel powered freight trains, such as "The Bullet" running between Portland and New York.

You'll admire that great fast freight, but then you'll boss a local freight yourself. You'll cut off a tanker at an oil plant, you'll trundle boxes and crates with hand trucks. You'll handle paint and plumbers equipment, and a canoe... and you'll proudly deliver a new fire truck to Milford, N. H. You'll realize incidentally that the communities that cluster beside the tracks depend on the B and M's local freight train.

You'll patrol tracks in a rainy drizzle or blinding snow storm. You'll be the eagle eye of safety. You'll realize that those fast freights pound out 4800 tons of merciless pressure upon a track, so you'll inspect daily, looking for that slight chance of an unfavorable condition and correct it at once. This is painstaking, hard work... but you, and the men you work with, will examine every foot of right-of-way with care, knowing the fine safety record of the B and M is your responsibility.

You'll be the boss of the latest passenger equipment—power and cars of the most modern type. Your "consist" will be a 2000 HP Diesel, B and M silver air conditioned streamliners, and a parlor car. You'll run 115 miles in 120 minutes. You'll carry 1200 gallons of fuel oil. You'll check the gauges, study the dials for oil pressure and engine temperature. As you pull out of the yards you'll see the signals clear and distinct and finally it's "High Green," and "our speedometer shows seventy-five miles an hour."

From the time you meet the "bark peelers" from the hills above Sanbornville to the time you see a B and M gate-man at North Station tip his hat as he answers a lady's question, you'll sense the loyalty, the quiet, inflexible attention to duty, the cheerful confidence that are as much a part of the B and M Railroad as its right-of-way.

Yes, this book really tells the story of the joys and challenges of railroading in Northern New England.

It tells it so well that we'd like a lot of people on our lines to learn more about us.

If three or more people in any community served by the Boston and Maine will take the trouble to request a copy for their local public library, we'll present a copy of "High Green and the Bark Peelers" to that library—with our compliments!

Write to G. H. Hill, Publicity Manager, North Station, Boston.

"My nine-year-old son is as fascinated by railroads as am I, and these are the men I should be most happy to have directing him when he takes his first job after leaving college. That is the test by which increasingly I am coming to measure all men." (Page 112)

ABOUT B and M—BUT NOT FOR B and M

This book is the author's and not ours. We had nothing to do with the text or the publishing.

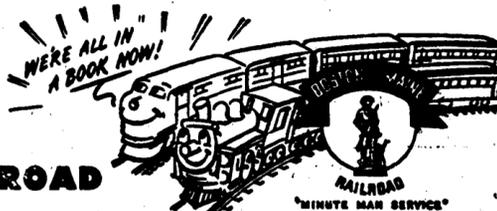

Here is what he says in a letter to us:

"I wrote the book honestly—I wrote what I believed, not what you or anyone else might have wished me to write. You had enough confidence in your road to turn me loose and let me see for myself, with no attempt to color or slant what I saw." (signed) R. M. Neal.

We have at hand a letter from John F. Gagnon of Westford, Mass. He is one of the three men that speared 79 big snapping turtles in that town this summer. As in the case of the big fish, one got away that he said had a shell three feet across. He says that John Conrad, the high school coach who has been in that town a few years, has gone to Chelmsford, Mass., as coach for that high school. He said Westford hated to see him leave. This man tells us where we can sell our live snapping turtles next year. Been waiting for this address the past two years. Thanks, John.

Phil Magoon of Greenfield sends me down a nice picture of ten pickere[taken from Otter lake in

that town by Al Hutchinson of Wilton. Phil, who rents boats there, reports that pickere[have shown up well these past few months.

Don't throw the deer tails away. Save them for the disabled veterans to make flies of. And don't hang the pelt up on the barn door. They have a value. Send them to Saranac Glove Co. of Littleton, N. H. They will give you a nice pair of gloves or pay you the cash for them. One year I saw eight deer hides nailed up on the side of a barn. Asked the owner "how come?" "Well, I wanted the town to know we had a family of deer hunters."

Do you belong to the deodorized order of the Skunk? Well you can become a member for the sum of four bits and be recommended by a "Stinker." Nearly all the members of the Red Sox belong to the order. The "Imperial Aroma" is at Plaistow, N. H. The order now has nearly a million members and growing every day.

Got my 1951 copy of the Old Farmer's Almanac right from the publisher, Robb H. Sagendorph of Dublin. I have known this almanac for over 65 years. My mother would never start the new year unless that almanac was in the house hanging behind the stove. It's the 158th edition. We take our hat off to Robb for the nice edition full of interesting articles.

Had a nice compliment the other day. A lady way down on the Mass. Cape called me up and wanted to know how to get a little black and white woods pussy out of her cellar. No one down there knew how to do it. She said she referred it to the Massachusetts Department and they referred her to me. I'm getting to be quite an expert on the skunk.

This week I got a very interesting book on "Racoons of North and Middle America." 153 pages of very interesting reading. It's called North America Fauna, 60.

We get many questions such as "Can I use snare to catch hares and foxes?" "Can I use an air rifle for hunting hares and small birds?" No wonder such questions are asked, as many of our sporting magazines advertise such articles for sale. Study your game laws in regard to such articles. The answer to both questions is "no." No one can sell or offer to sell such things in this state. The fine is \$50, and plenty of costs. In reading your magazines use a big pinch of salt. Many states allow such things, but here in N. H., "No."

Don't forget that feed box for the wild birds. In the woods build a lean-to and feed the larger game birds. Leave the sides open so the birds can get out quickly if a fox should show up. It pays to feed the wild birds. Some time ago I was sitting on a bench by my fish pond and saw a bluejay land on a limb, and did he do a job on a web nest? He stayed there a long time and only flew off when a cat showed up.

A friend of mine said to me the other day. "I have never agreed with you on your stand against stray cats. But on day last week I saw two big strays hunting together. I watched them for some time and they did not see me. What they did in that short time I hate to tell you. Now I am with you 100 percent on your stray cat problem." One nice cat to keep down the mice and rats, but when they run wild and feed on our game birds, it's a crime. One stray cat in the woods will kill more game birds and small wild animals than a dozen hunters.

From where we sit it looks like a record deer kill in 1950. Reports come in from all sides that there are more deer than ever before. I saw four myself this past week. One small doe was so tame it stood within 100 feet of us and stood and just look and looked.

Here is a man that's hot on the subject of having all deer hunters take a special exam to see if they know a cow from a deer. A man in one of the nearby towns lost a good sized cow. Hunter thought it was a deer. Two out of state men shot two small heifers thinking they were deer and they nearly got away with it. If a man or woman don't know the difference they should never be sold a license. Some reak bills will be presented at the next legislature on the subject of deer hunting. One man thinks the state should be wide open at the same time to stop congestion in certain sections. What's your idea?

Exeter Here Friday for Game of Year

HILLSBORO — The game of the year will be played on this coming Friday against the age old rivals of Hillsboro the blue and white of Exeter.

Exeter easily won over Woodbury Tuesday and appears to have their usual great team.

Due to the great rivalry between these two teams this should prove to be a hard fought game which will have on hand Bill Jackowski, the colorful N. H., arbiter as an official.

Jackowski is one of the finest officials in this part of the country and always assures the fans of a good job in officiating.

Monadnock Sportsmen Fete James Lorette

BENNINGTON — Arthur W. Sawyer of Bennington was master of ceremonies at the roast raccoon banquet in honor of James Lorette of South Lyndeboro, formerly of Bennington, one of the most widely known sportsmen of the Monadnock Region.

The banquet was held at the Col. A. J. Pierce hunting lodge in Hancock Sunday night and was attended by about 60. Milton Burke of Peterboro, formerly of Bennington, made the general arrangements.

Mr. Lorette achieved wide public notice several years ago when his dog, the late Queenie, became the New England champion fox hound. Mr. Lorette, who is the most successful coon hunter in this vicinity contributed several of the ten coons which were used for the supper, not knowing it was a surprise event for him. He was given a sum of money in appreciation of his years of friendship for the group.

Alumni Gets Jump on '51 Squad

HILLSBORO — On Friday, Dec. 1, the alumni defeated Hillsboro high 42-31. With such former Hillsboro greats as Fred Stamatelos, Raoul Sullivan and Jim Barrett leading the attack the alumni rolled over the maroon and white in what proved to be a rough aggressive game with both teams giving their best.

The alumni jumped off to an early start by taking a 23-9 lead at the half. The high school found its range in the second half but the first half leading proved to be too much for them even though they were playing on even terms.

Raoul Sullivan paced the alumni attack with 13 points while Bud Gove was the leading scorer for the high school with 8 points.

In the preliminary Miss Farmers charges defeated the alumni girls 44-42.

ALUMNI (42)
 Stamatelos 2-3-7; Barrett 4-0-8; Barnes 1-2-4; Sullivan 6-1-13; Pierce 0-0-0; F. Smith 0-1-1; D. Smith 0-0-0; Spaulding 1-0-2; Warren 3-1-7.

HILLSBORO (31)
 Teixeira 2-0-4; Whitney 0-0-0; Faro 0-1-1; Grimes 0-2-2; Gove 4-0-8; Macukewicz 0-0-0; Murdough 1-1-3; Duval 2-1-5; Bernard 0-0-0; Taylor 3-0-6; Cody 1-0-2.

Those at the head table at the banquet were Mr. Lorette, Mr. Sawyer, Pearl J. Warren of Bennington; Edward Vose of Peterboro; John Marston of South Lyndeboro and Boston; Harold S. Fuller of Hancock; Dr. Cook of South Lyndeboro; and William Curtis of Hancock, champion wild-cat hunter. All these and Arthur English of Antrim were speakers on the program.

Arthur Amiot of Antrim showed movies on a variety of subjects.

HILLSBORO — Hillsboro High school racked up its second win of the season by defeating Peterboro 43-29 Tuesday. Hillsboro moved to an early lead in the first quarter scoring 13 points to their opponents 4 and then continued in the second quarter with 12 points to Peterboro's 9.

In the second half the scoring was nearly equal but this does not tell the story as Hillsboro forwards were continually stealing the ball and only their inability to score and the height of the Peterboro team saved further scoring.

Bud Gove and Al Taylor paced the Hillsboro five with 12 and 10 points respectively and McLean was high scorer for Peterboro with 9 points. Don Grimes and Ronald Teixeira controlled the defensive boards.

HILLSBORO (43)
 Taylor 4-2-10; Cody 2-0-4; Duval 3-0-6; Murdough 1-0-2; Gove 4-4-12; Macukewicz 0-0-0; Grimes 3-0-6; Teixeira 1-0-2; Whitney 0-1-1; Faro 0-0-0.
